Victory Over Marina Highlights Homecoming

The 1975 Homecoming game was played against the Marina Vikings at Huntington Stadium. The Charger victory was at a score of 19-6. The Homecoming dance was held at Lion Country Safari. The cost was \$6.00 per person or \$12.00 per couple. Music was provided by the well-known band, Steam. Over 300 people attended the dance.

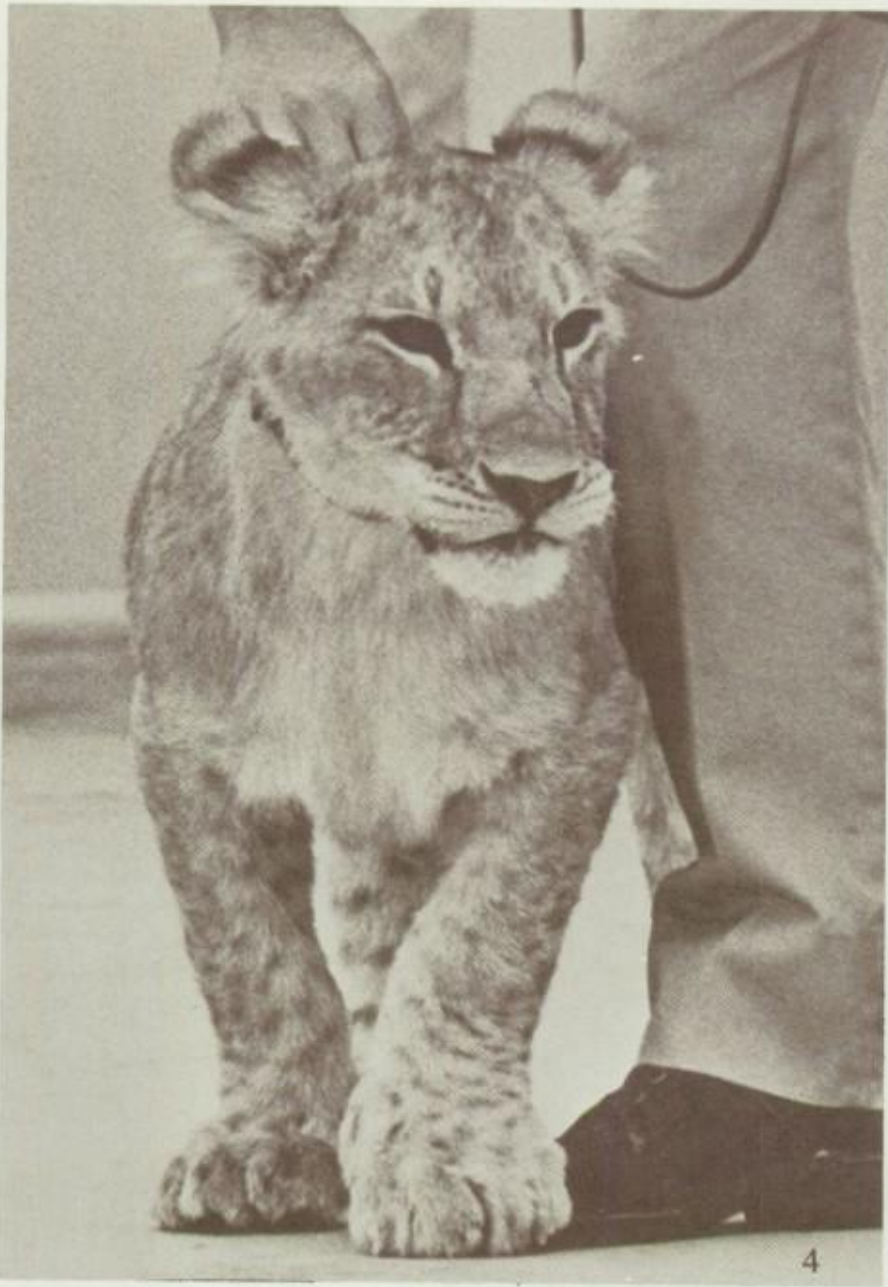

Spirit Week Starts Homecoming

"Bungle in the Jungle" was the theme for Edison's 1975-1976 Homecoming and Spirit week. Spirit week held October 20-24, with an egg-toss Monday to start off the week. Tuesday a slave sale was held in the bowl with both male and female slaves from all four grade levels. A representative from Lion Country Safari came to give more information on the Homecoming Dance. He also brought with him, on a leash, a young female lion cub. Wednesday in the pools, a four-man sweatshirt race and a penny dive was held. During this, a car push was going on in the parking lot. The day ended with the senior class winning all the events of the day. Thursday was dress up day, and Friday the week ended with a pep assembly in the gym, and the spirit trophy was awarded to the senior class. A very spirited week ended with the Homecoming game with Edison beating Marina 19-6.

1. Judy Coleman watching the gum stretch in the bowl.
2. Senior slaves Vic Rakshani and Jim Bogart stand on stage in the bowl during the slave sale.
3. Bruce Johnson, Rhonda Spinak, Celeste Phillips, Erin Greer, and Mario Torres sit at the bidding table on stage in the bowl during the slave sale.
4. A representative from Lion Country safari helped to express the "Bungle in the Jungle" theme.
5. Laura Patierno shows her spirit as a zebra for dress up day.
6. Slaves Debbie Anter and Dawn Johnson show emotions as the bidding for them goes up.

Chargers Change for a Day.

Halloween always seems to have a magical spell on students and faculty. Many people from Edison dress up as geisha girls, clowns, animals, belly dancers, Girl Scouts, and Boy Scouts and let their identity change for a day. Many times their personality follows suit. The faculty costume competition was held to the side of the Administration Building. The Social Studies department took first place in the annual event. Mrs. Wronka, dressed as a flower, was given the women's award for the best individual; the men's award was presented to Mr. Shimpock, costumed as a ballerina.

1. Bonnie Henry, disguised as a Belly Dancer, walks to class with her Geisha Girl partner.
2. Students converse with their dressed up friends.
3. Doctors Wyre, Arriola, Johnson, and Gross read each other's health.
4. The award winning Social Studies department, dressed as they came to class to teach.
5. Karen Parkinson as a clown attends her yearbook class.
6. Mr. Jensen from the Industrial Arts department always wanted to become a Westminster cheerleader.

Pep Assemblies Help to Boost Chargers' Spirits!

1. Don Whan walks through the Banner Carrier's tunnel of flags.
2. Vic Rakhshani receives the player of the month award from Laura Patierno.
3. Student body watches pep assembly with enthusiasm.
4. Balloons are part of the celebration for Varsity Football players as they go to C.I.F.
5. The Pepster squad preforms their "Ma" skit.

Pep assemblies this year took place in the gym during the activities schedules on Fridays. Celeste Phillips, commissioner of pep assemblies, announced the coming activities. Song and yell leaders performed to many of the Bands song's such as "Dobbie Brothers" and the "Fight Song." The organizations such as Banner and Drill Team were always present at the assemblies and many times added to the entertainment. During class cheering competition, the sophomores won the spirit stick by shouting "*Sophomores, Sophomores!*" The pepster squad also participated in the lunch time activities by performing skits they thought up by themselves. The purpose of pep assemblies was to promote school spirit for football, cross country, and water polo games, which were the winter sports.

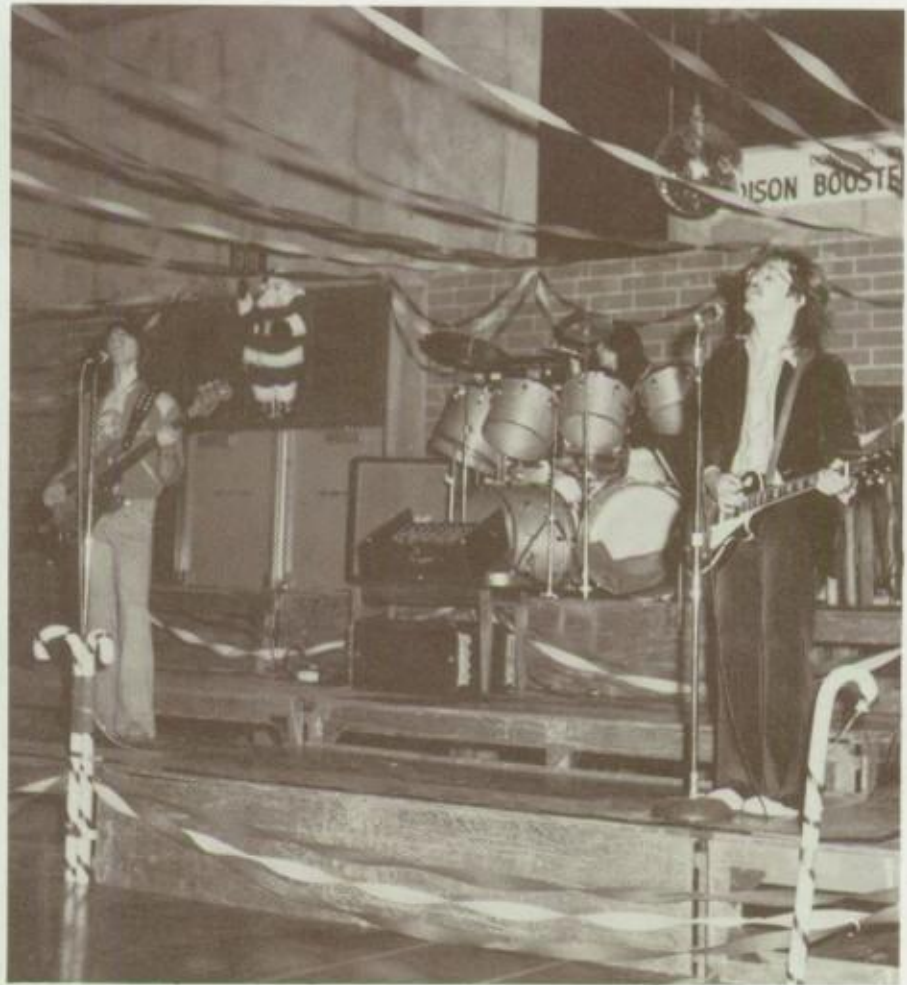

An Old Fashion Dance

"An old fashion dance, in an old fashion place, at an old fashion price," was the theme of this year's Christmas Dance. The semi-formal dance took place in Edison's Gym, where the band "Kangaroo" played a variety of music. One of the events that took place was the decorating of the Christmas Tree. The dance was sponsored by the senior class.

1. Couples embrace in a slow dance.
2. Students relax and enjoy refreshments at the Christmas dance.
3. Debbie Sappia and the rest of Edison's student body, barefoot in Edison's gym, dance to the sounds of Kangaroo.
4. Ken Munson and his date enjoy the music of Kangaroo.
5. The band Kangaroo provided the music at the Christmas dance.
6. Jean Schiel helps to decorate the tree at the dance in the Edison gym.

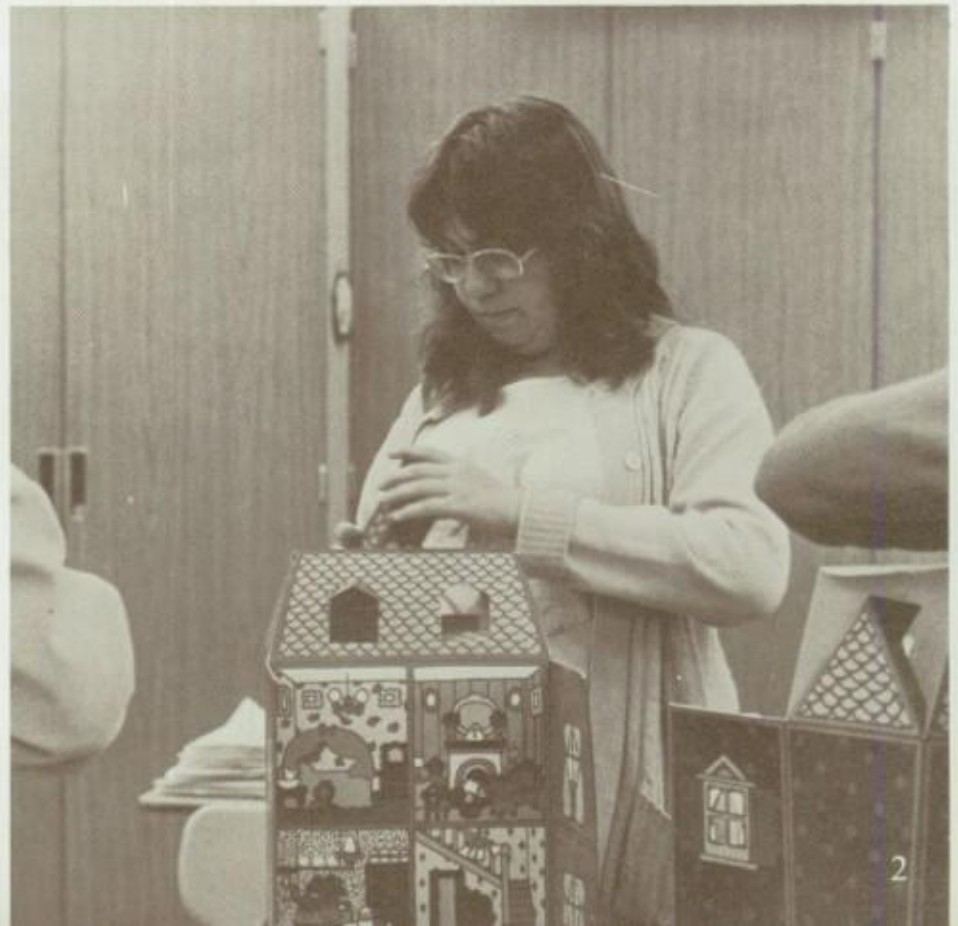

Tis the Season to Be Jolly

"Deck the halls with boughs of holly" was one of the many carols that the A Cappella choir sang during the Christmas activities week. Besides the Christmas caroling, there were a candy race and a cranberry toss in the bowl during lunch that week. Bruce Johnson and Jon Oates, Edison's disc jockey, asked for volunteers to represent their class for these events. Edison's students and faculty showed their Christmas spirit by donating to the canned foods drive for the less fortunate families. Many other classes at Edison collected toys, clothing, and other items for needy families. Homerooms, as they have done every year during Christmas, decorated their doors with Angels, Santa Claus, and other Yuletide items.

1. Christmas carolers—Mr. Otey and the A Cappella choir—fill the halls with song.
2. Debbie Harvey makes a doll house for a needy family.
3. Linda Endo and Steve Harvey participate in the cranberry toss.
4. Students straighten up the items in the Electronic's canned foods drive collection area with Mr. Garret's (Left) suggestions
5. Santa's helpers, Joann Bauer and Kim Smith, stop to listen to the Christmas carolers.
6. Room 123 winner in the door decorating contest.

Witches Come to Edison

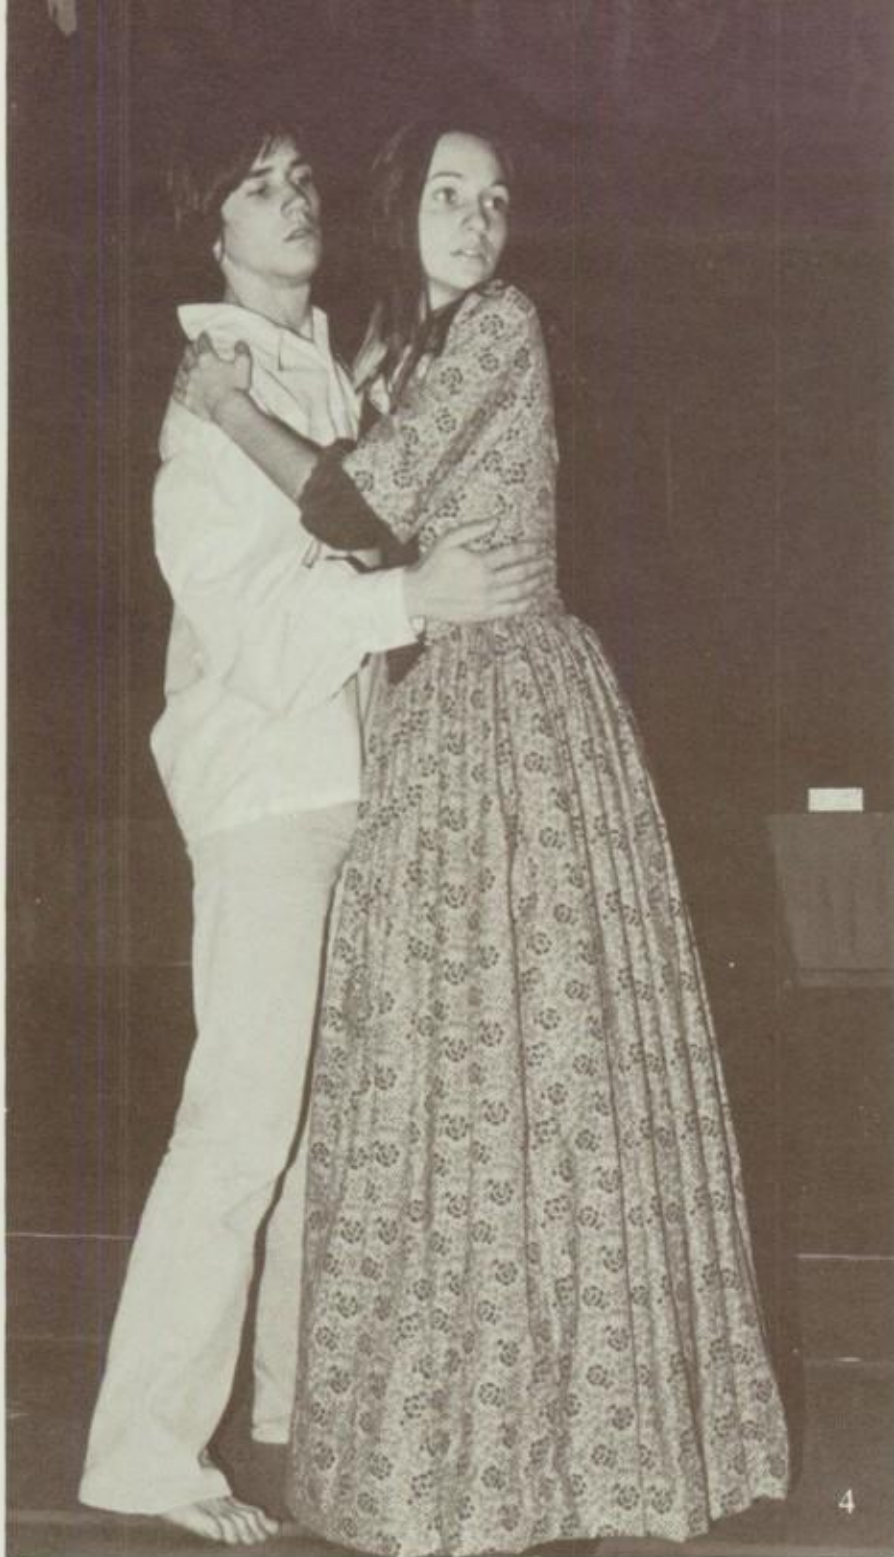

The first production this year by Edison Drama department was the conversational play "Dark of the Moon", by Howard Richardson and William Berney. The message put across in the play was that in a world of militant braggarts, seductive witches, and religious hypocrisy, it is a most difficult thing to be human and a most wondrous thing as well.

The story around which the play revolves is that a witch boy (Kirk Preble) falls in love with Barbara Allen (Joann Stott). Later, John the witch boy has the Conjur woman change him into a human on condition that Barbara is faithful to him for a year. Some townfolk find out about John being a witch boy. They force Barbara to become unfaithful in the town church in Buck Creek, which then causes Barbara to die as the play ends.

The success of the play was due to many people: the large stage and publicity crews, the director—Charles Staneart, and the assistant director—Deirdre Fryer. Besides the many actors and actresses who played the roles of the Townspeople and the Conjur Folk, there were Barbara Allen played by Joann Stott, Preacher Haggler—Brian Shucker, Marvin Hudgens—Mike Volpe, Mrs. Allen—Stacy Nichols, Edna Summey—Suzanna Bowling, Miss Metcalf—Yvonne Hawkins, Uncle Smellicue—Cary Miller, Eunice Bergen—Mary Volpe, Mrs. Summey—Jan Hicks, Hank Gudger—Steve Sorenson, Floyd Allen—Pat Swagerty, and Mr. Allen—Barry Hovis.

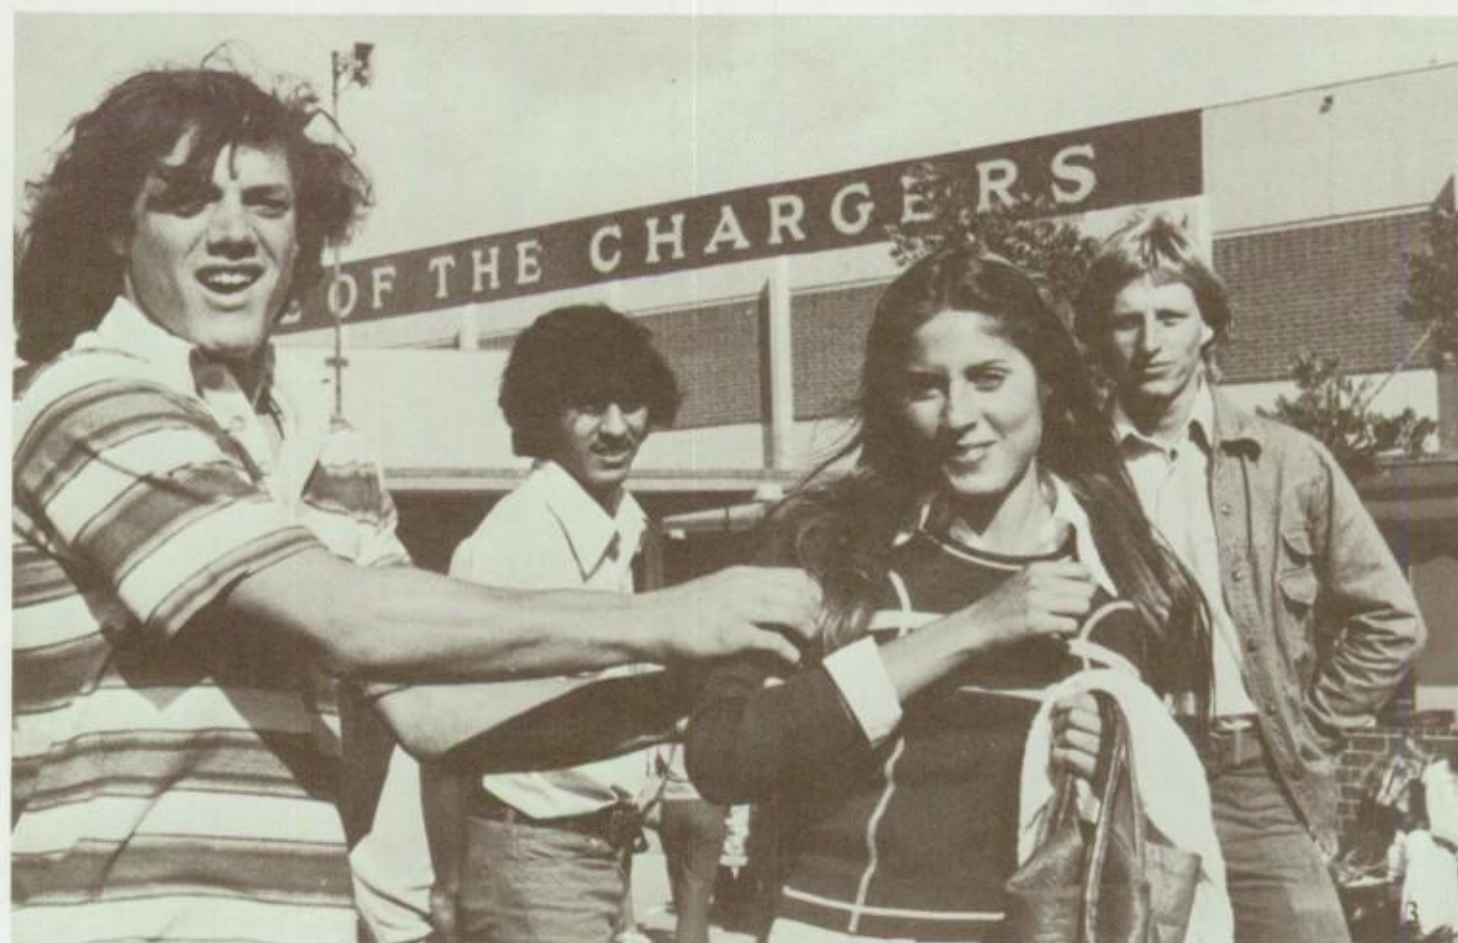

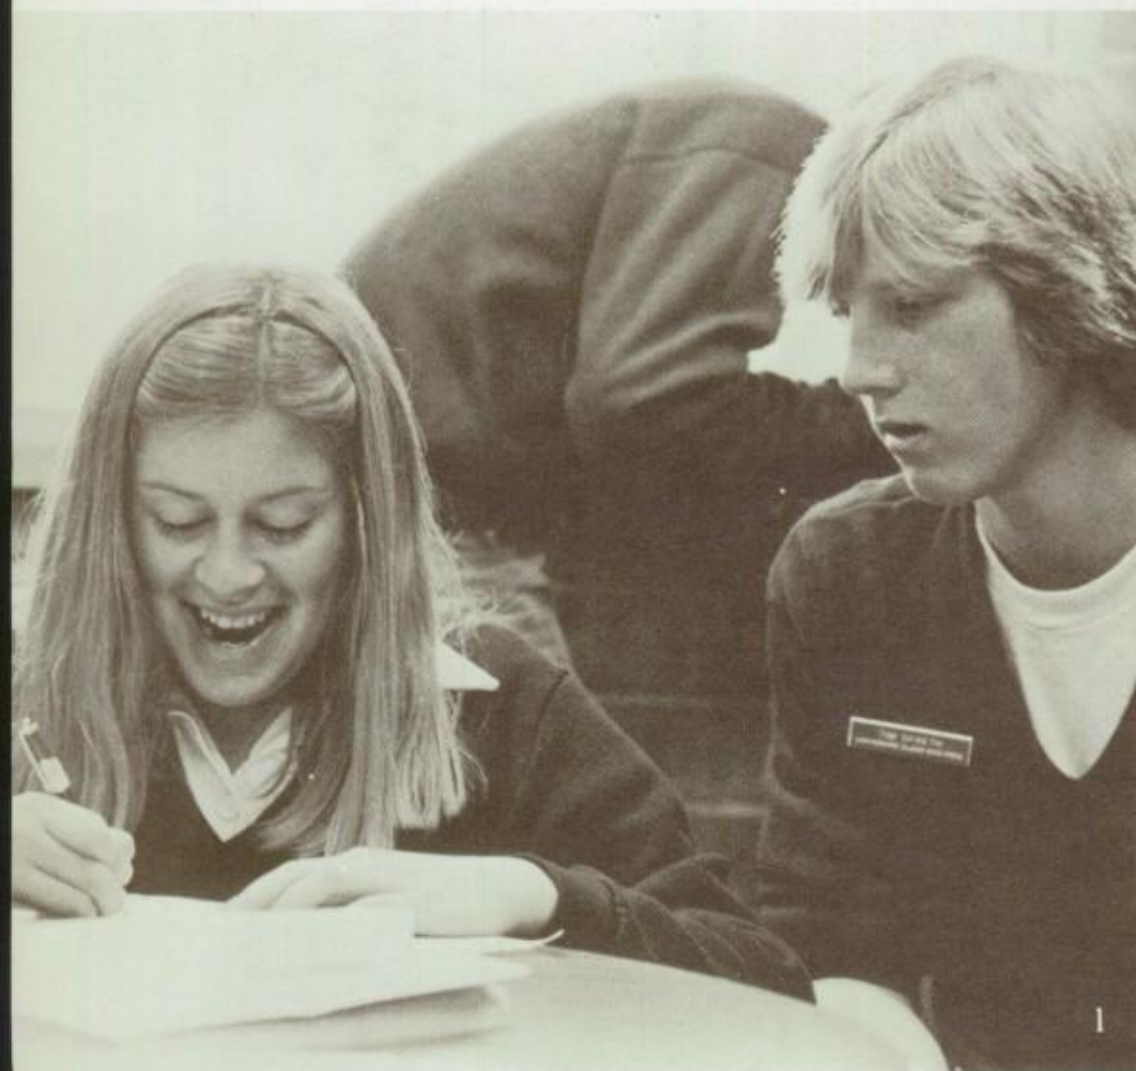

1. Mike Volpe lifts the barrel to show his strength.
2. Gary Miller strums the guitar as some members of the cast dance along.
3. The Witches and John.
4. John, the witch boy, and Barbara share a tender moment.
5. The main actors: top-Mike Volpe, bottom-Stacy Nichols and Brian Shucker.
6. Barbara gets into a spat with a townsfolk. Dark of Moon photos by Ron Sheppard

Chargers Find Ways to Relax, Be Themselves

Students nowadays find many ways to pass time while not studying. Many find it easy to just be themselves and relax. Many students break away from their routines to have some fun.

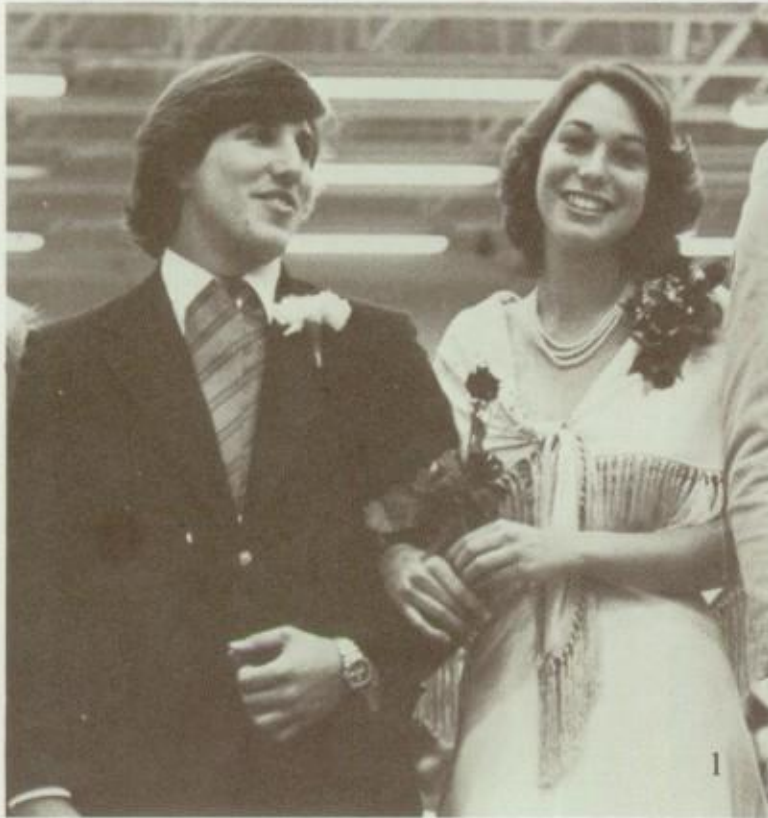

4

1. Cindy White finds Senate sometimes amusing as Tom Spaeth looks on.
2. Stephen Pallson during band practice.
3. Cindy Riddle plays camera shy for Bob Dohmeyer (*Left*)
4. Dave Guyer, Joe Seymour, and friend play baseball during lunch.
5. Benches give Sheryl Herin (*Left*) and her friend a nice place to sit and chat.

Kim and Robin Tie as Queen of Courts

Queen of Courts has become a well-known tradition at Edison. The ceremony for this year was held during a basketball game halftime. Because of a tie, both Kim Finlay and Robin Greer were crowned Queen of Courts for 1975-1976. The princesses were Joanne Wewandt, Lisa Lineham, Katie Weber, and Celeste Phillips. The class princesses were Erin Greer, Junior princess; Kelly Goodman, Sophomore princess; and Chris Tomasic, Freshmen princess.

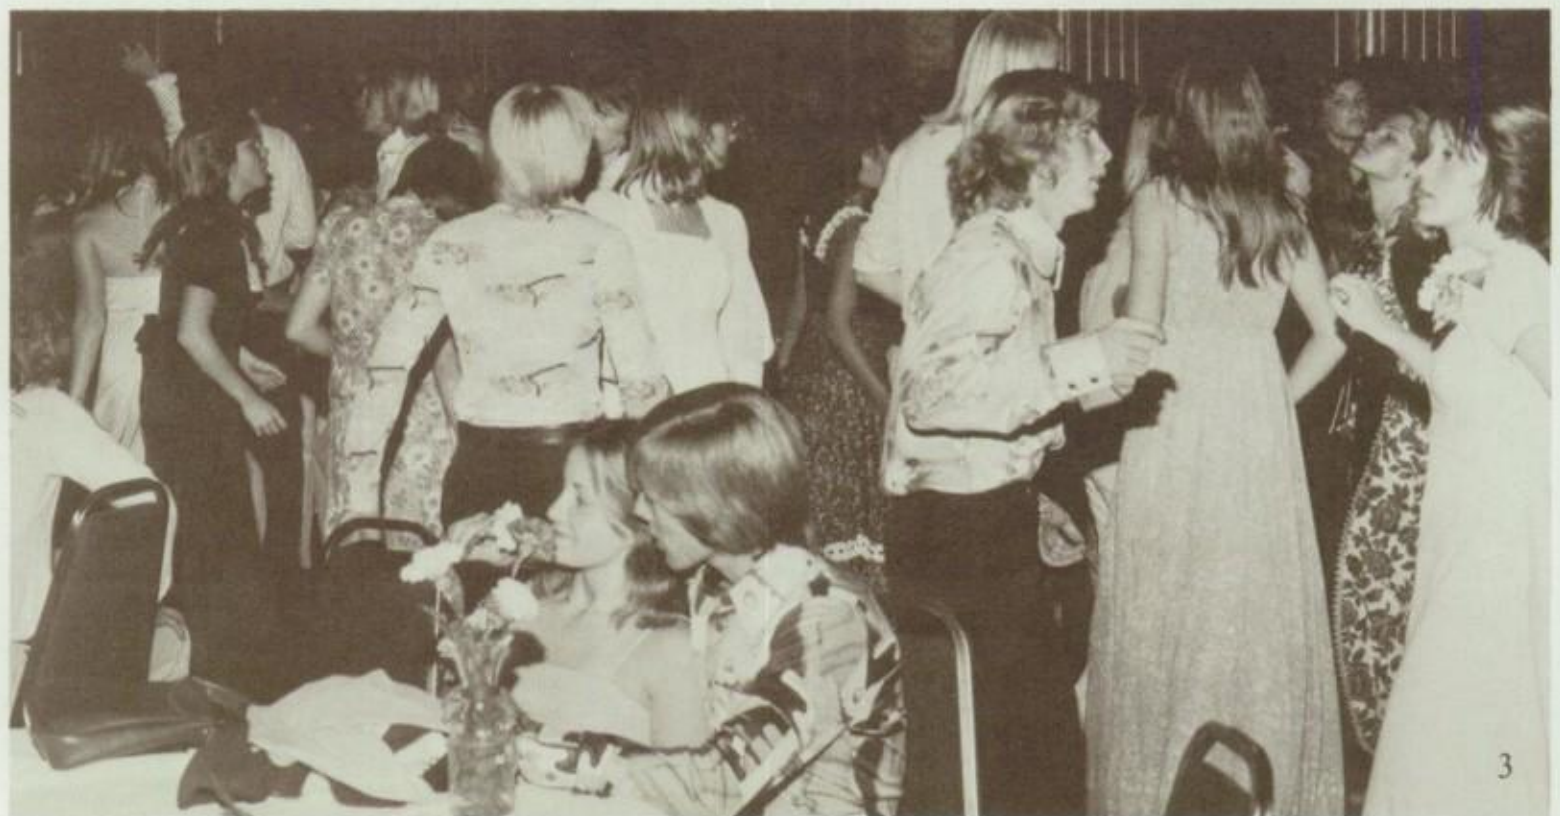

1. Queen of Courts nominee Joanne Wewandt was escorted by Bob Romeo.
2. Queen of Courts Robin Greer with her escort Ed Connell.
3. Queen of Courts nominee Lisa Lineham was escorted by Vic Rakhshani.
4. Sophomore princess Kelly Goodman was escorted by Merrill Riley.
5. Junior princess Erin Greer was escorted by Steve Rakhshani.
6. Freshmen princess Chris Tomasic was escorted by Joel Phillips.
7. Queen of Courts Kim Finlay with her escort Rick Bashore.
8. Queen of Courts nominee Katie Weber was escorted by Mike Peters.
9. Queen of Courts nominee Celeste Phillips was escorted by Steve Sameulain.

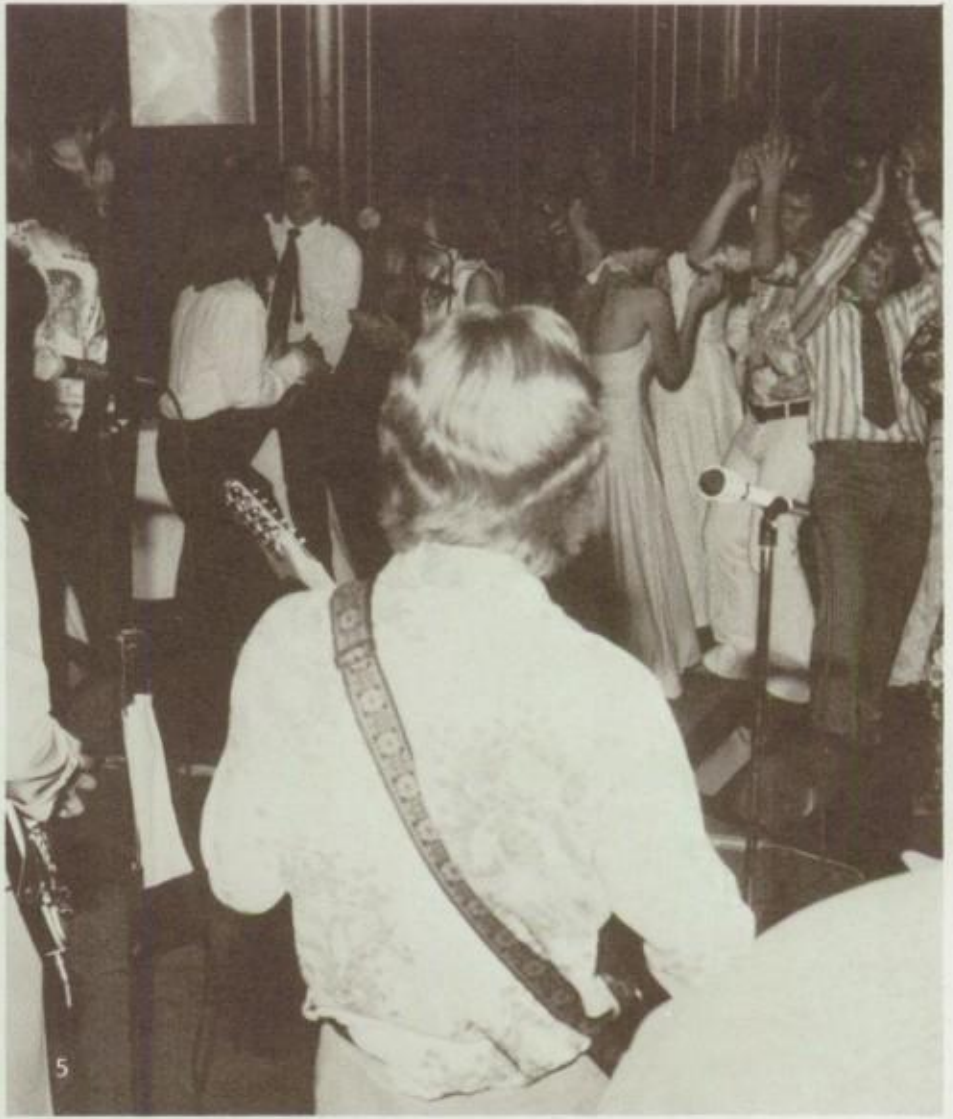

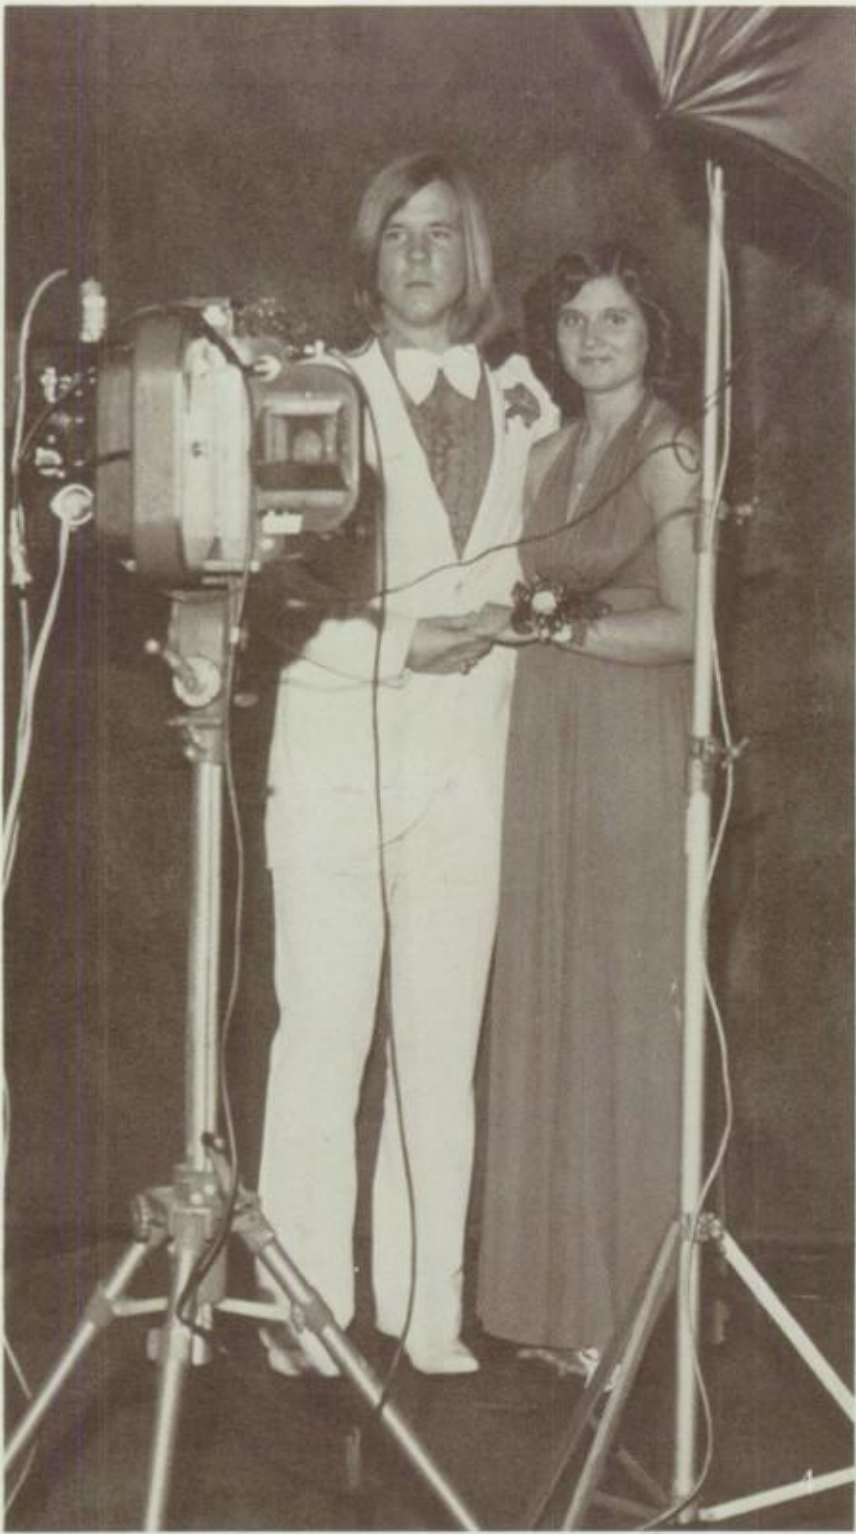

Sweethearts Dance at Queen Mary

The Queen Mary was the site this year for Edison High 1976 Valentine Day Dance. The "Grand Saloon Room" was filled with couples dancing, talking, and sitting on February 11 from 8:00 - 12:00 p.m.

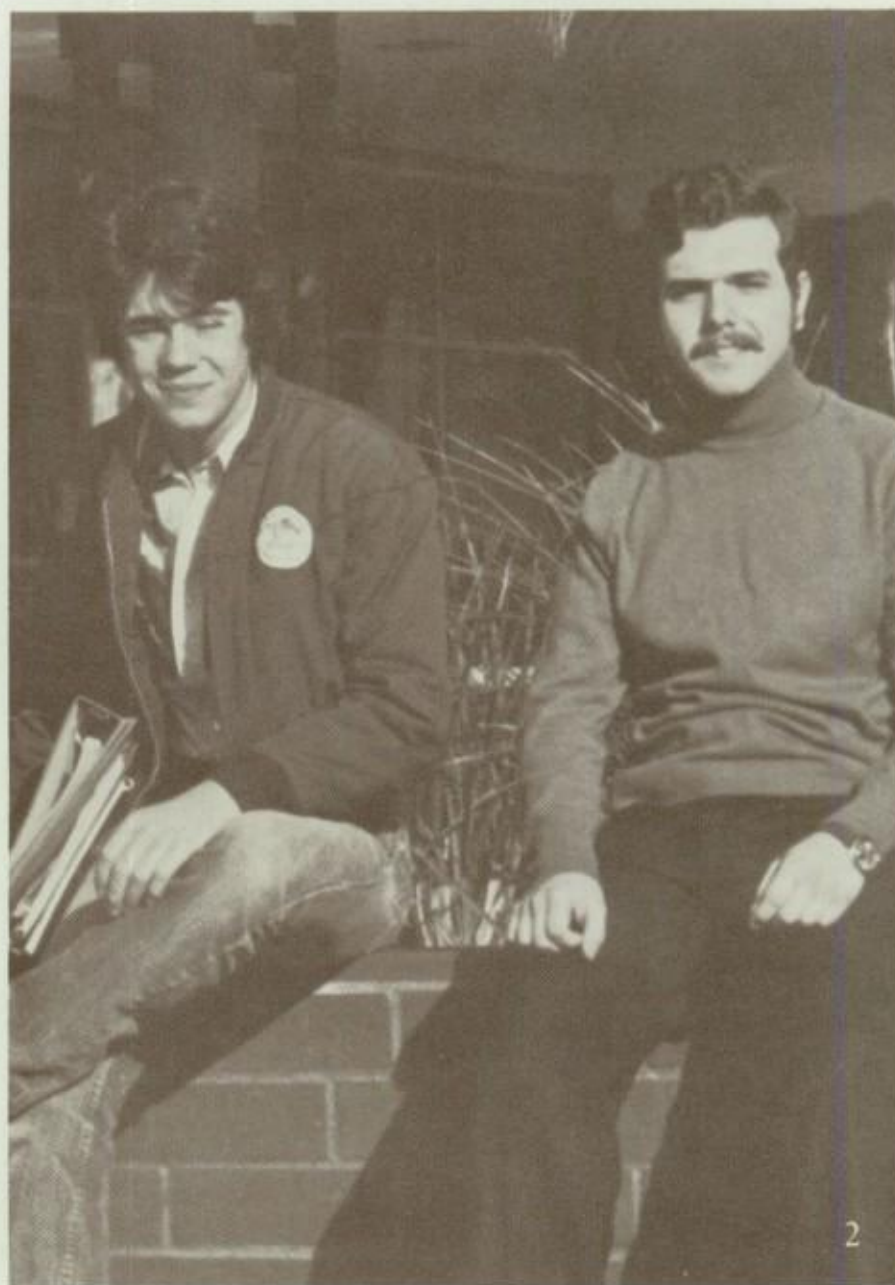

1. Couples enjoy view from the deck of the Queen Mary.
2. Sofas and chairs were there to relax in.
3. Couples relax and have a refreshment while other students keep dancing.
4. Albert and James took pictures of couples.
5. Students and faculty enjoying the music.
6. The coat attendants.
7. Jody Ballinger and date enjoy the music.

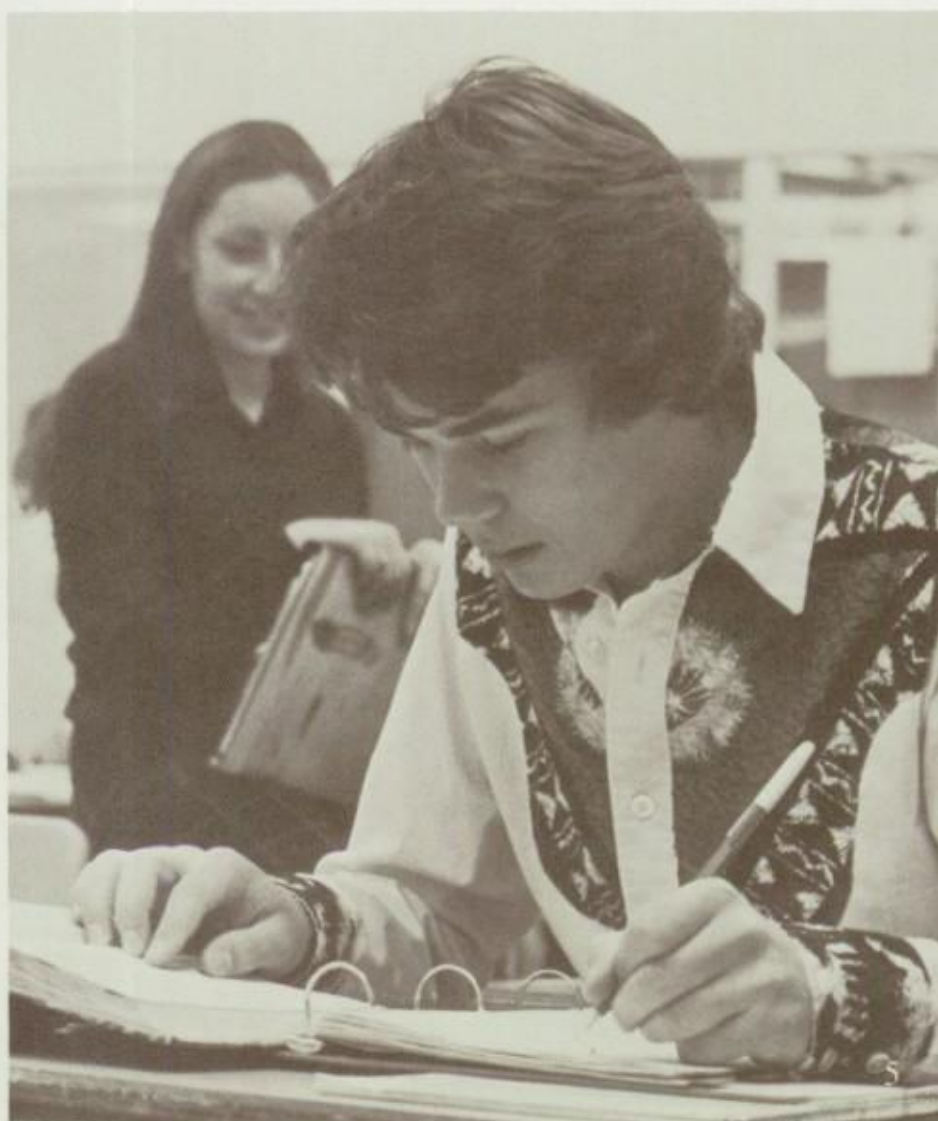

Friends Come From Foreign Lands

Foreign students at Edison are nothing new except for the many new faces and cultural insights they give to Edison. Many foreign students have come here to live and don't plan to go back to their countries. Groups such as Youth for a Better Understanding, International Cultural Exchange, and student visas bring students such as Per Hulton from Sweden, Lourdes Dugue from Ecuador, Soosan Amedi from Iran, Yacoub Quishair from Lebanon, and Georg Babazagleh.

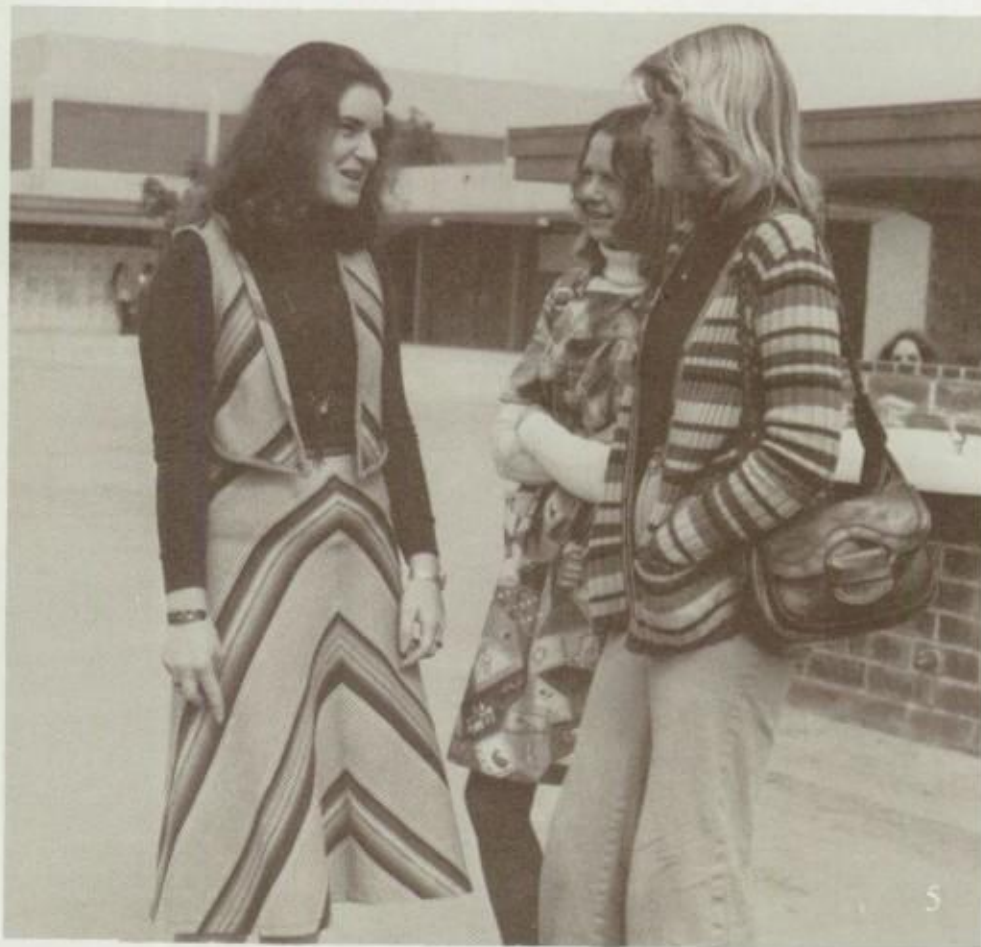

1. Lourdes Duque shelves the books during her library aide class.
2. Per Hulton and Yacoub Quishair wait for their classes to start.
3. Foreign students: Per Hulton, Yacoub Quishair, Lourdes Duque, and Soosan Amedi.
4. Lourdes and a student talk about their different classes during lunch.
5. Per Hulton works on a class assignment.
6. Lourdes and Per talk to friends by the drinking fountain.

AFS Exchange Students Gain Insights

Each year American Field Service chooses a person or persons to go to another country, to learn a different culture and way of life. This year sophomore Irma Rodriguez was picked to spend Christmas in Argentina. Branislava Cuk, better known as Branka, is an AFS exchange student from Yugoslavia. Students are chosen for exchange by their grades and their involvement in their community and in school. In other words, they must be all-around good students. Branka, who is from Yugoslavia, believes that it was worth all the work to become an exchange student for a year. Both Branka and Irma are part of the Edison student body and play a part in the cultural background of Edison High.

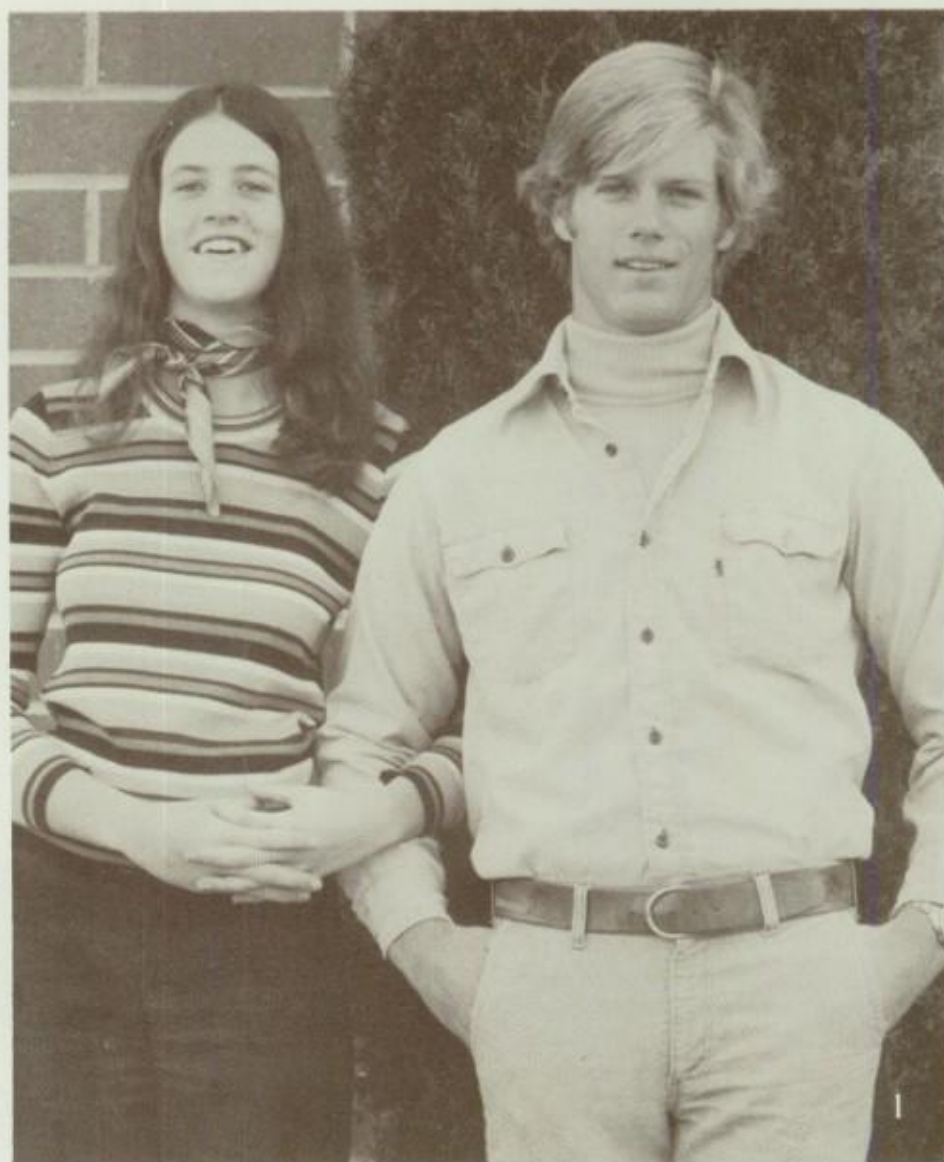

1. Branka is interviewed by Earl Allen of the Live Wire.
2. Branka and Irma talk with Marie Mckinley about class.
3. Irma and Branka.
4. Irma and her boyfriend walk to class.
5. Branka talks to Cindy Sutton and Eunice Bergen during lunch.
6. Branka waits with other members of AFS club for their group picture to be taken.

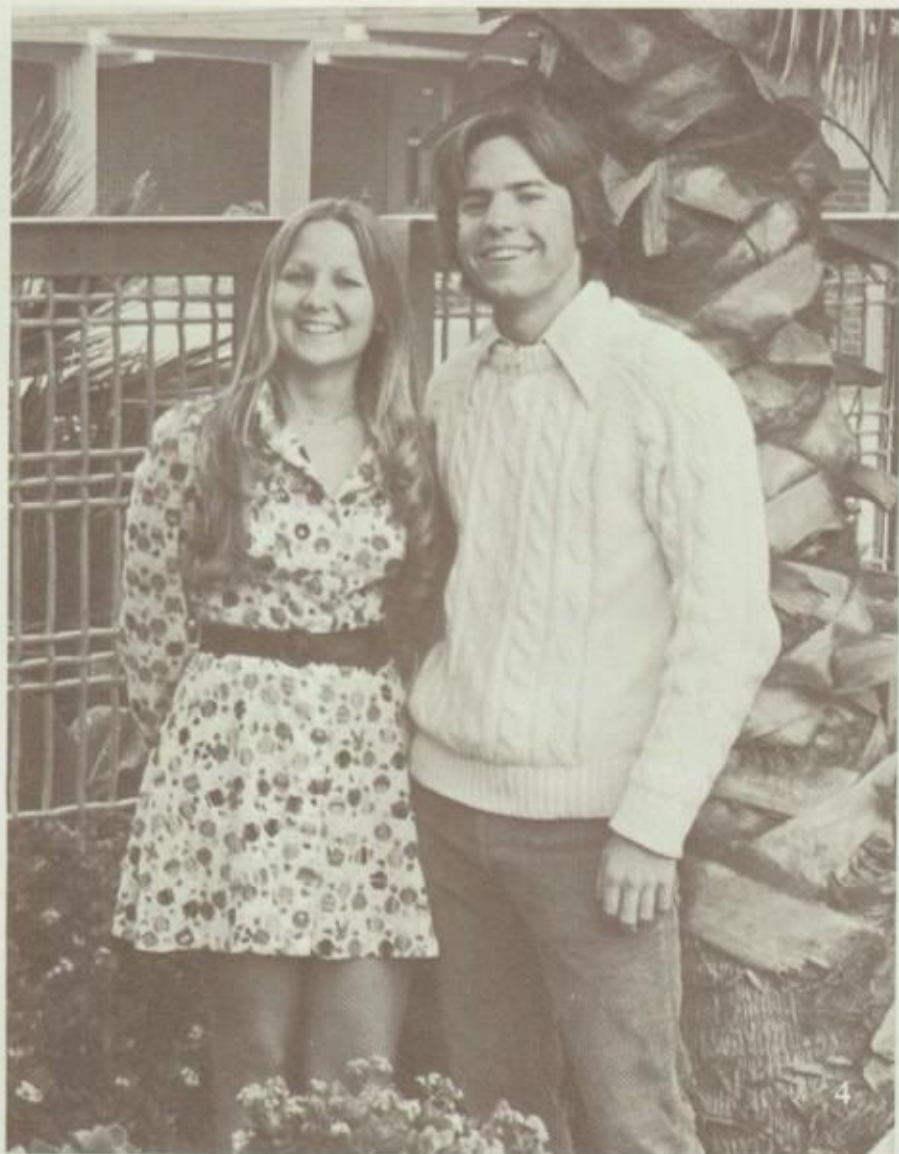

Academic and Active Seniors Honored

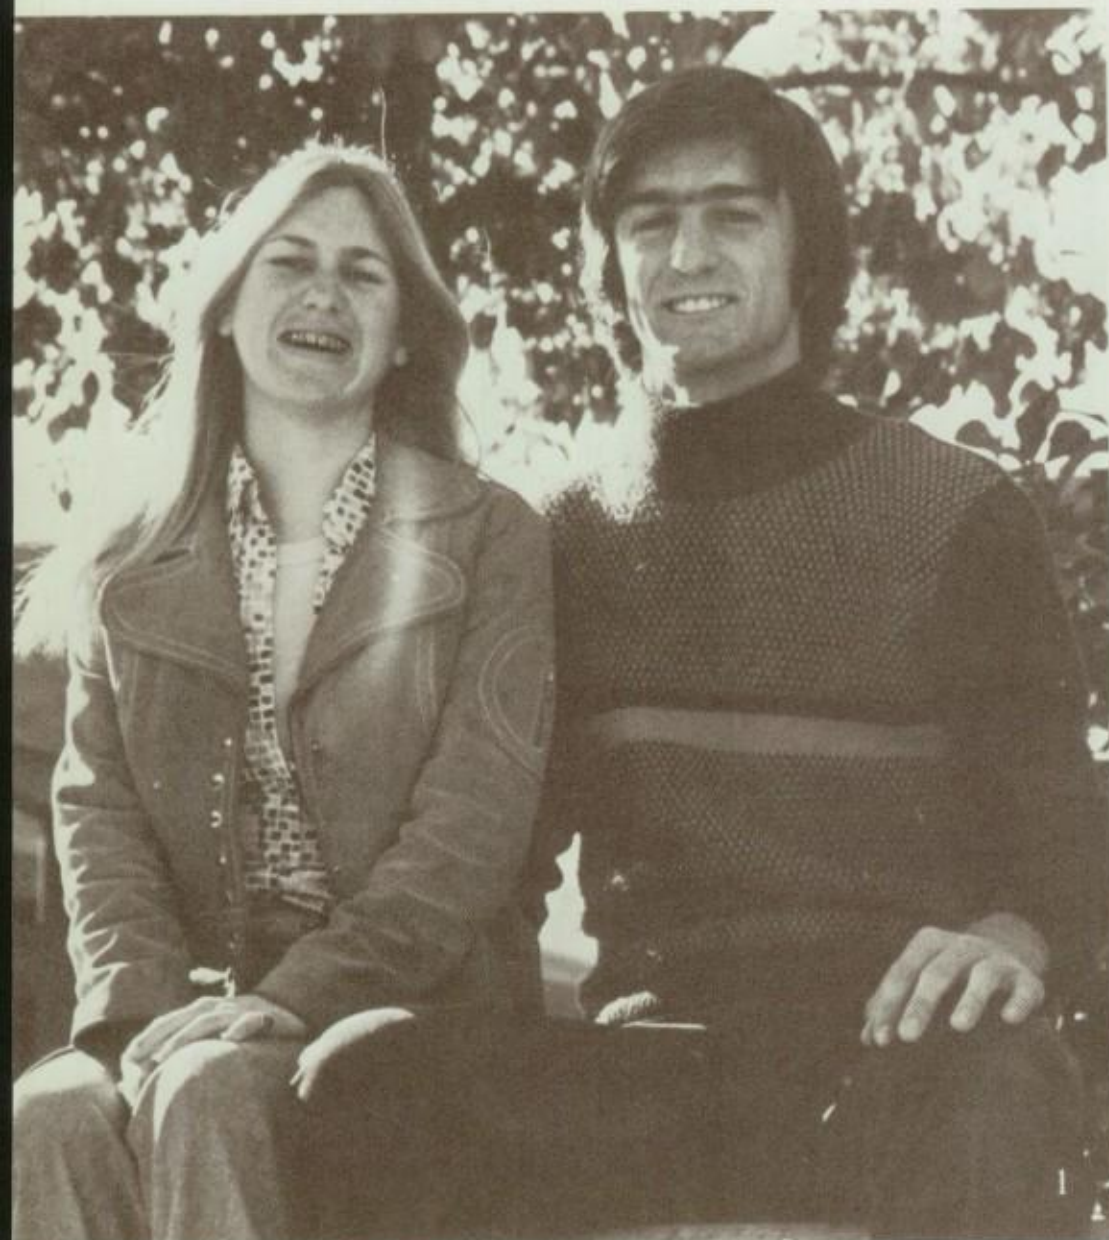

Edison seniors who prove to be outstanding in both the academic and activities fields are honored by the Huntington Beach Exchange Club and Edison. Each honor student, chosen from their applications, receives two certificates and attends a luncheon in their honor.

After each Boy and Girl of the Month has been chosen, his/or her application is set aside until the close of the year. Then both Edison and the Exchange Club combine thoughts to chose the Boy and Girl of the Year, who then automatically is considered with winners from other schools for a scholarship to the college or university of their choice.

1. The Boy and Girl of the Month for September are Rick Bashore and Marilyn McCoy.
2. Tom Wendel and Rhonda Spinak honored for October.
3. Gary Gibson and Celeste Phillips, November.
4. December awards go to Bruce Johnson and Paula Scott.
5. Dan Kuperberg and Kim Lee for January.
6. Receiving honor for February are Paul Okada and Laura Patierno.

1. The Boy and Girl of the Month for March were Paul Tomasic and Lynne Ballard.

2. (Jon) Ted Mosely and Theresa Jennings received the monthly honors for April.

3. Jeff Spaeth and Sherry Drevick were awarded for the month of May.

Dan and Laura Chosen for '76.

As you walk down a hall on Edison's campus, you might see a familiar face, a young and pretty high school senior. Her shoulder length black hair compliments her outstanding smile as she passes, and you realize it's Laura Patierno, the Bicentennial Girl of the Year.

Laura knows what it's like to be involved in extra curricular activities. She has been on the Speech and Debate team, Spanish Honor Society, Drill Team, California Scholastic Federation, Girls' League, Dance, Live Wire Staff, as the Editorial Editor, on the House of Representatives, and the Girl of the Month for March. Laura has received many awards throughout her four years at Edison. Laura plans to attend college next year.

"He's one of the most powerful people on Edison's campus," said Mr. Arriola, Assistant Principal-Student Community Services.

It just so happens that Mr. Arriola was commenting about Dan Kuperberg the Bicentennial Boy of the Year.

Dan is Edison's Student Advisory Council Representative and has a seat at the District Board meetings, with the Board officers. Dan is also a Bank of America Certificate winner, a California Scholastic Federation Sealbearer, and a member of the House of Representatives. He has been involved in the Odyssey Club, Key Club, and the National Forensics Club. Dan was the first Boy of the Month for 1976 in January. He plans to attend UCLA next year with his scholarship.

With a combination of representatives from Edison and the Huntington Beach Exchange Club, Laura Patierno and Dan Kuperberg were chosen from a group of twenty outstanding seniors for the Bicentennial Boy and Girl of the Year.

Many factors take place in choosing the Boy and Girl of the

Year, such as student's grades, extra-curricular activities, sports, community services, offices held, personality, and popularity at Edison during their four years. Laura Patierno and Dan Kuperberg are in competition for \$500.00 from the Exchange Club of Huntington Beach.

Valedictorian Count Rises to Four

Marilyn McCoy

"When I think of Edison in the years to come, I will not remember the staunch brick buildings, impersonal sidewalks, and restricting fences. But I will remember the people that make Edison High School something special: the sagacious administration, the occupied office staff, the fantastic faculty, and of course, the unique mushmash of friends and fellow students."

Marilyn McCoy

"No one leaves Edison empty-handed. Each takes with him a rich legacy of memories, an increased ability to cope with life's challenges and, most importantly, a greater appreciation of life."

Gary Gibson

Gary Gibson

Jeffrey D. Spaeth

"Learning from our mistakes and gaining from our achievements is what Edison has introduced to us. The many memories will remain with us for as long as we live to serve as the basis of our decisions in the many prosperous years to come."

Jeffrey D. Spaeth

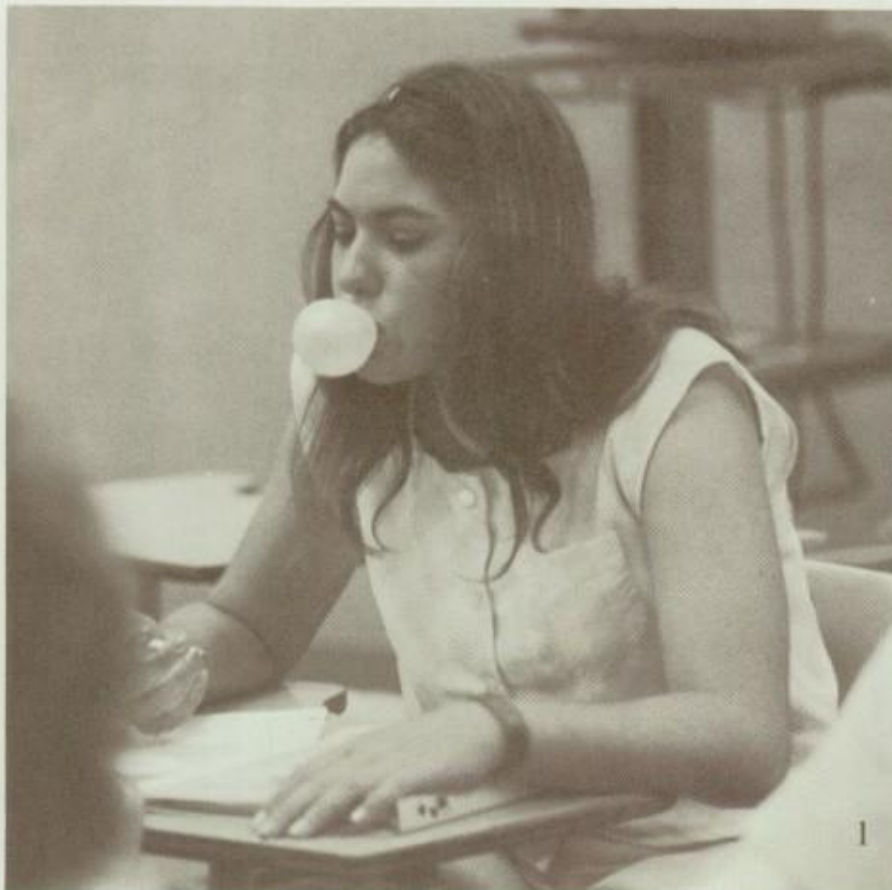

"It is not as important to set goals for yourself as it is to enjoy achieving those goals."

Students Find Time for Classroom Work

Most of a student's time at school is spent in a classroom. Some choose to use it as a time for play. Others use it as a time for study. Many activities took place in our classrooms.

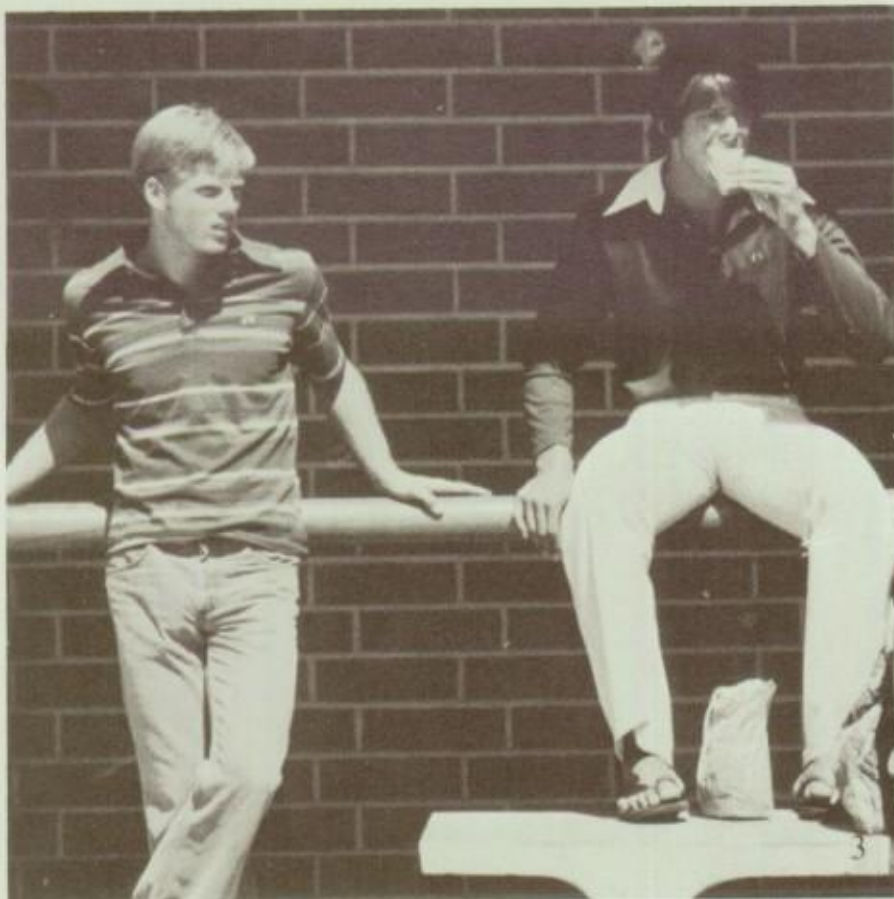

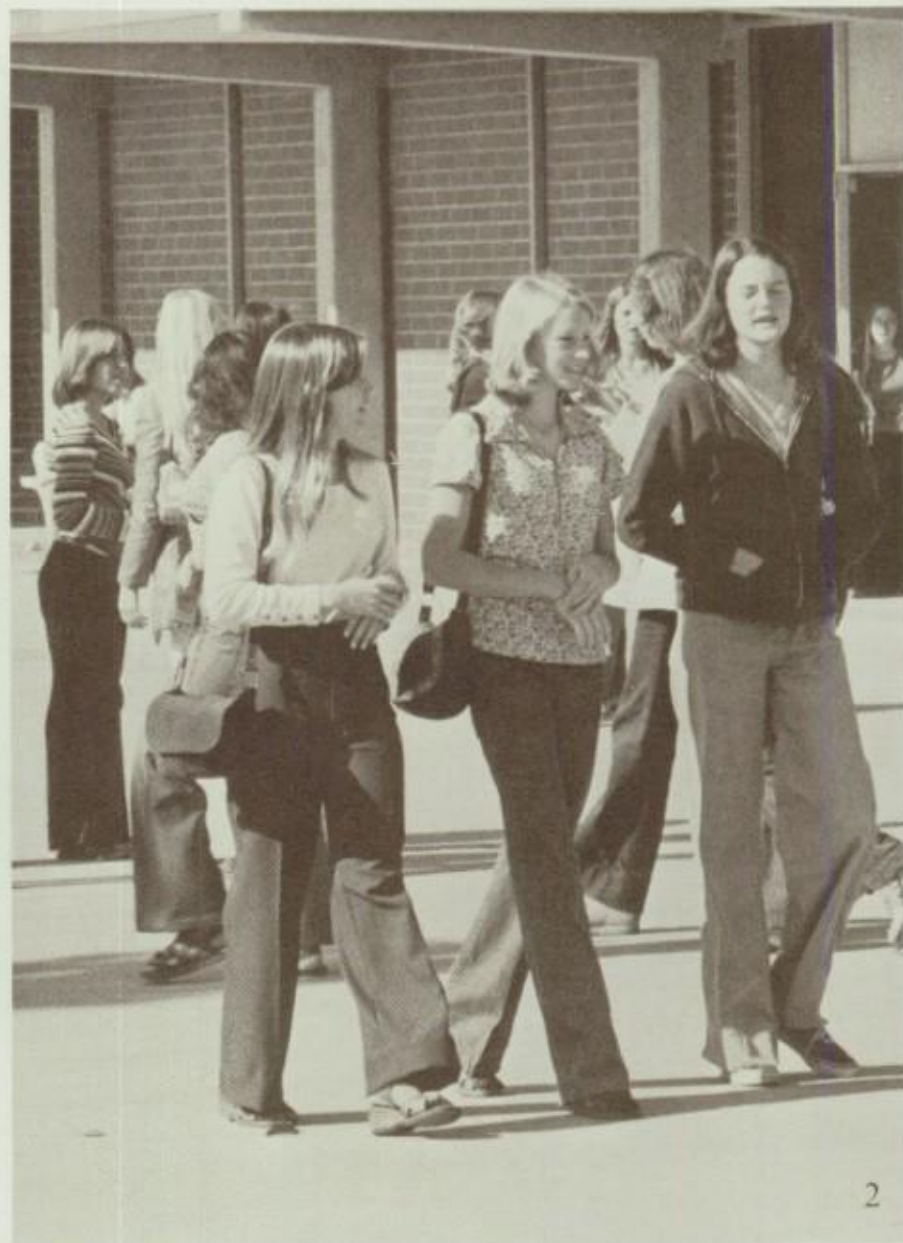

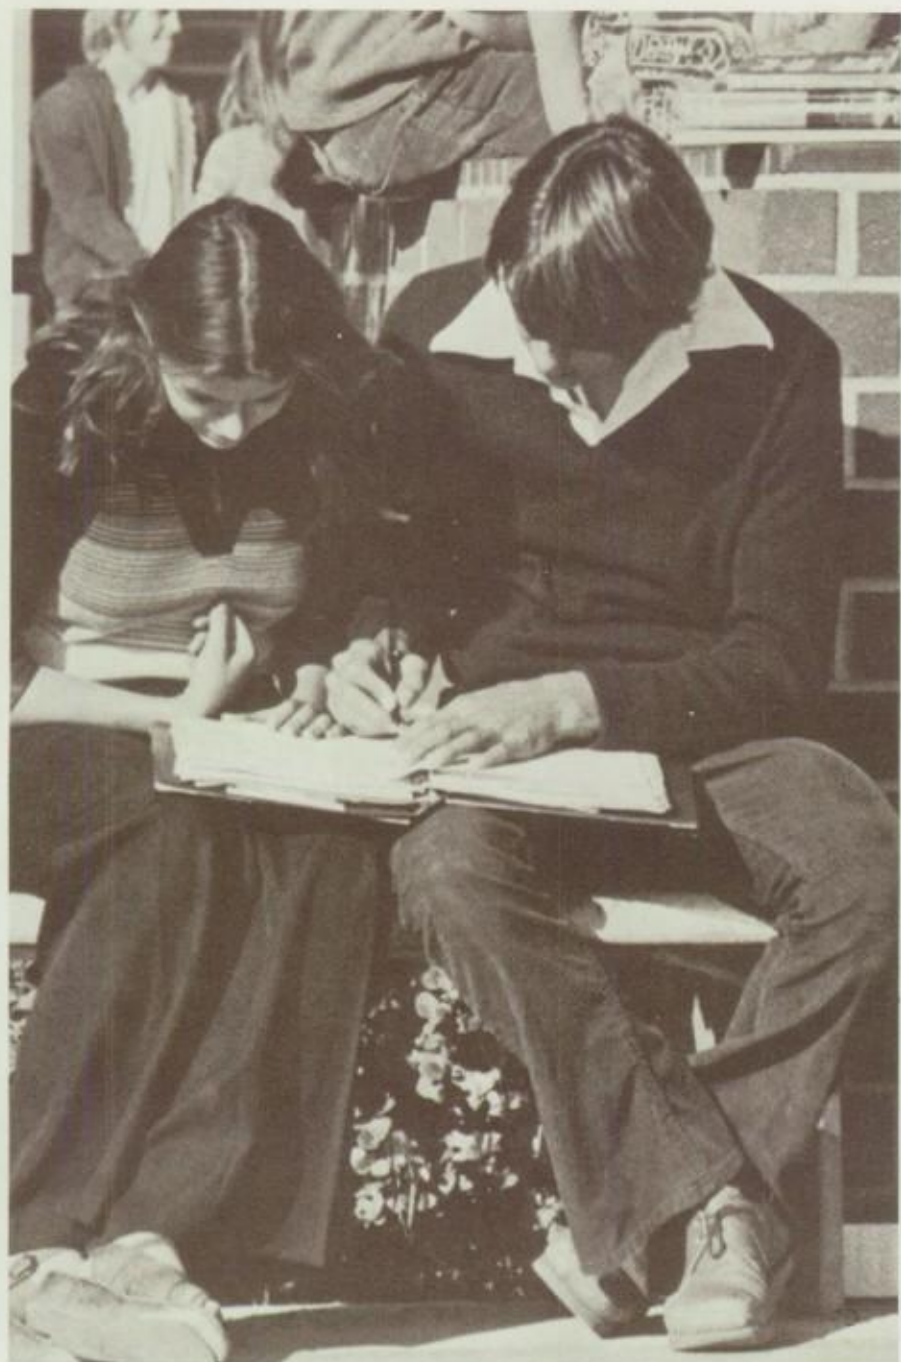

1. Student blows bubbles while doing assignment.
2. Lisa Schultz talks things over with Mr. Jarvis at registration.
3. Torrey Obrey tires briefly while listening to his teacher
4. Throwing paper airplanes in class will always be a favorite pastime.
5. Doing work in the classroom requires complete concentration.
6. Elania Bofill takes her studies seriously.
7. Student makes use of her spare time by studying in a hall way, dimly lit to save electricity.

Students Get Together on Crowded Campus

Even though Edison is over crowded, students still enjoy and have a lot of fun around campus. There are clubs, sports, and other different activities. Besides all this, you can talk to your friends, and do your homework during lunch. All in all, Edison really isn't crowded until it comes to single lunch on Wednesdays and Fridays when everyone has the same lunch.

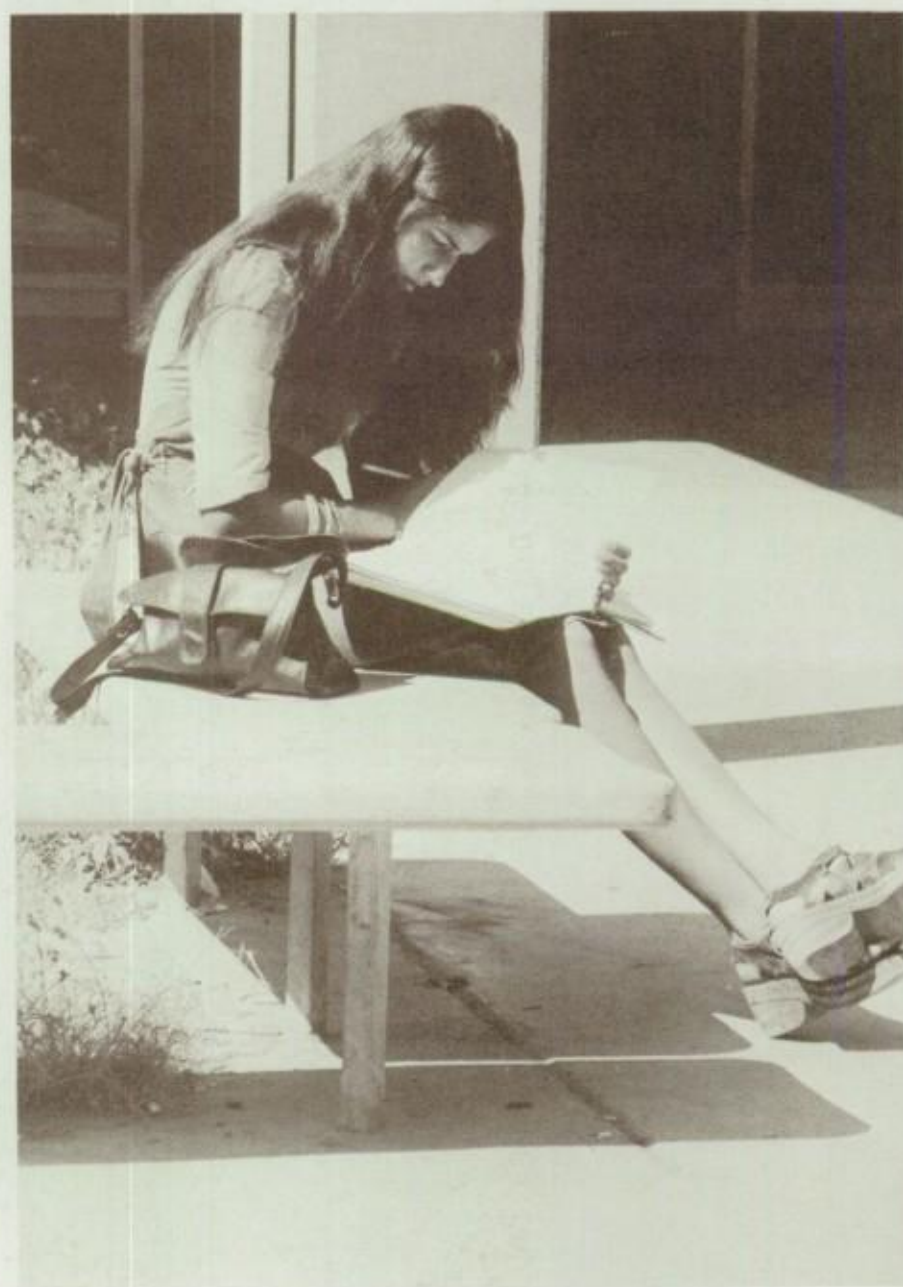

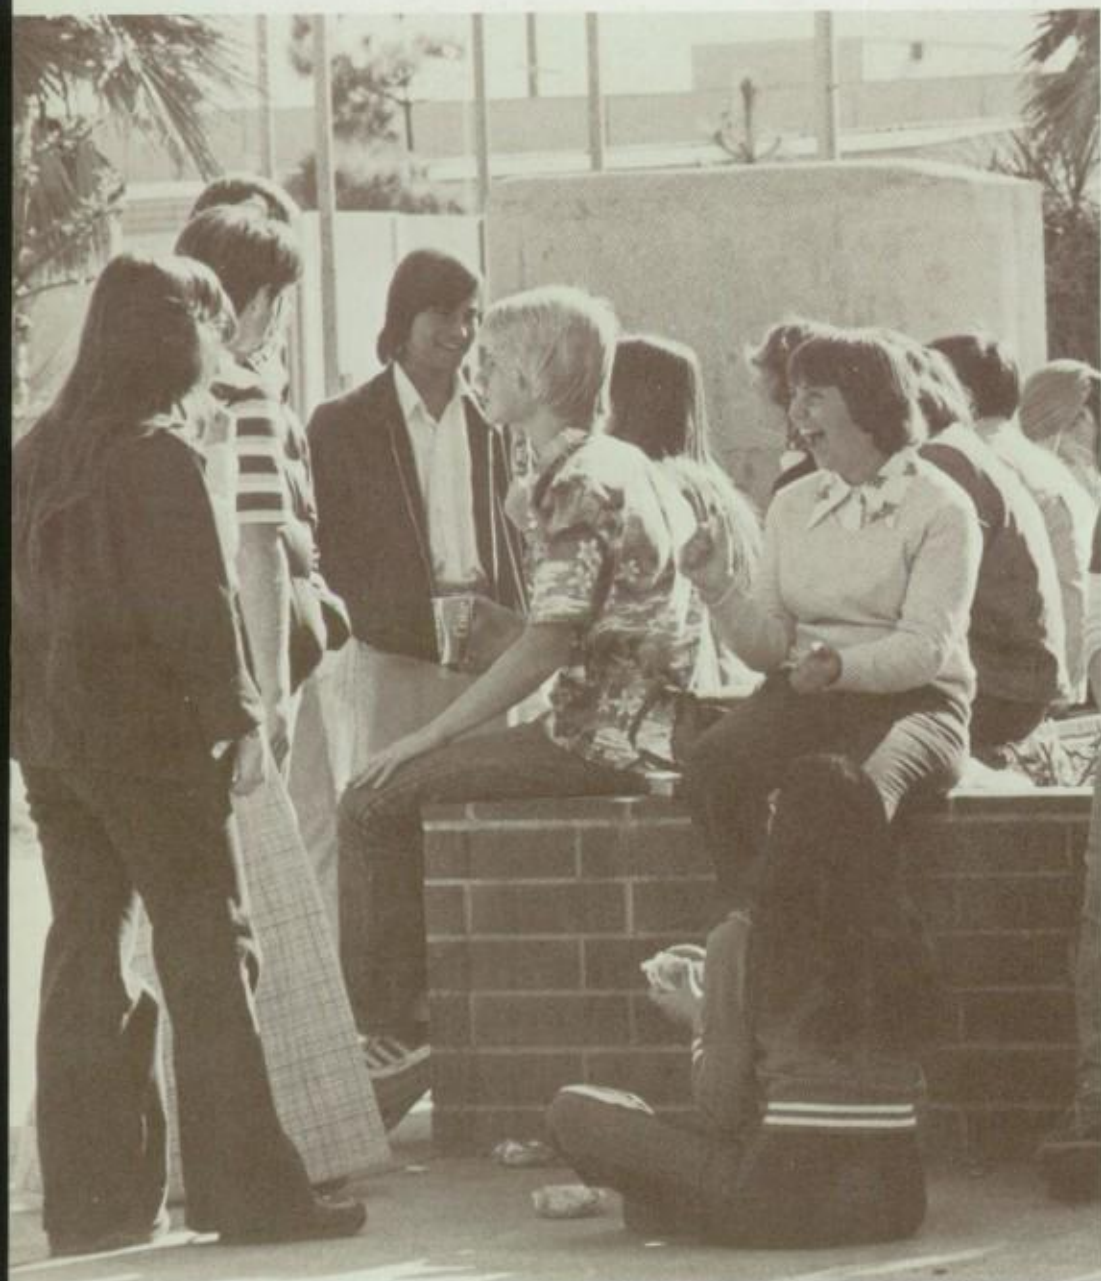

1. Sharon Cargill and Tina Pflieger flirt with photographer, Kevin Weiss.
2. Students walk on campus to begin another enjoyable day at school.
3. Vic Rakhshana and Rick Bashore eat their lunch in front of the cafeteria.
4. Lawrence Earl and friends talk over important plans for the day.
5. Nancy Alcala gets help on her homework from a friend of hers during lunch.
6. Student smiles as her accounting books balance out correctly.

Student Life on Campus Has Many Aspects

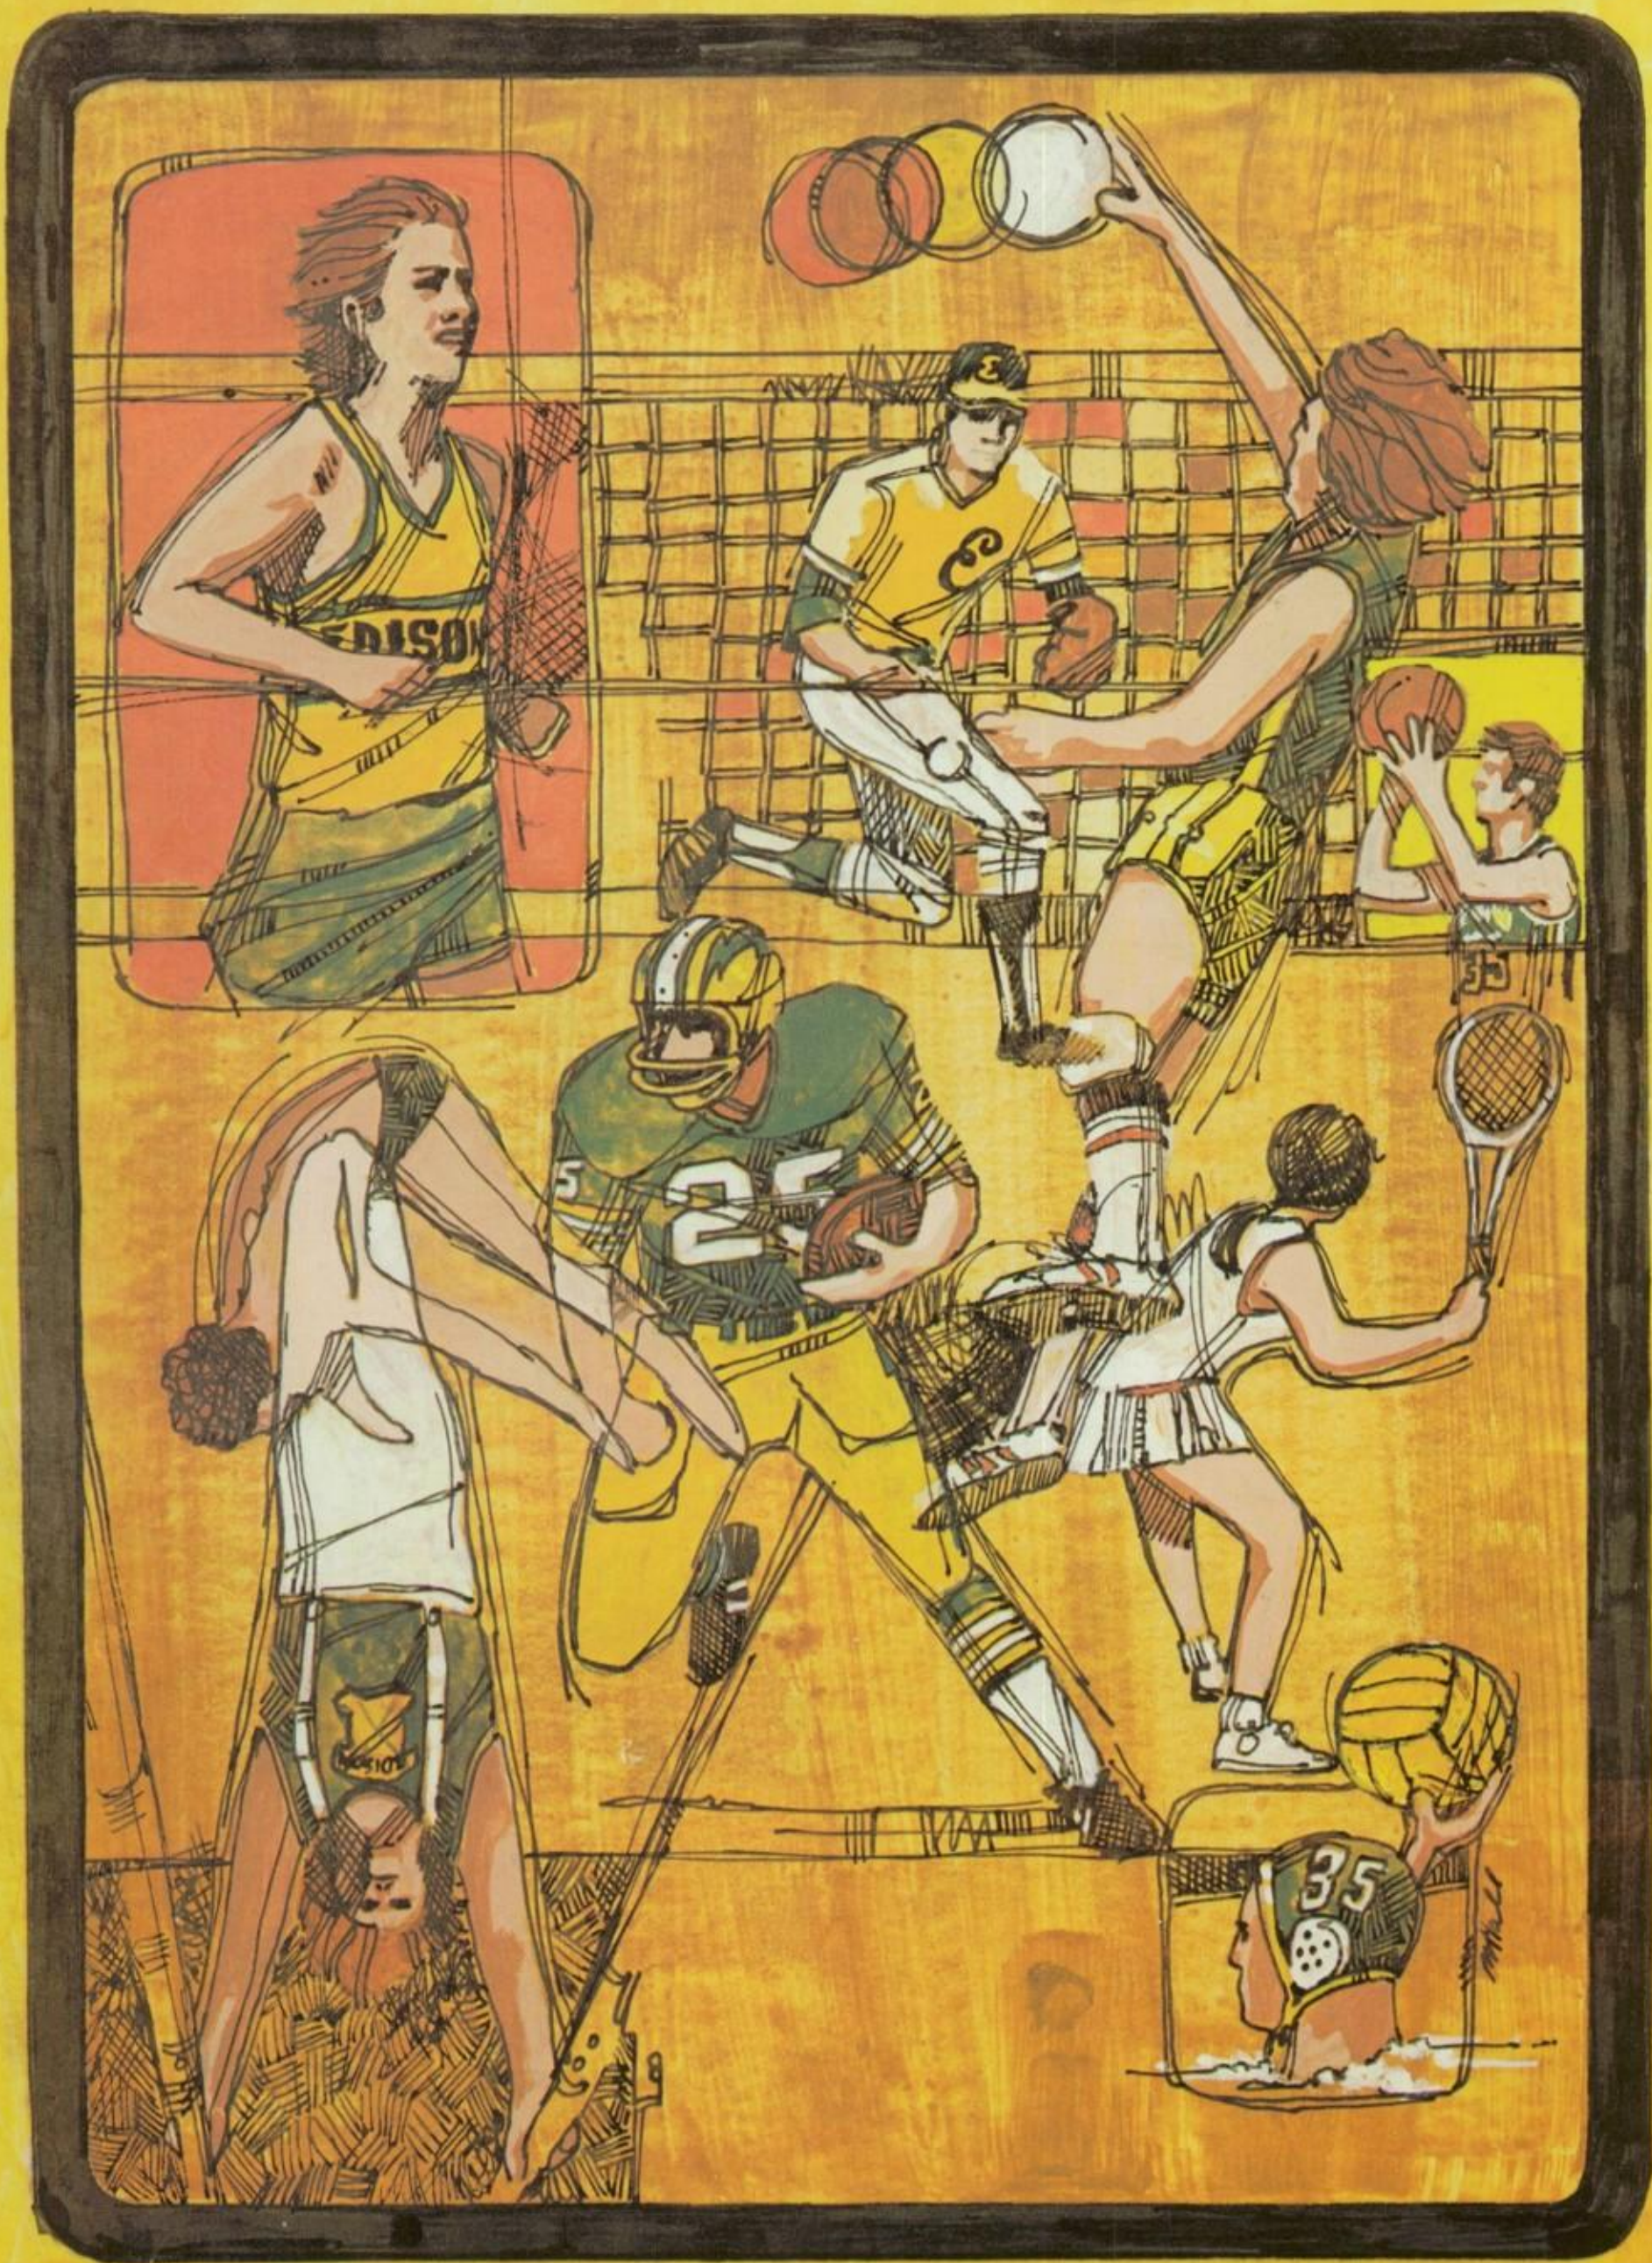

Edison will be remembered for not only the things taught in class but for the everyday insignificant things too. Eating lunch in the bowl, last-minute cramming for a test during every free moment, and talking with friends are among these.

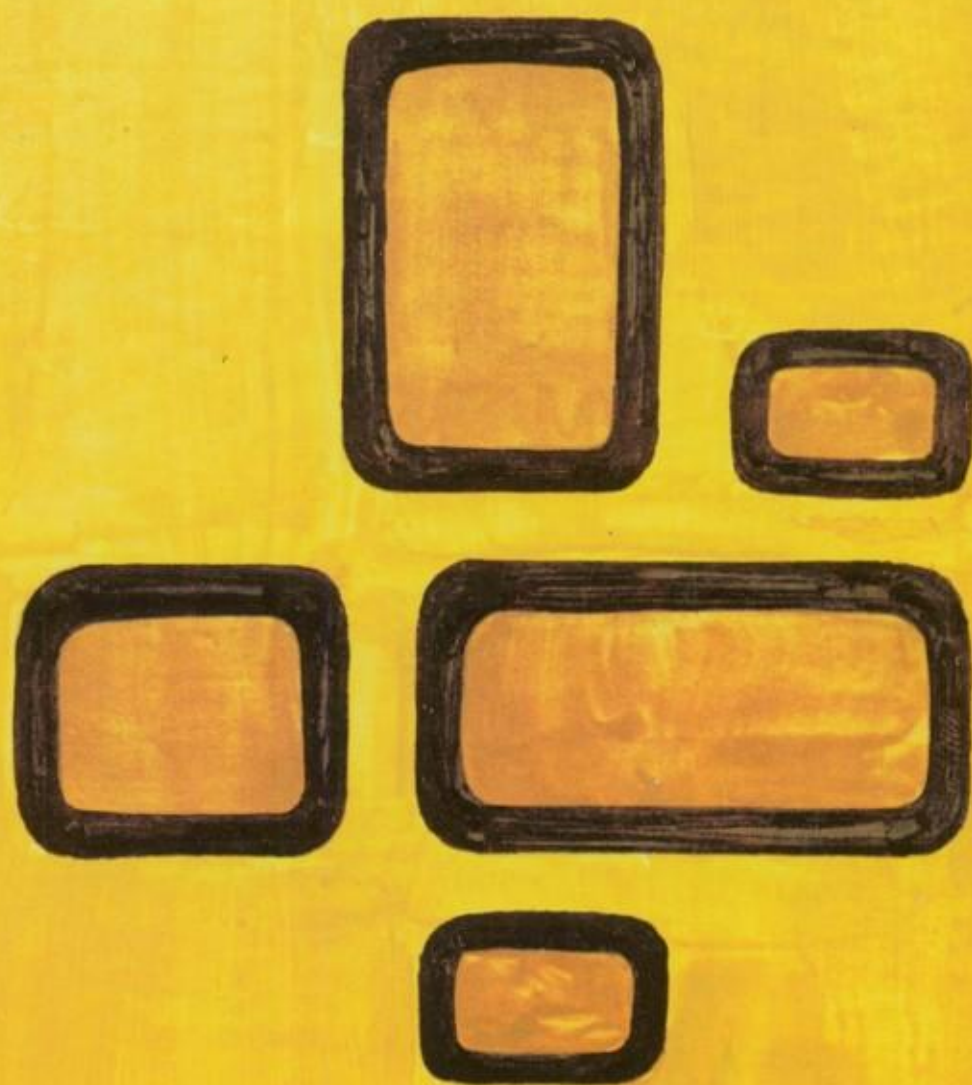

1. Freshman concentrates hard on his algebra.
2. The walk around the administration building provides a conversation area during second lunch.
3. A little extra study between classes is necessary for most students.
4. Conversation between classes is typical for everyone.
5. Sitting on the wall by the bowl is some people's favorite pastime.
6. Most students eat lunch in the bowl.

SPORTS

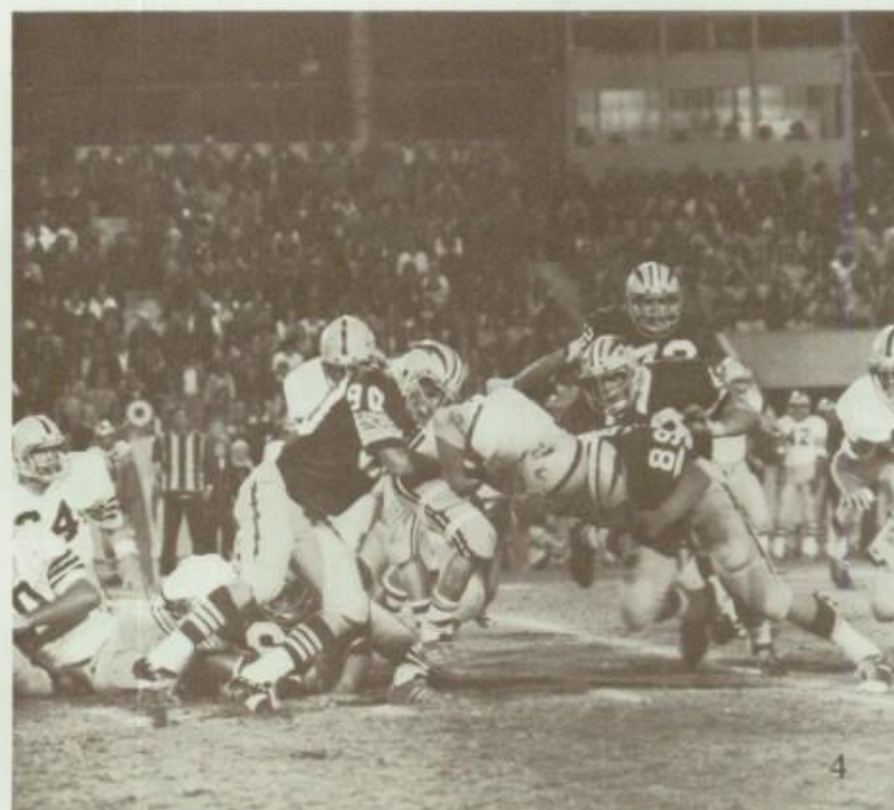

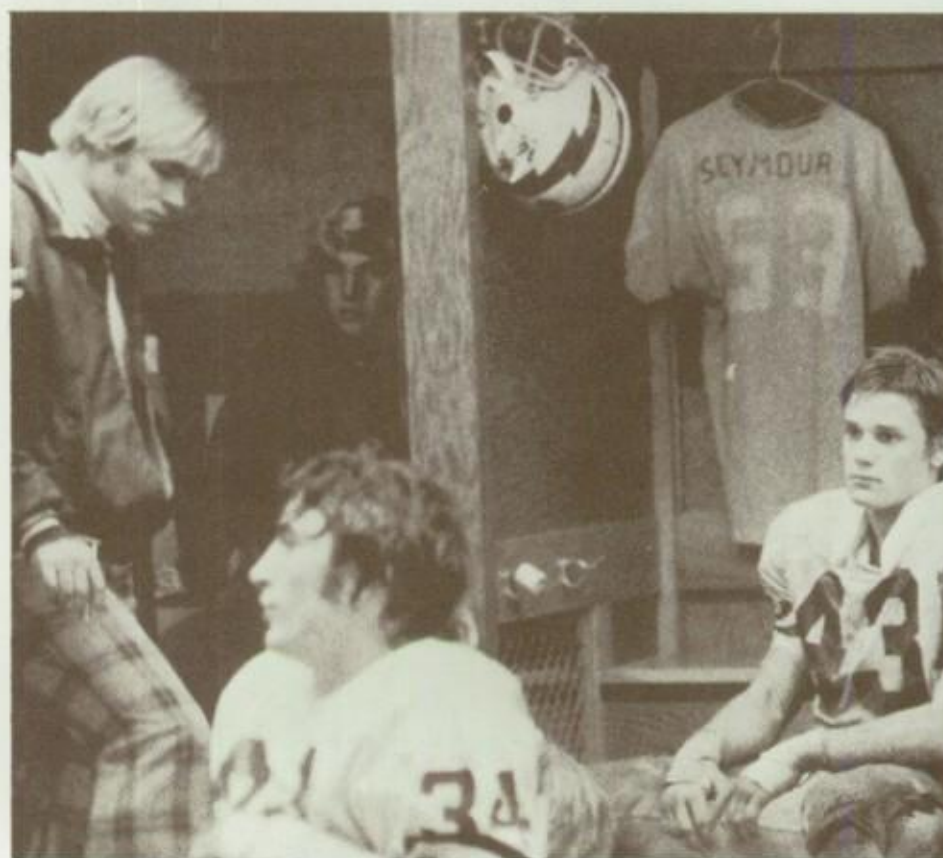

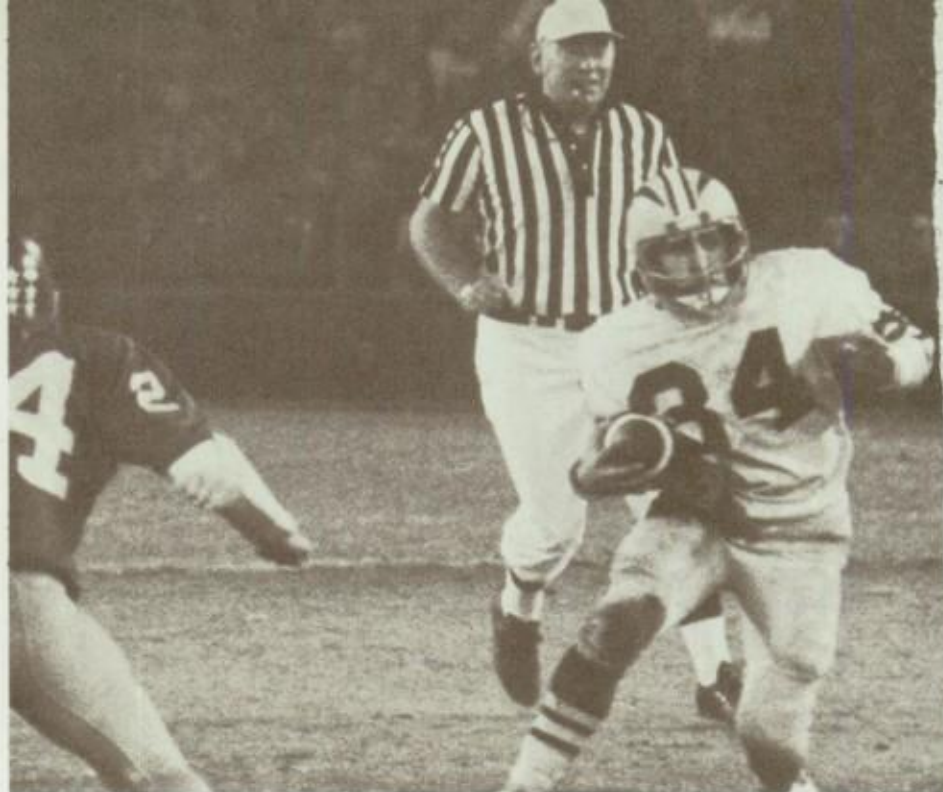

Defense Shows Strength in League Battles

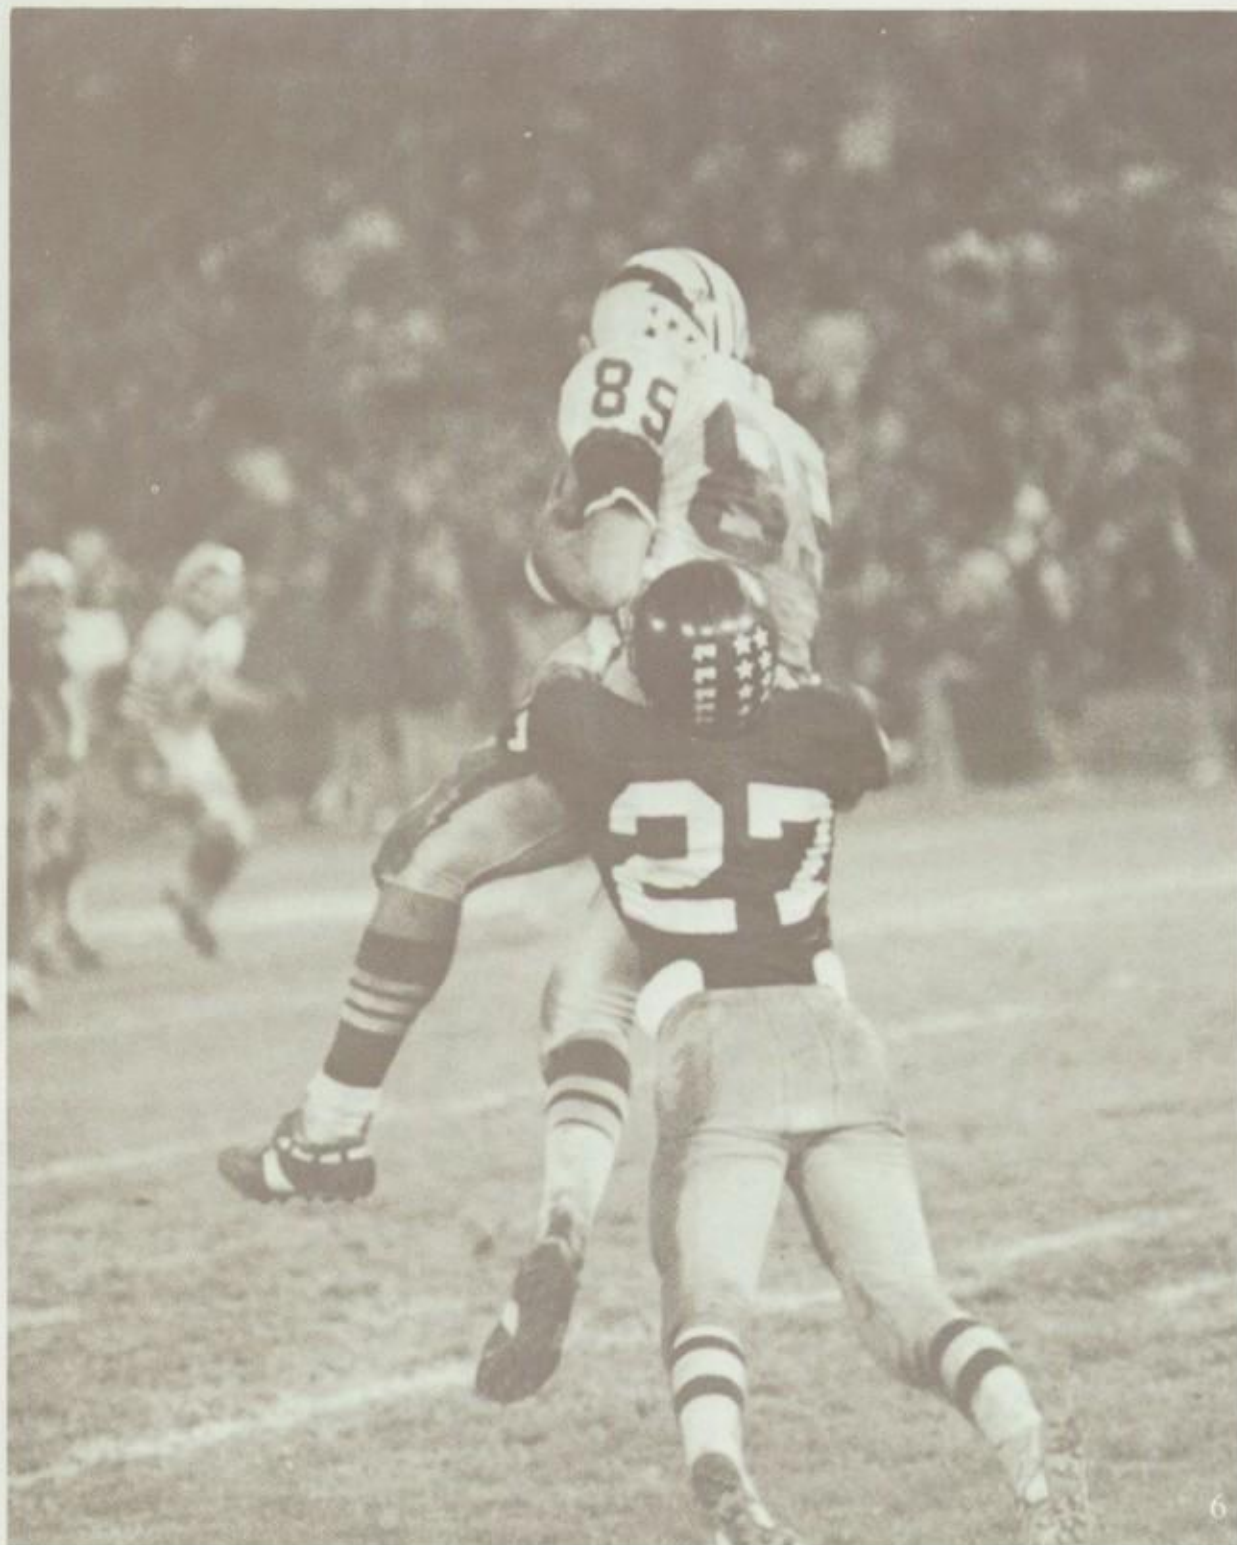

The Edison Varsity Football team ended another outstanding season this year with a record of seven wins and two loses. They qualified for a spot in the first round of the CIF playoffs.

The Varsity squad under the head coaching of Bill Workman and staff started off its season with three wins, two pre-season plus the opening game of league play. In the fourth game the Chargers went up against a very good Los Alamitos team and lost the first game of the season.

After its loss, the Edison team swept its next four games, beating Western, Marina, Westminster and Fountain Valley. The first game was easy as Western was not ready for Edison. Edison then beat Marina for a Homecoming victory. Next, the Edison team took on the highly rated Westminster Lions. Going into the game underdogs by more than four points, Edison proved to be too much for the tough and powerful Lions and came out victoriously by nine points.

The following game was against "rival" Fountain Valley, whose record was not very impressive. They proved to be tough competition. Before more than 11,000 fans at the Anaheim Stadium, the Chargers beat the Barons in Fountain Valley's Homecoming match. Beating Fountain Valley also clinched a spot in the CIF playoffs.

Going into the last game of the season against Newport Harbour, Edison entered the game with a record of seven wins and one loss. Edison was hoping for a win, for a win would give them the Sunset League "Crown". But Newport Harbour proved to be a tougher team than Edison had expected, and the Chargers took a beating by the Sailors.

Ending the regular season with a record of seven wins and two losses, Edison finished in second place in league standings behind Westminster.

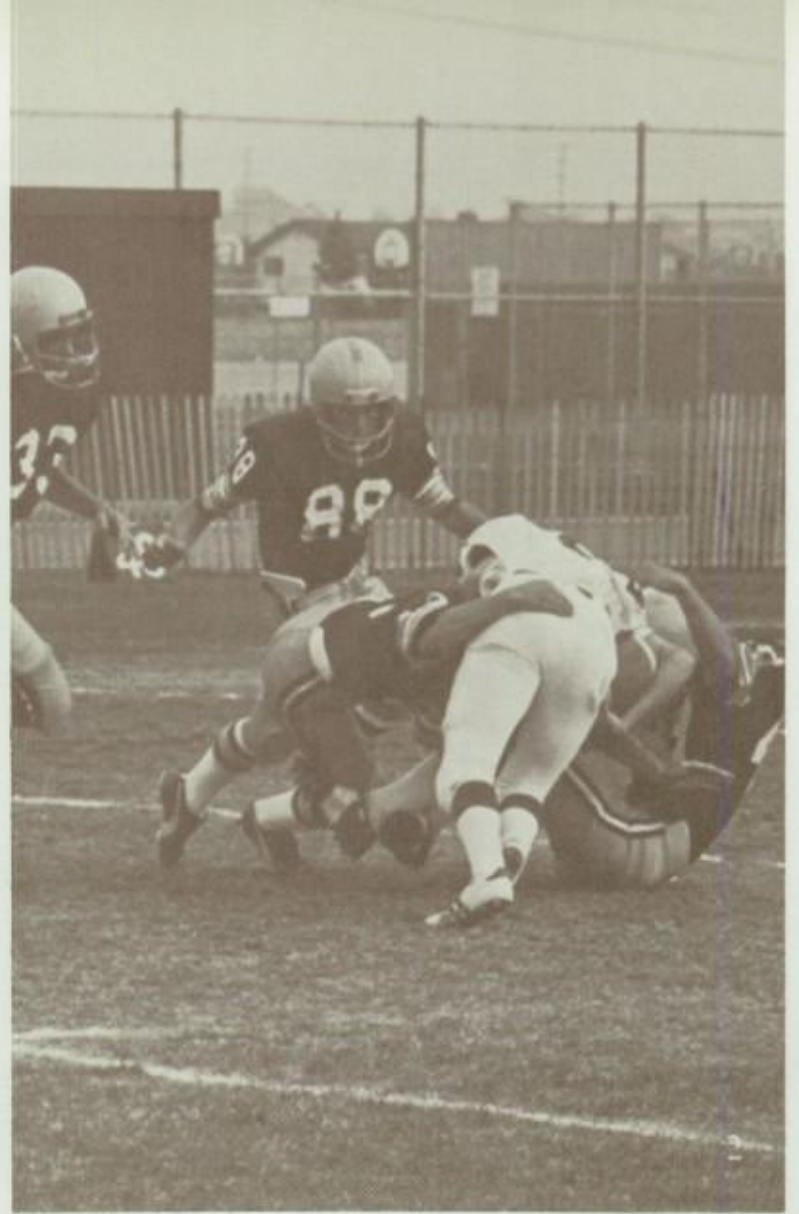

In the first round of the CIF playoffs, Edison went up against a very tough and experienced team from West Covina. With starting Quarterback Rick Bashore playing with a broken thumb, and starting tight end Vic Rakhshani playing with a broken finger, Edison had to fight to contend with West Covina. Edison couldn't hang on and lost to West Covina by only two. This loss put out any hopes for a CIF championship.

There were many outstanding players this year. The most outstanding was picked by many sports writers as "Back of the Year." He was also named all Orange County "Back of the Year." Rick was picked for these honors because of his great passing ability and his remarkable running. Rick was a main reason for many of Edison's wins.

Also honored with Rick was Vic Rakhshani. He was named "Lineman of the Year." Vic was an outstanding blocker and always made clutch catches when needed. Many other fine performances were put in by the Edison receivers. These included Don Whan who was Rick Bashore's favorite receiver. Also there were receivers Jim Bogart, Tim Nichols, Bill Balch, and Mark Tucker.

Next year's team looks very promising with some outstanding starters returning and many fine juniors coming up to varsity.

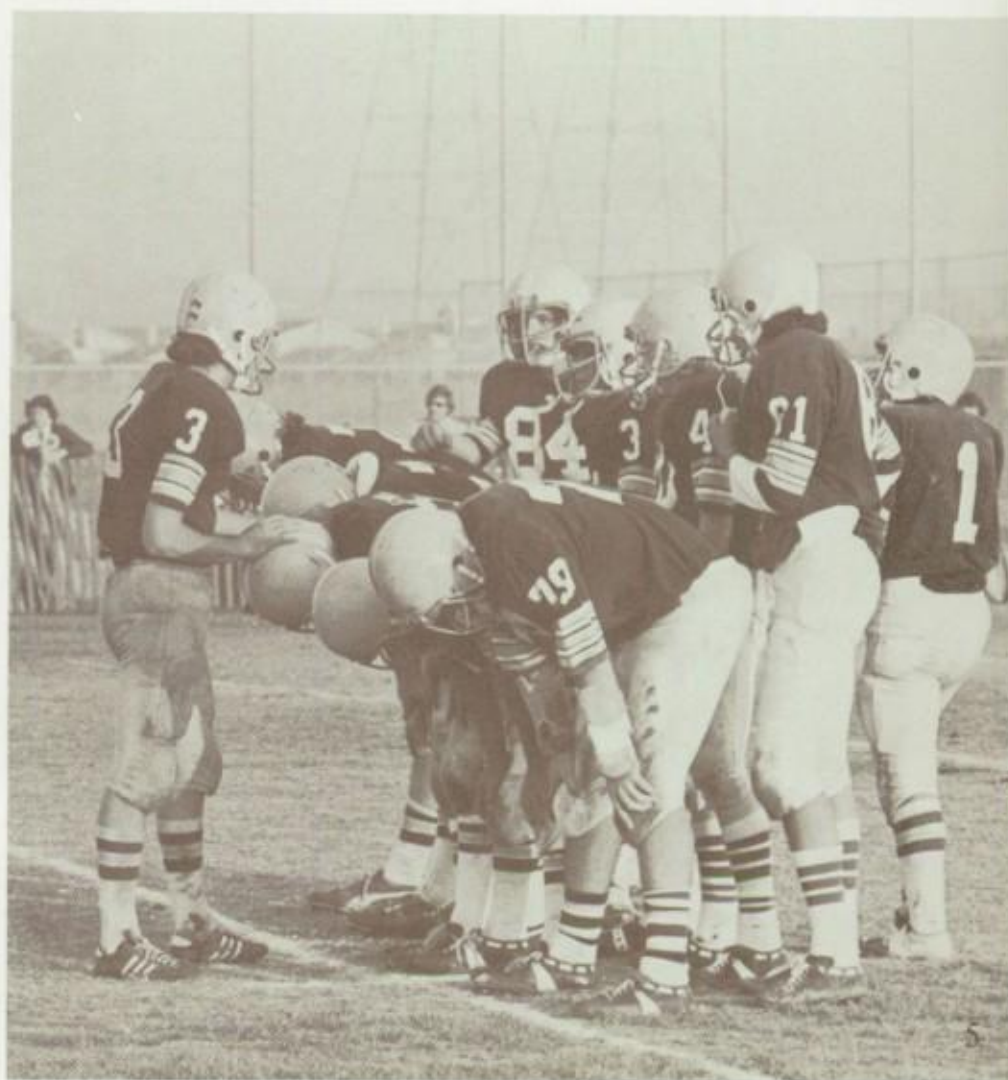

Sophomore Football Has a Trying Year

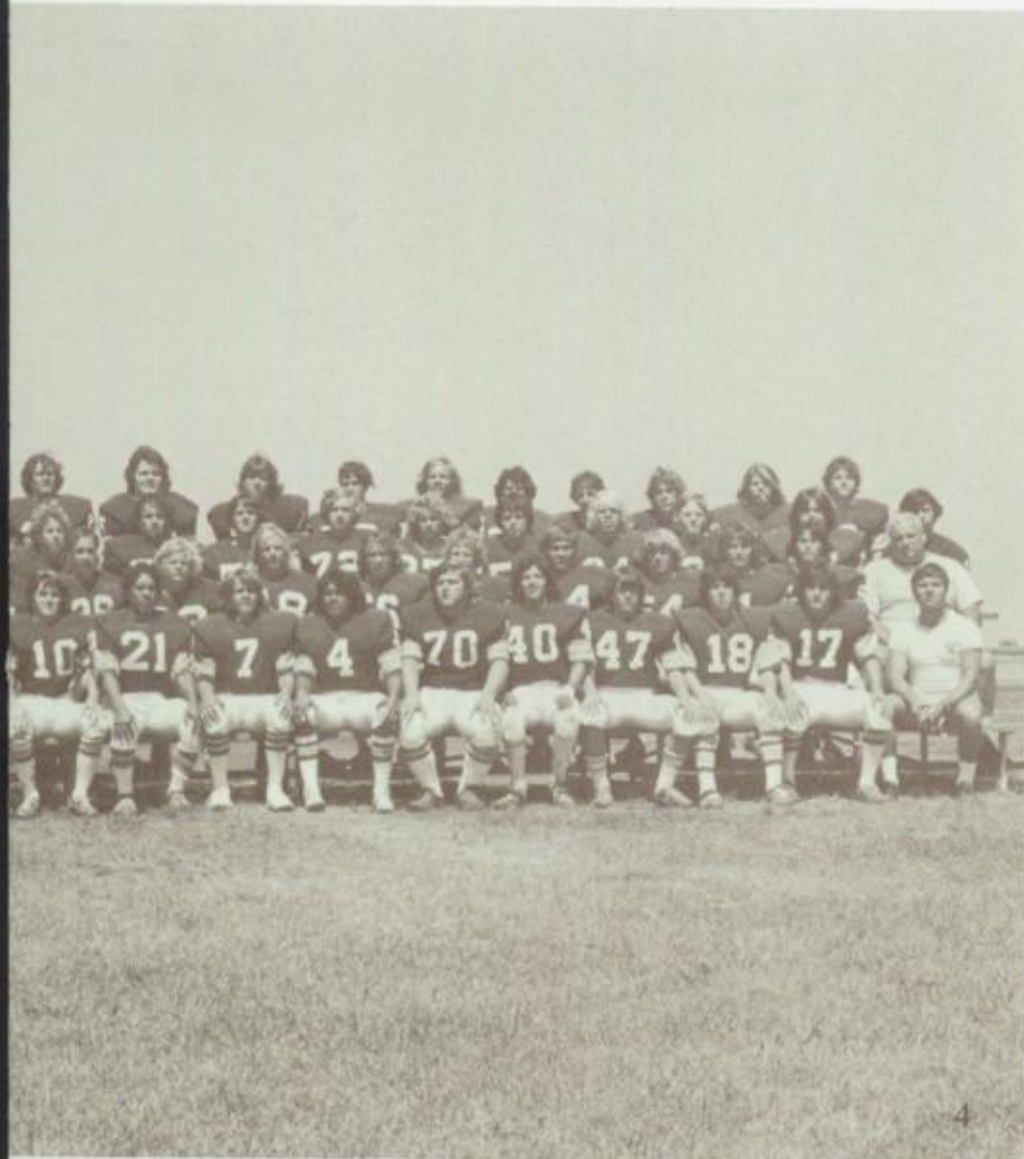

The Edison Sophomore Football team ended its regular season this year with a record of four wins and five losses. The coaches of the Sophomore team this year were, Coach Lyman Clower and Coach Gary Farr. Contrary to the team's record, the coaches did an outstanding job this season.

There were many outstanding players. Starting at quarterback was Pete Pastore.

The Sophomore team for next year looks very promising.

1. Edison's Sophomore Football team struggles to make a first down.
2. The Sophomore team shows their fine defense.
3. Chuck Crawford looks out to find an open receiver.

Freshmen Green and Gold Have Big Turnout

This year at Edison the Charger Freshman Football teams had a very successful season. Since there was such a large turnout for the team, they were made into two teams, Freshman Gold and Freshman Green.

The gold team was led by most valuable player Rob Milucky and captain Tim Frink. Freshman gold team was coached by Chuck Jensen (head coach), Bruce Belcher, and Norm Ching. They had a good season of 6 wins and 3 losses.

Freshman green was coached by Bob Justice (head coach), Terry Lorentzen, and Kurt Clemens. The gold team was led by most valuable player Paul Irving and captain Jim Neal.

Varsity Water Polo Scores High in 1975 Season

The Varsity water polo team struggled around the .500 mark for the 1975 season and finished a disappointing fifth in the Sunset League.

Edison's 2-5 league record doesn't tell the whole story, though, as three consecutive midseason losses by the heartbreaking total of five goals meant the difference between second and fifth place in Sunset play. A season-ending loss to Newport Harbor gave the Chargers an overall record of 8 wins and 9 losses.

Peter Muhlauser led the team in scoring for the second straight year, firing 42 goals during the year. Outstanding junior goaltender Ken Hoffman blocked 147 shots, which earned him selection to the all-Sunset League second team. Glen Lindenstadt and Merrill Riley were also chosen for second team honors, while Muhlhauser and Jeff Byron received honorable mention.

One Goal Keeps Frosh-Soph From Sunset League Title

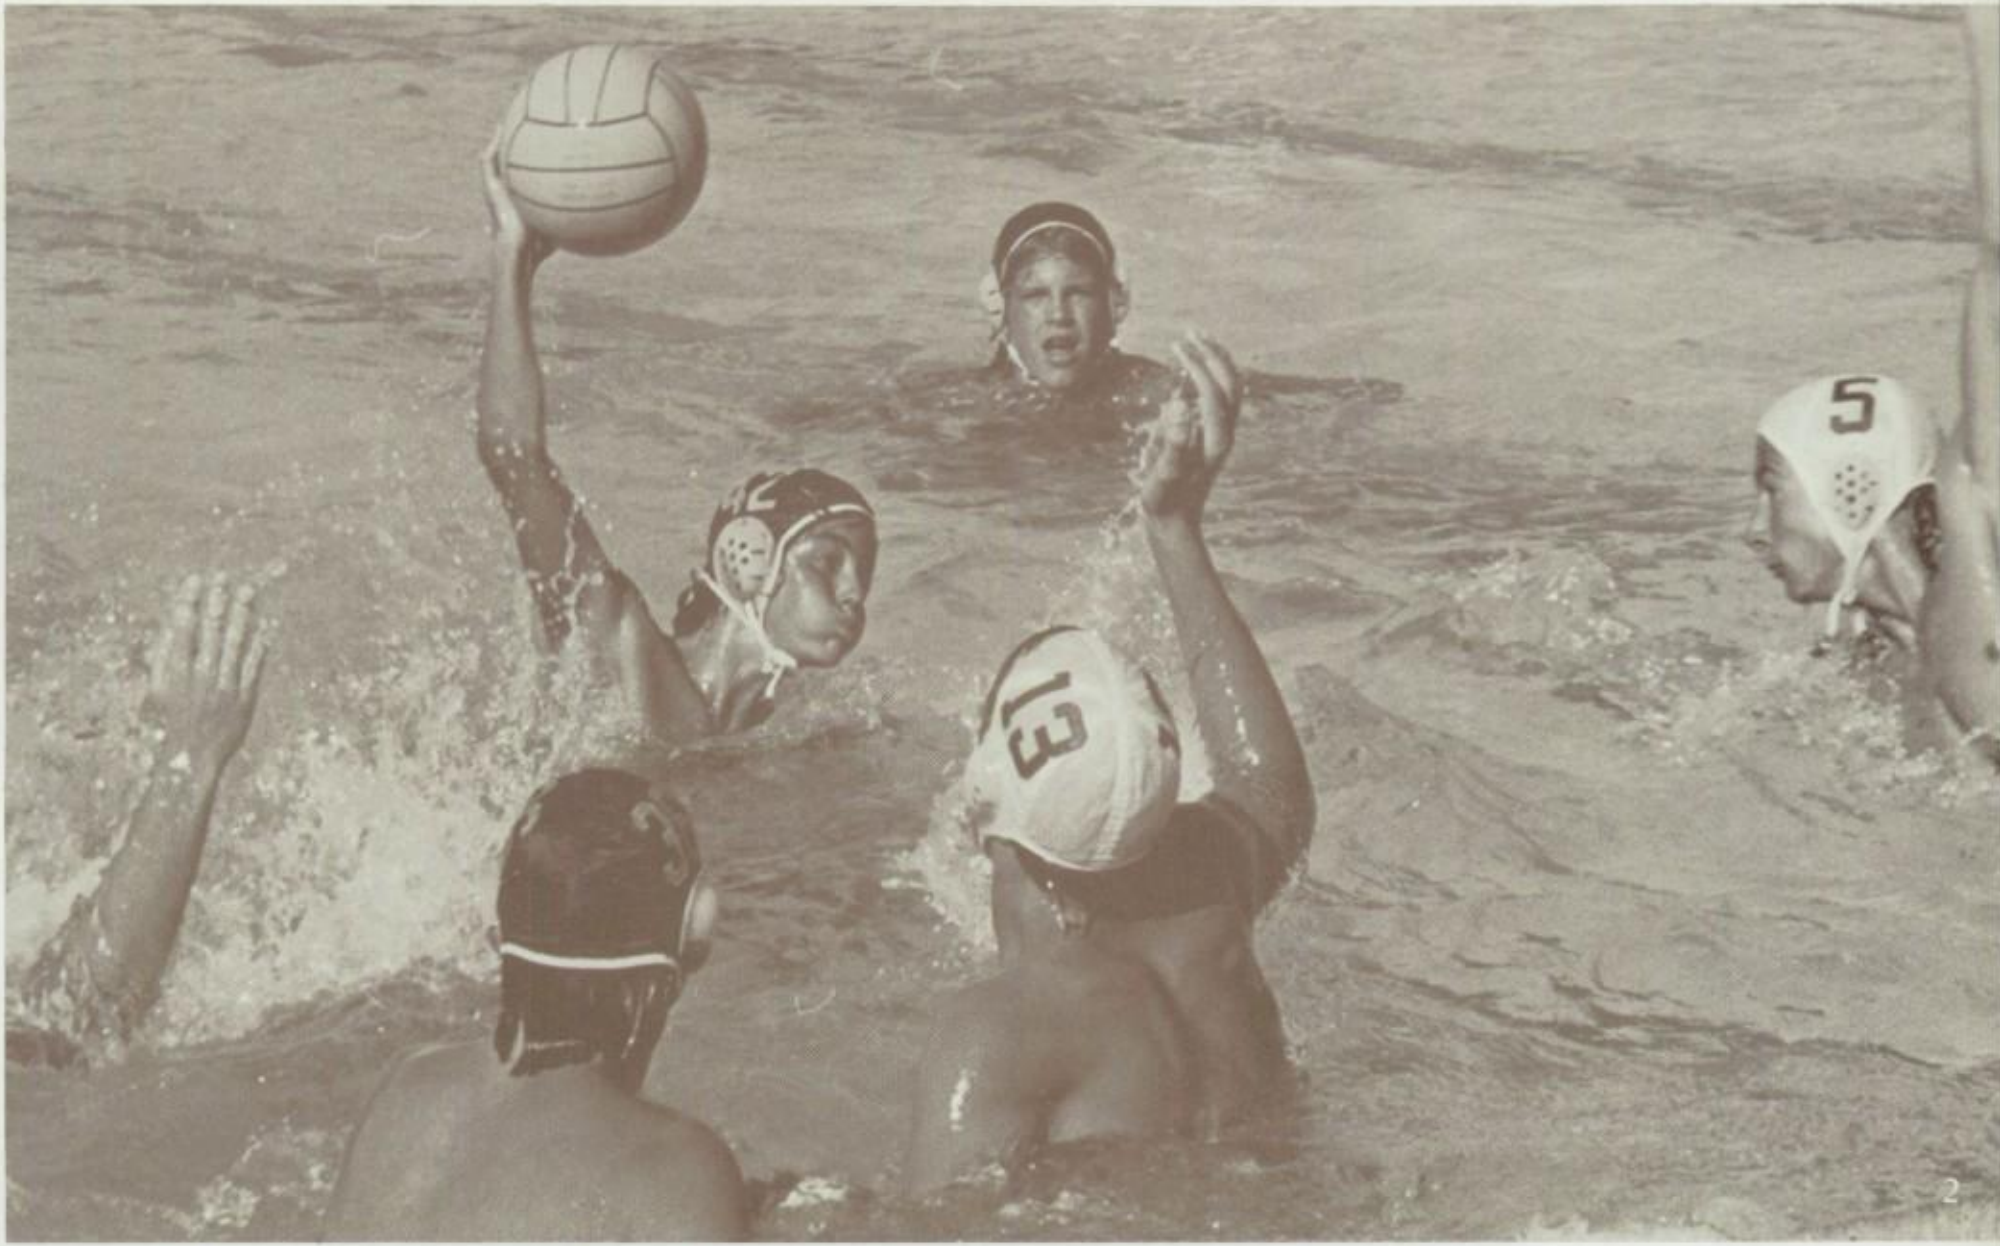

Edison High's frosh-soph water polo team had its most successful season ever, with only a final game loss to Newport Harbor keeping the Chargers from the Sunset League championship.

The team was impressive all year, winning the first annual Estancia Tournament when Tim Spaeth scored with 1:45 left to beat San Marino, 2-1. In the season ending showdown with Newport, though, Edison came up short, 8-7. The Chargers ended up 6-1 in league and 14-1 overall.

Spaeth and Randy Roberts were named to the all-Sunset League first team for their fine play. Edison representatives on the second team were Jeff Tutton and Steve Kluk, while Chuck Crawford and Larry Israelson were accorded honorable mention.

Four other frosh-soph players were selected to all-league teams on the junior varsity level. They were Doug Pickford and Jeff Allison on the first team, Dean Guinan on the second team, and Eric Tanner on the honorable mention team.

Cross Country Claims Sunset League and CIF Championship

The Edison Cross Country team under the coaching of Gordon Fitzel ended its regular season with a record of 7-0. Along with this outstanding league record, the Cross Country team also won the Mammoth and the Orange County Invitationals. The team also took first in the Mt. Sac. Invitational proving that Edison's team was one of the best in the state.

With all of these wins Edison was rated number one in the league and number one in CIF competition. After a season of wins, the Edison team went into the league finals against the other seven teams. Edison swept the league finals by 46 points over the second place team.

Winning the league finals sent Edison into the CIF playoffs. In the playoffs Edison topped all the schools in CIF to be crowned champs.

Coach Fitzel has been coach of the Cross Country team for two years, and this is the second year the team has made the CIF playoffs. In one meet the team beat as many as 46 schools and 391 runners from all over the state to prove that they are number one in the state.

1. Against Marina, Charlie Christensen finishes second place at our home field.
2. Varsity Cross Country team: Craig Kelsey, Jon Goldstein, Charlie Christensen, Rudy Arciniega, Charlie Walczak, John Hogan, Colin McConnell.
3. Charlie Walczak, Charlie Christensen, and John Hogan lead in a home meet.
4. Coach Fitzel starts a Varsity race against Los Alamitos.

JV Cross Country Comes Close to Top; Frosh-Soph Fourth

Edison High's Junior Varsity cross country team turned in its second straight outstanding season, winning all of its dual meets and finishing second in Sunset League.

A two-point loss to Fountain Valley in the league finals prevented the Chargers from winning the championship. Earlier in the year the JV's won the Corona del Mar Invitational.

Leading runners for Edison were Ben Putman and Brad Mansfield, with Putman winning the league individual championship.

The frosh-soph team started well, also winning the Corona del Mar Invitational and their first four Sunset League dual meets, but the Chargers hit a long losing streak and finished fourth in the Sunset League.

Injuries to key Edison runners hampered the Chargers when they came to the tough league competition, and they lost four straight meets.

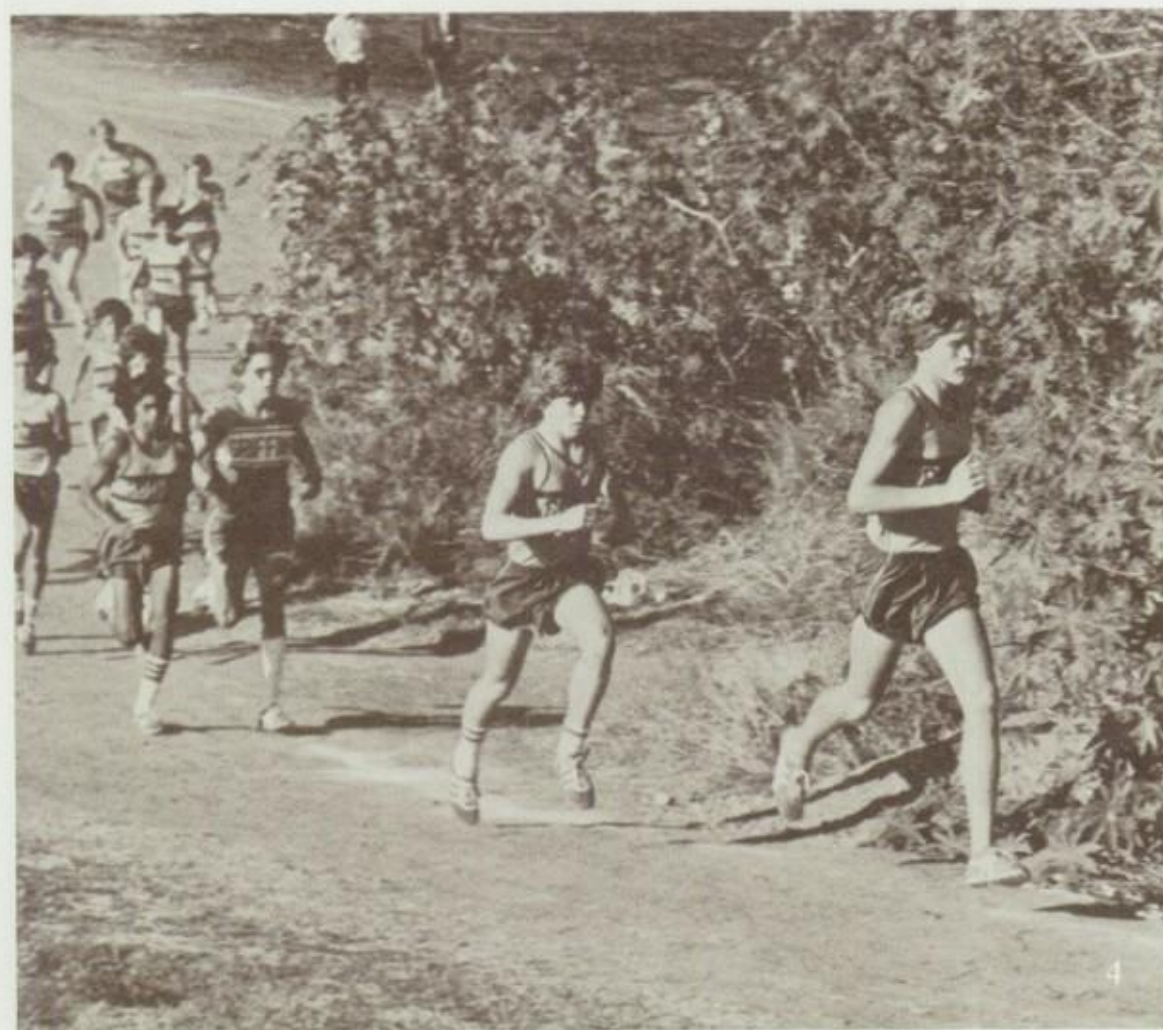

Mike Slobom and Billy Anderson were the top runners for the frosh-soph team.

Owen, Gruner, Sweeney Lead Varsity Wrestling

Many individuals highlighted the 1975-76 wrestling season. David Owen was the surprise of the year winning many exciting matches. Dave also posted second place at the Dana Hills Tournament.

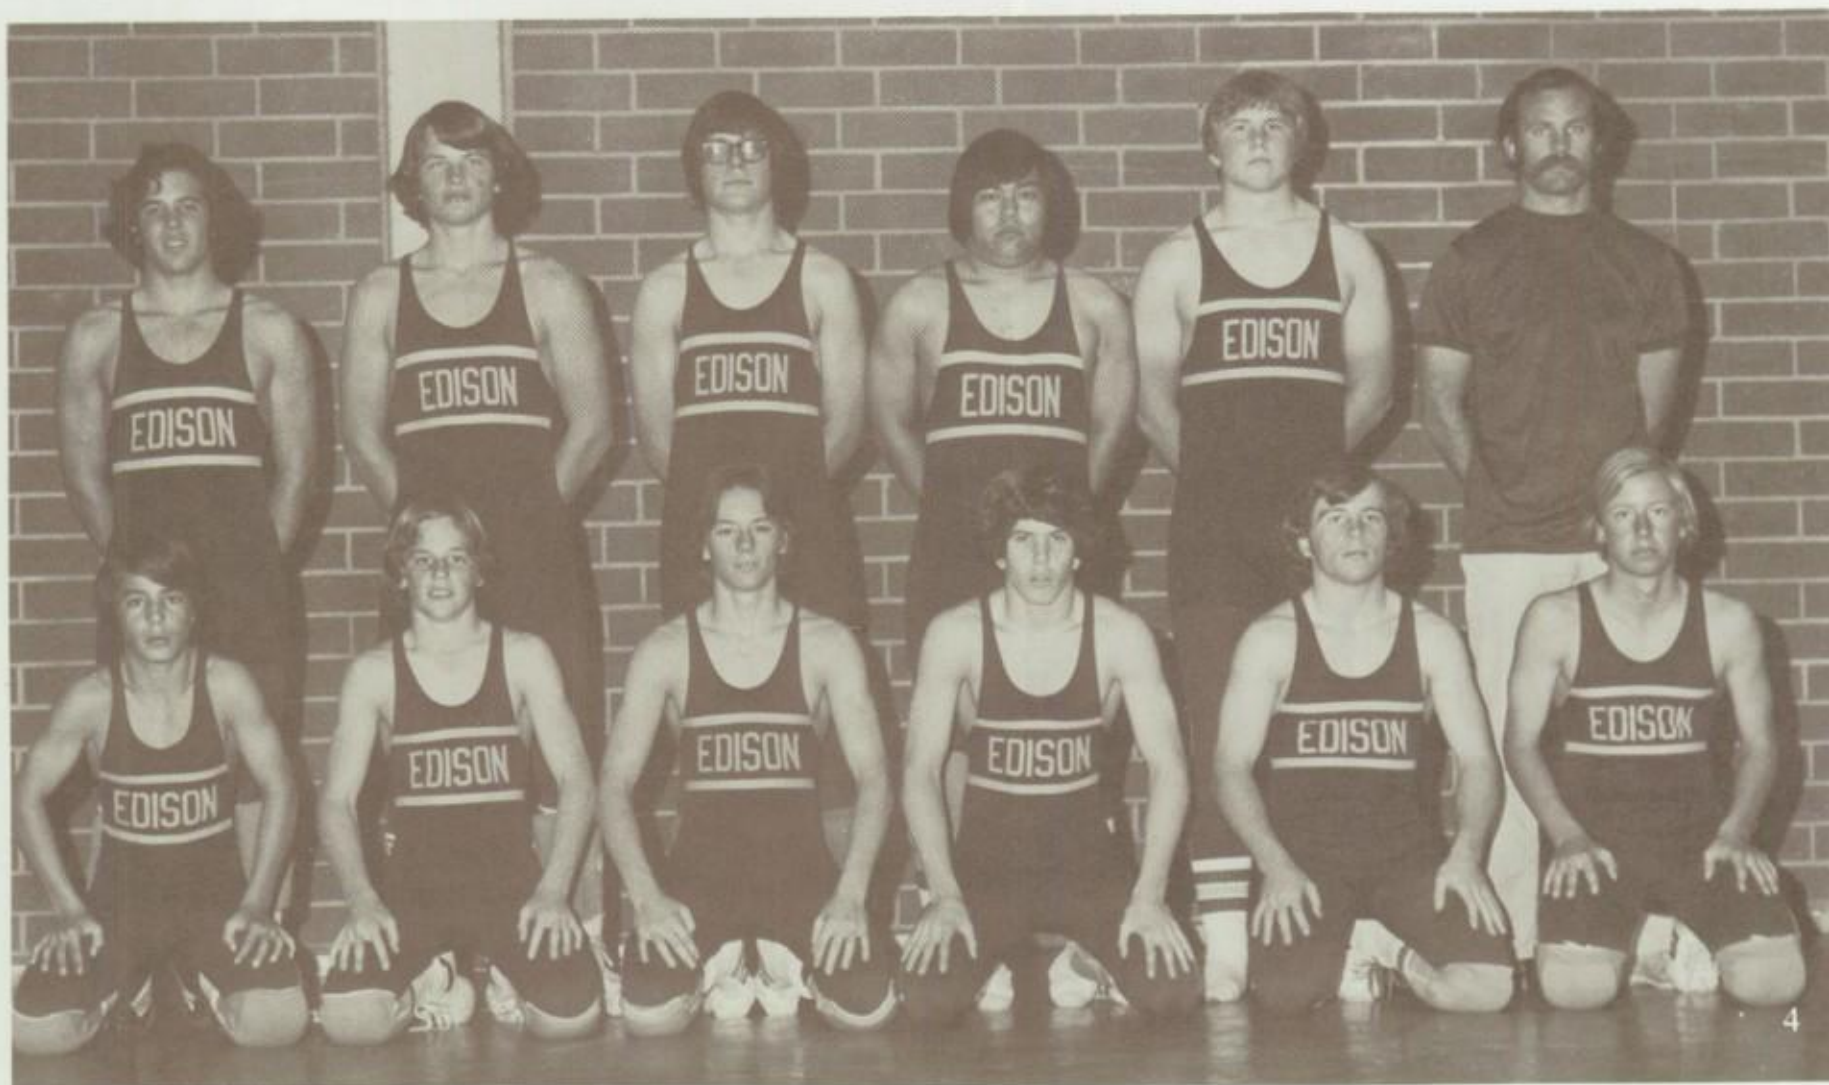

While Dave was the surprise of the year, Steve Grunner and Pat Sweeney were expected to do well, and they did. Steve placed first at Dana Hills and second in league, while Pat placed first at the Dana Hills and Costa Mesa Tournaments. Pat also placed third in league. Both Pat and Steve went to the Orange County Tournament where Steve placed sixth and Pat a strong third.

Greg Marcarelli was fast becoming a team leader after placing third at the Costa Mesa Tournament when he had an injury. There were many other fine moments this year with many more to come in the future.

Wrestlers Prove to Be Strong Individuals

This year the Edison JV wrestling team had an overall record of eight wins and four losses. The team was lead by Keith Steckbauer who had an impressive 13-1 record. Team leaders include Eric Huth, Syl Badajos, and Greg Barron. John Bogden was a tremendous performer also for the JV team. The season was highlighted by a close 28-24 win over a good Mission Viejo team. The individual season was topped off when Keith Steckbauer took first place in Edison's JV tournament.

The Frosh-Soph Wrestling team did not experience a winning season, but despite this, some very good wrestlers did emerge from a large group of athletes. Wayne Nabal, Frank Curry, and Greg Cooper were place winners in Freshman Tournament. With lots of hard work and dedication, the Frosh-Soph team will hopefully be in contention for the championship next year.

Purcell Coaches Team to League Upset

Edison High was truly fortunate to obtain the services of new coach Lionel Purcell after the resignation of last year's coach. Edison, picked to do only fair and no threat to the league title, surprised everyone by handing the first place Marina Vikings their first loss.

Lionel Purcell was voted Sunset League "Coach of the Year." In addition, two players, Bob Herson and Bob Vogelsang, earned all Sunset League honors. Vogelsang was also voted on the all Orange County team.

Two games stand out more than any others. The first was the first game of the season. Down by 18 points mid-way through the third quarter, the Chargers rallied to win by 2 points. Vogelsang was 14-17 from the field and scored 34 points. The second Marina game was really a thriller. Beaten by 23 points in the first match, the Chargers took a 68-65 decision over the Vikings.

Chargers Reach CIF Playoffs

Edison's Varsity Basketball team was defeated in the first round of the CIF basketball playoffs to San Geronimo High School by a score of 57-45.

The Chargers were perhaps slightly intimidated, when the theme from "S.W.A.T." was played during their entrance.

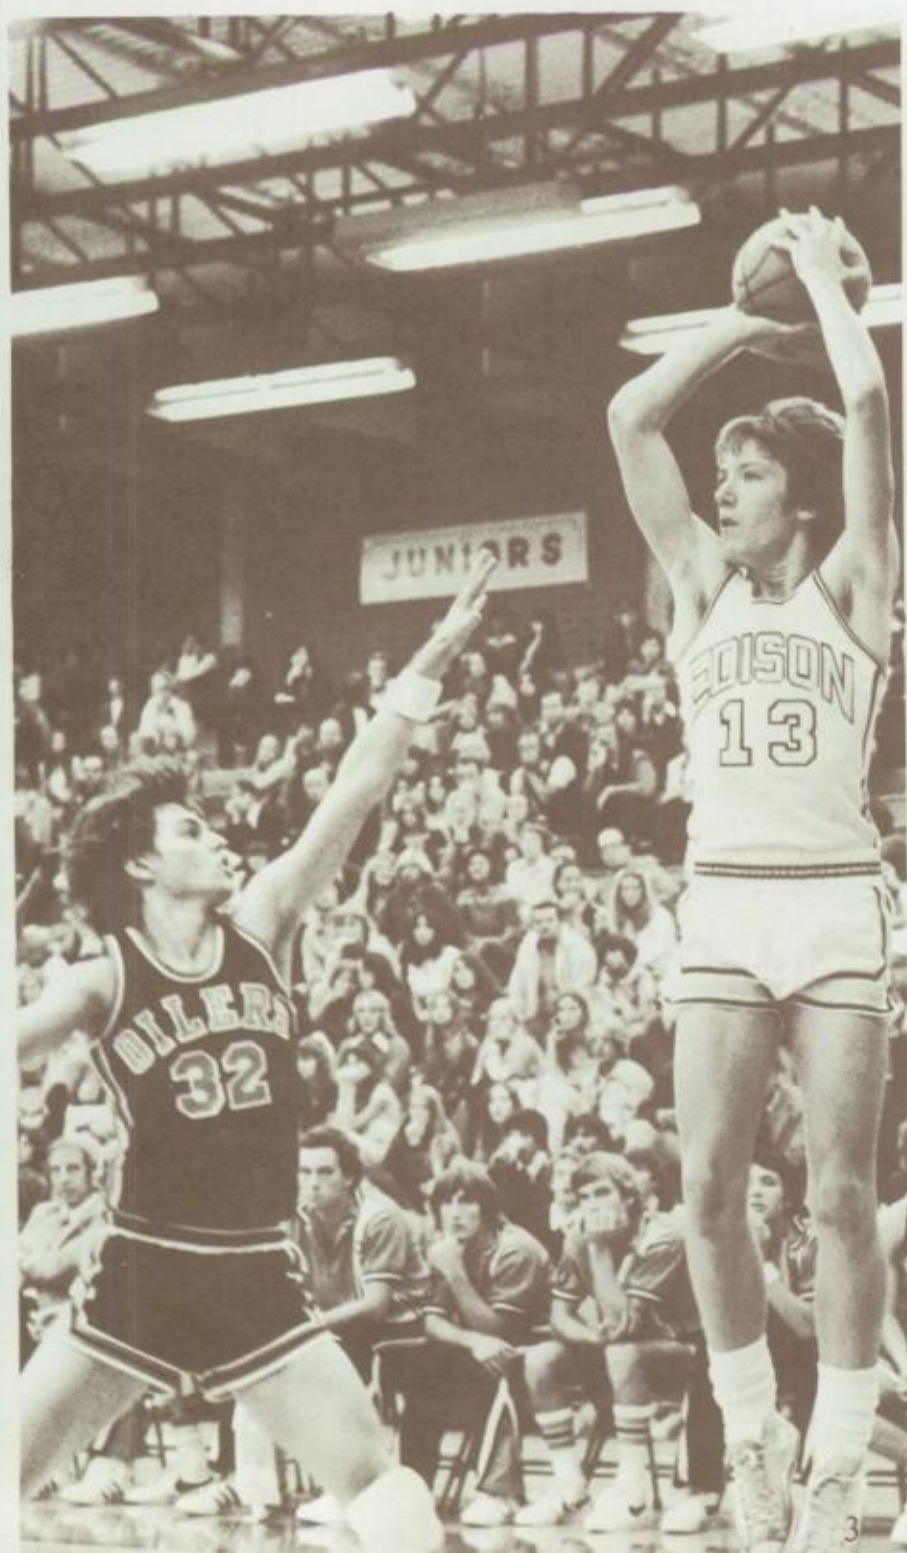

This game ended quite a year for basketball at Edison. A new head coach and a new all league guard joined such Edison legends as the Rowdy Rooters and of course the fighting Charger spirit.

JV Players Prepare for Varsity Team

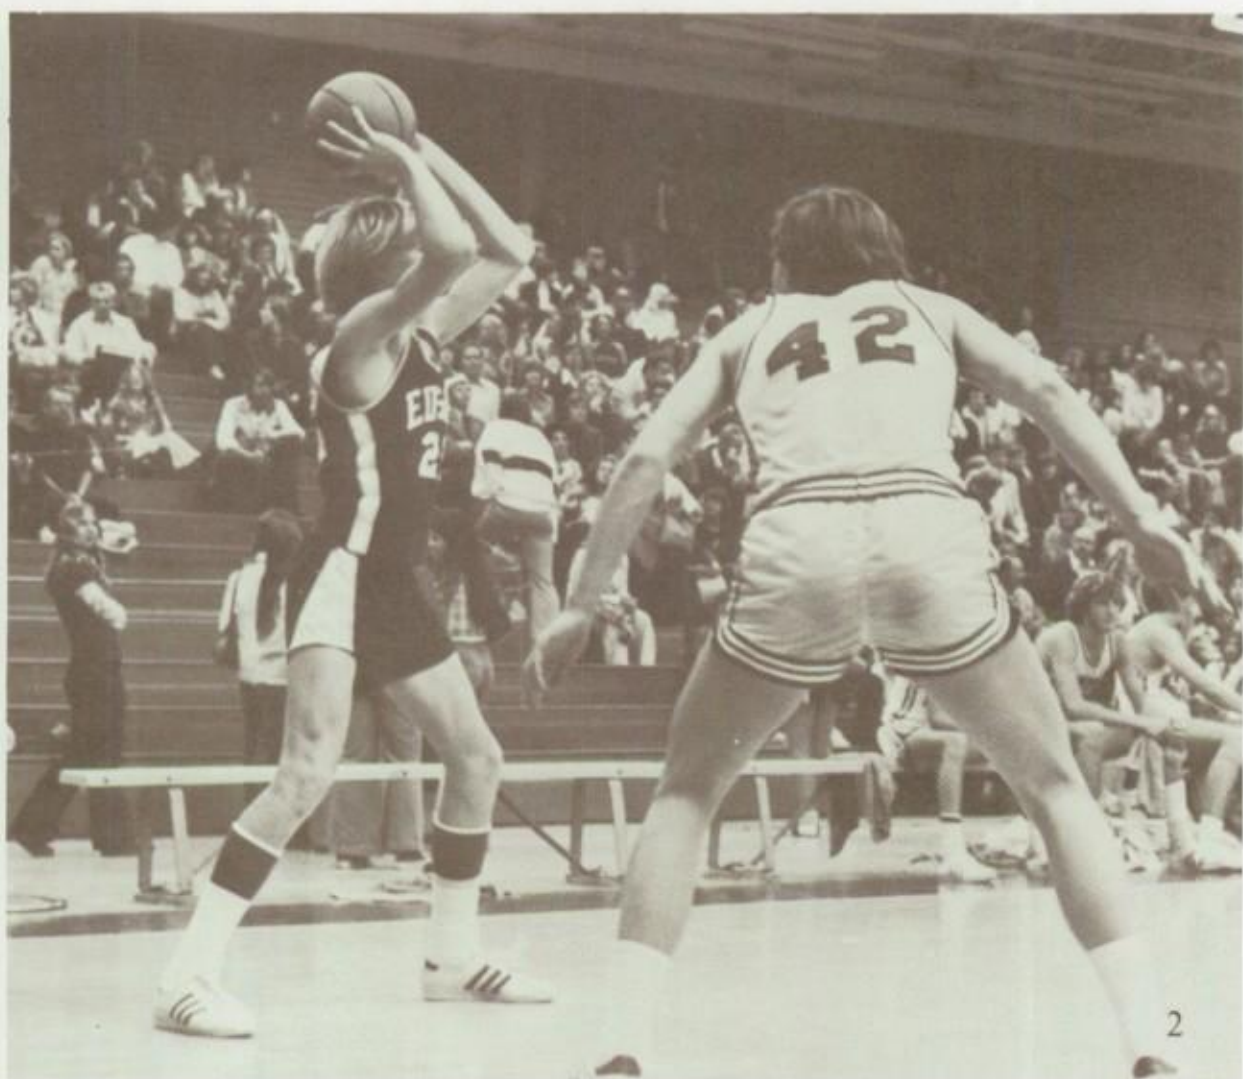

The Junior Varsity Basketball team didn't finish high in the standings in Sunset league play, but don't be misled by their 6-15 overall record. Coach Dave Lindquist stated that the main goal of JV basketball is "to prepare our younger players for varsity play."

The team used a lot of personnel, often playing ten players in a game, so the scoring was evenly distributed. Craig Fidone, Doug Schroeder, Jeff Tutton, John Herman, and Tom Graham all averaged around ten points per game.

The JV cagers finished second in the Huntington Beach Tournament before starting league play where they finished 3-11, good for a sixth-place tie.

Coach Lindquist added, "the guys played aggressively and showed a lot of improvement. This team included a lot of the people who will be playing Varsity basketball next year."

Freshmen Tie for League Honors

Edison's Freshman basketball team finished in a 4 way tie for first place in Sunset League. In pre-season play, the Chargers took third place in the Edison tournament. In addition, Steve Davis was chosen as an all tournament player. In the La Puente tournament, Edison finished fourth with Todd Harker making all-tournament.

The leading scorer for the season was Todd Harker, and the leading rebounder Steve Davis.

After losing the first 3 league games, the Sophomore basketball team finished with a respectable third place 9-5 record.

The Sophomores won the Senora tournament with Craig Boatman receiving the M.V.P. award, and Keith Poletick taking all tournament.

Soccer Has Rebuilding Year

After a successful season last year, this year's Varsity Soccer team finished in third place in the Sunset League. A fine group of young players carried the team through a rebuilding year. The team was in the race until the end, which came after a tie with Newport Harbor High School. Although this year was one of optimism, the loss of key players halted the progress of the team. Next year, however, should be one that will be even more successful than the 1974-75 team. Outstanding performances should be credited to Ray Cano, Gino Casagrande, Brian Boyle, Ken Moreen, and Herb Boehm.

JV, Frosh-Soph Soccer Teams are Sunset Champs

Edison's junior varsity soccer team, led by a stingy defense that gave up less than a goal a game, won the Sunset League championship this past season.

The Chargers, coached by former Edison star Charlie Lamb, compiled a 7-1-4 league record (12-2-5 overall) and allowed just fifteen goals in nineteen games, thanks to the defense of Bill Blake, Mike Scanell, Peter Lund, Larry Chao, and goalkeeper Dan Morse.

They were unscored upon in their first four games and had an incredible total of ten shutouts for the year.

Offensive standouts included Chris Gordon and Kris Kim.

The frosh-soph team also had good defense (22 goals allowed in 18 games) and took the Sunset League crown with a neat 5-1 record.

Steve Coleman ran away with the team scoring title, tallying 22 goals for the season, including four in one game. Tim Keefe was the top assist man with eight.

Other top players were Jeff Kuester, John Lowe, Henry Benavidez, and goalie Mike Cooke.

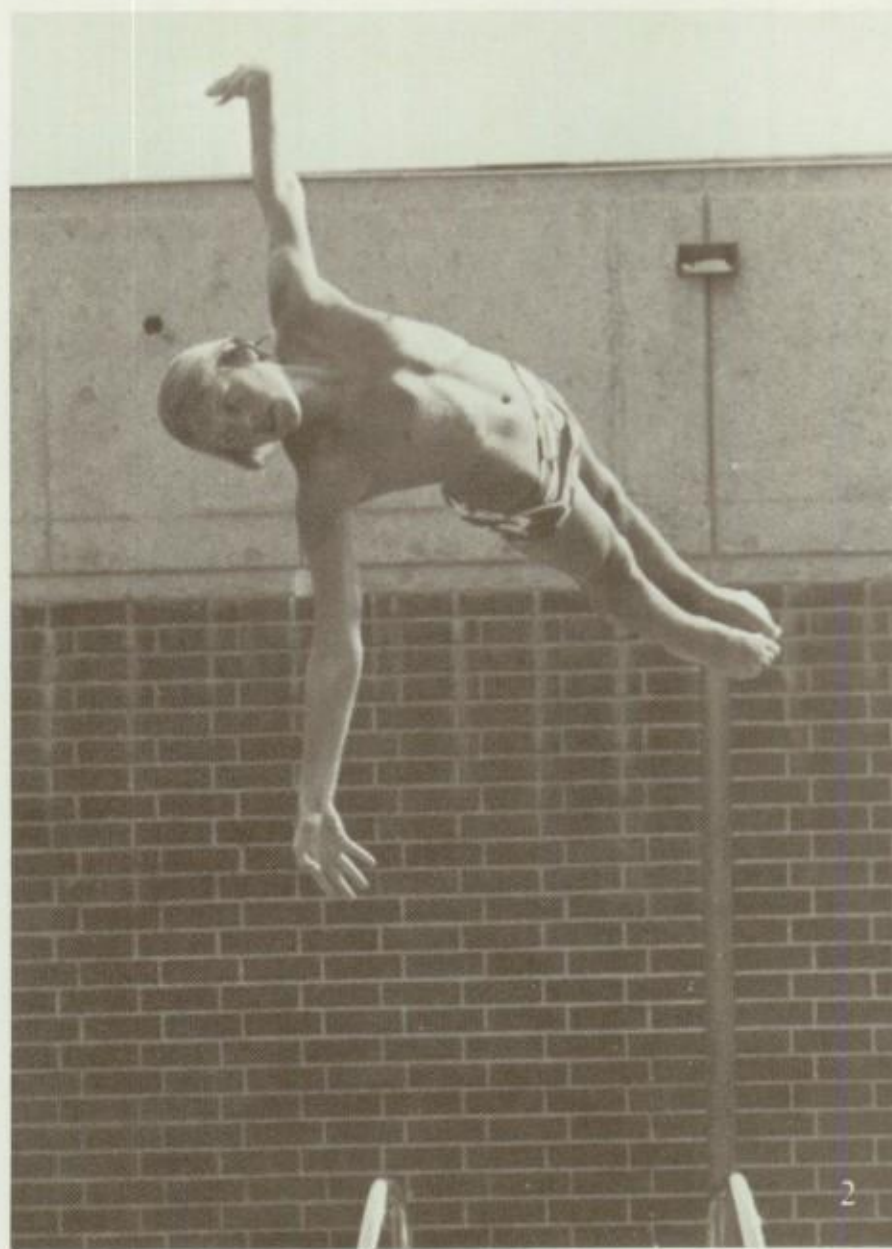

Varsity Swimmers Have Record-Breaking Year

Five new school records were set and four swimmers and divers qualified for the CIF finals as Edison's varsity swim team turned in its second consecutive outstanding season. Coach Lou Riley's Chargers won eight out of eleven dual meets and finished third in the Sunset League with a 5-2 record.

Sophomore Randy Roberts surpassed the CIF qualifying standards in every event but the 50 free and also set a new school record in the 200 individual medley, while Sam Jones qualified in the 50 free and 100 free (setting new Edison marks in the process) as well as the 200 I.M. Divers Jon Brennan and Kevin Mack rounded out Edison's CIF contingent.

Mark Cross, Gary Gibson, Glen Lindenstadt, Ken Hoffman, Merrill Riley, and Kai Weisser turned in excellent performances throughout the season, while Brennan, Mack, and number three diver Duane Shoemaker (coached by former All-American Larry Brennan) made valuable contributions to the Charger cause at every meet.

Varsity Tennis Predicts a Good Season

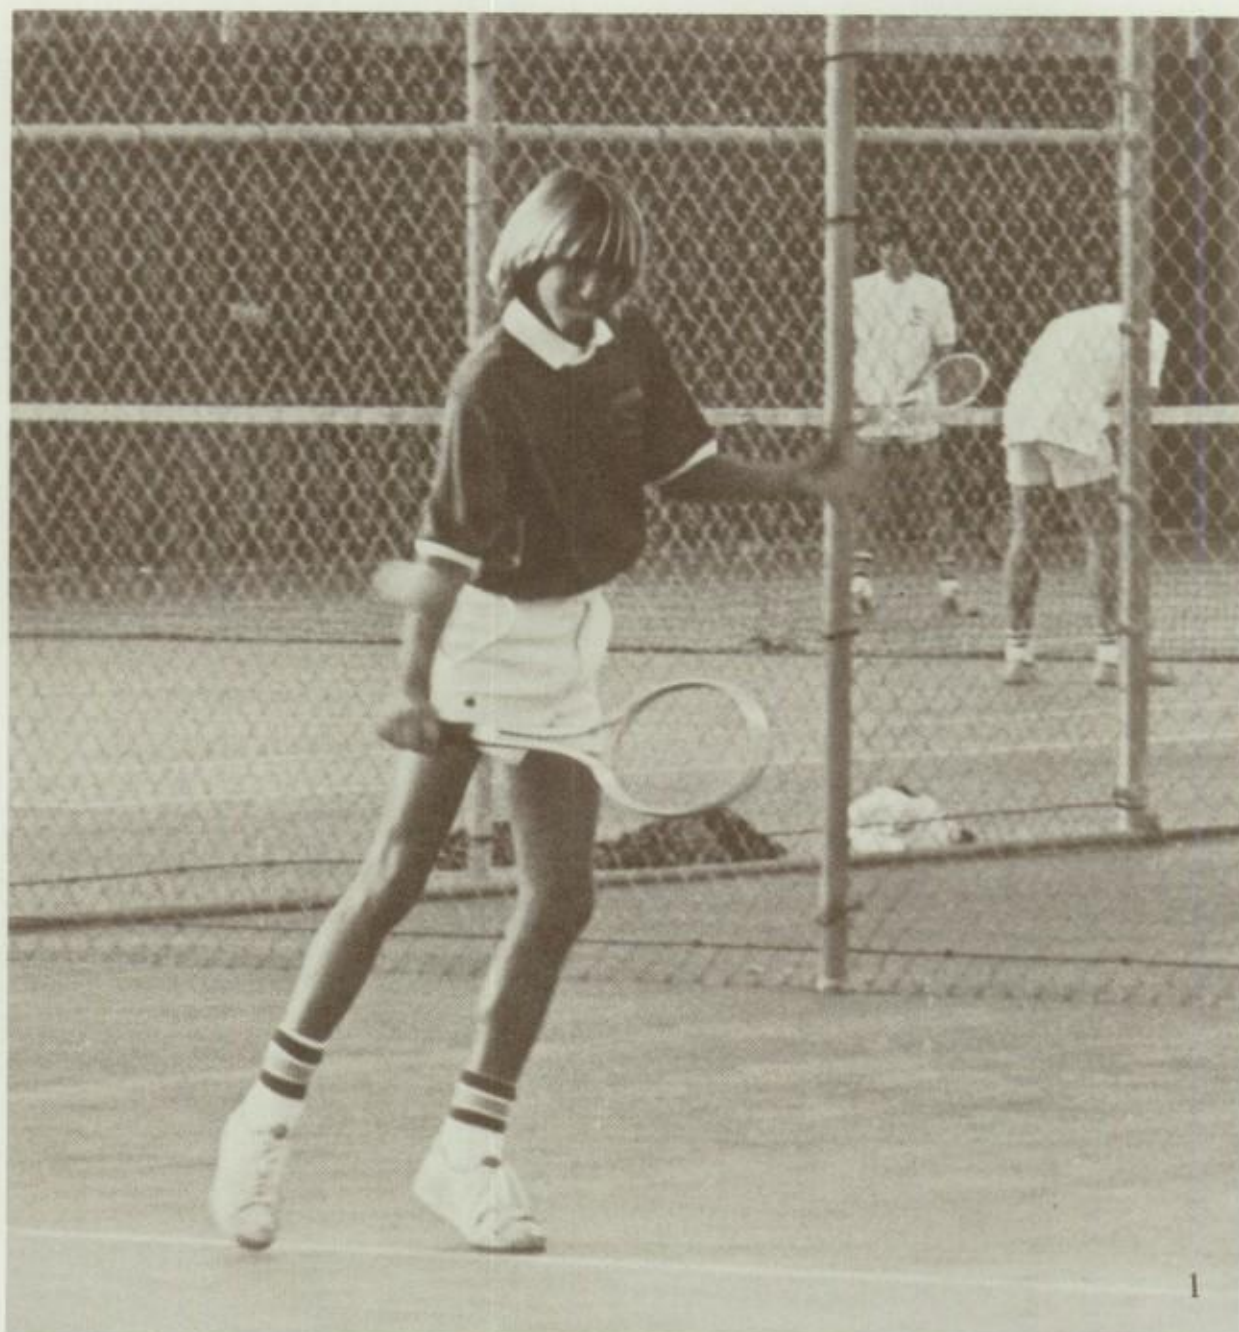

Under the coaching of Tim Mang, the Varsity Tennis Team hopes to finish a fine year, with a very talented group of players, including Kurt Lynott and Marisso Posso, who have won a great percentage of their matches. The team's toughest match will probably be against Newport Harbor, a team that always poses a problem.

Next year's team should be another fine one, with many returning Varsity players and good JV players coming up.

1. Kurt Lynott uses a strong backhand to return the ball to the other court.
2. Dave Lynott receives his serve, while Gary Hampten waits for the ball to be played from their opponents.

4. Scott Faith returns a serve.

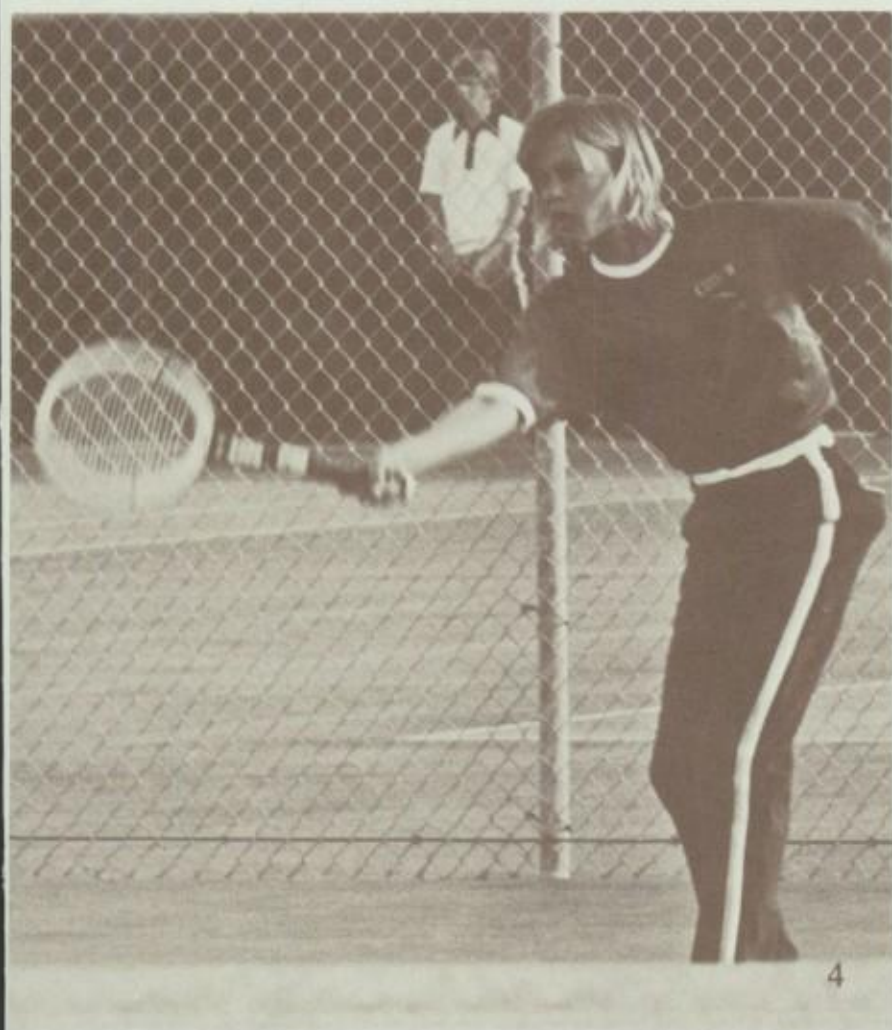

Large Tennis Turnout Builds Big Teams

This years Junior Varsity and Frosh-Soph Tennis Teams had good seasons, under the coaching of Mr. Johnson and Mr. Krough.

The JV team consisted of many outstanding players including Lajla Von Lutzow, David Kim, and Geoge Studdert.

The Frosh-Soph team was very large this year with many good players preparing to move up to Varsity or Junior Varsity next year. With a large number of good players coming up next year, Edison should have another fine season.

Surf Team Has Many Members

Edison's surf team members were Vince Abbastica, Jay Bento, Dale Dangerfield, Mike Dorrell, Scott Lapham, George Murillo, Larry Myers, Russell Peters, Steve Powers, Tim Vaccaro, Gary Warner, Chris Wilder, and Brian Williams. The kneeboarding team consisted of Joe Bonin, Jeff Burks, Jeff Decker, John Hildreth, and Todd O Bray. The team was lead by captain Larry Dorn, and the Most Valuable surfers were Mike Ruben and Ron Thompson. John Rothrock and Dave McLeish were the surf team coaches.

Varsity Field Hockey Named Champions

The Varsity Field Hockey team finished off a fine season this year by advancing into the first round of the CIF playoffs. They finished a perfect season with a record of six wins and no losses. They were Beach Cities Champions. With a tie in the CIF game, the Varsity squad ended its season with a 10 win, 1 loss, and 1 tie record.

The JV team placed well this year. They finished third in League with four wins and two losses and ended the season with eight wins and three losses. With all these fine players moving up to Varsity next year, Edison should have an outstanding team.

Supplement to Carry Late Sports Action

This year the spring sports will have only a team picture and a few action shots. A supplement will be coming out the same time as the yearbook to cover action more fully. The supplement was made in order to cover sports which couldn't be entered in the yearbook. The yearbook was completed before these sports began their season. In order to give any coverage at all to these sports, we added this supplement as an extension to the yearbook. We feel every sport should have some recognition in the yearbook or supplement.

Open Counseling, a New Experience

Open Counseling is offered every Monday and Friday so the students can see their counselors without an appointment. Students get in and out with more speed and less difficulty. When appointments are necessary, then Mrs. DeSena and Mrs. Edwards are always on hand to help.

Edison welcomes Marc Orlando who counsels students Ti-Z. Mr. Orlando has done an excellent job helping students get their problems worked out.

Not only do the counselors help students with their problems, but they also get involved in other activities. Dressing up on Halloween and putting out the Jr./Sr. newsletter are among the other activities.

Students Exhibit Art Throughout U.S.

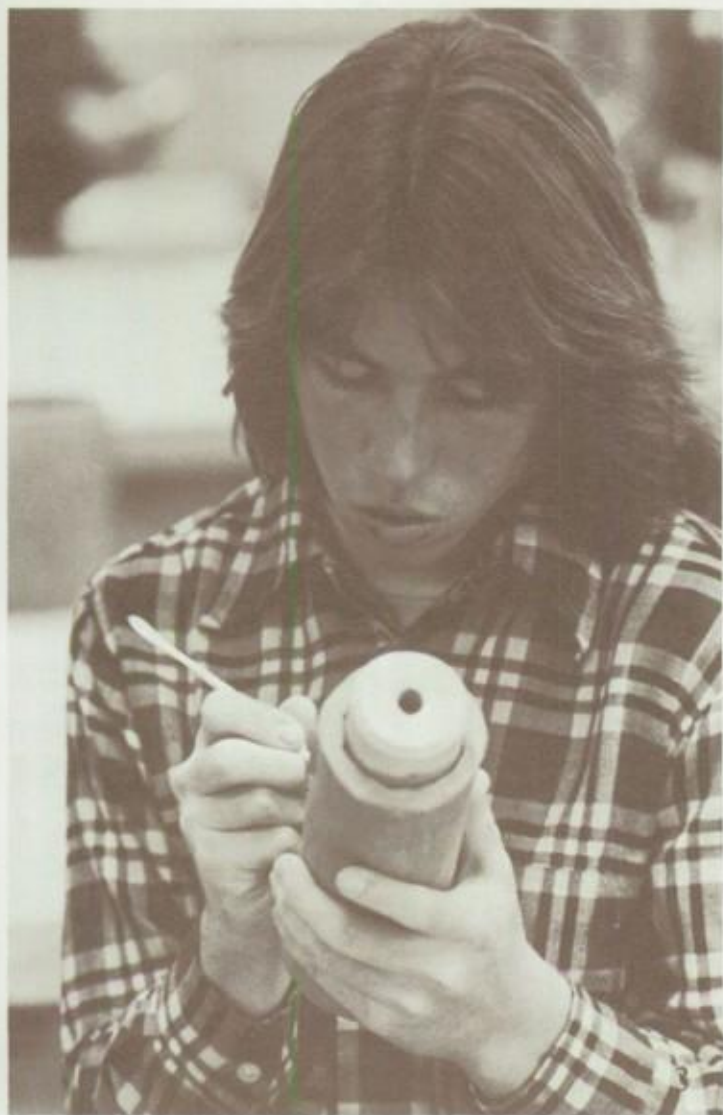

Many students at Edison exhibited their art work, not just on campus but throughout the United States.

On campus the students were allowed to exhibit their art work in the media center, cafeteria, and the faculty dining room.

Many students at Edison entered their creations in the National High School exhibit in New York. Also some exhibits from our school have been on display at Cypress College and the Senior Women's Club.

Students have enjoyed the different art classes available at Edison such as Art, Crafts, Design, Ceramics, Printmaking, Studio Art, Jewelry, and others. This year the students have really tried to develop all their talents.

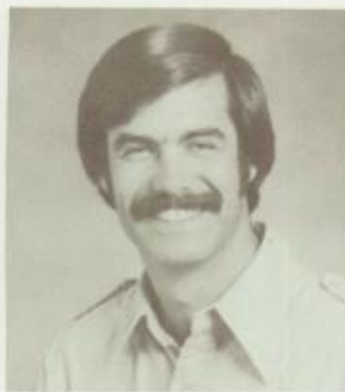

1. Miss Weitz enjoys helping art students in her spare time.
2. Mr. Jim Congell, Art Department Coordinator.
3. Tom Cargill enjoys carving clay in his ceramics class.
4. Dana Parker prepares herself for graphic arts.
5. Debi Dufresne concentrates on leveling off her clay pot.
6. Mr. Nicholson likes to spend quiet moments drawing.

Business Leads Way to a Better Career

The Business Department has new classes to offer this year: Court Reporting, Cashier, and a retailing class.

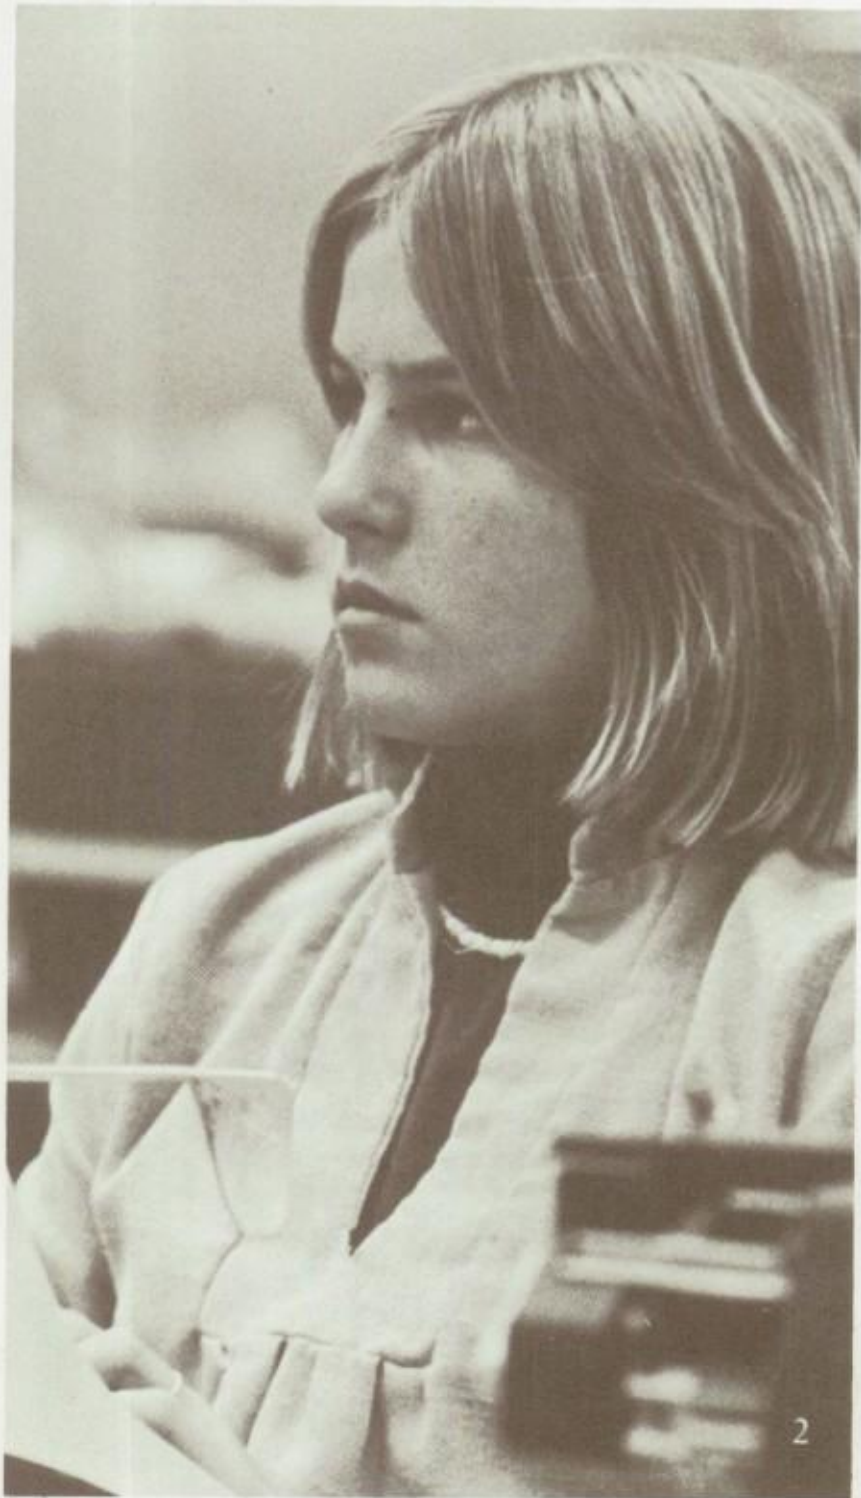

Students are more aware of the business classes and are enrolling because they want to enter the field as a career.

Students who take 12 semesters of office courses receive an Edison Business Certificate which can be used as a reference when applying for a job.

It looks like bigger and better things are happening to the Business Department.

1. Charlie Walzak adds his calculations on the business machine.
2. Paying attention to the teacher is important for typing as shown here by Betty Benet.
3. Cindy Roth concentrates hard on typing her best.
4. Diane Hallam works to be a better student.

Basic English Skills Encouraged at Edison

The Edison High School English Department has begun a three year Basic English Skills Program on the freshman sophomore, and junior levels. The program is designed to alleviate the problem: Why Johnny Can't Write!

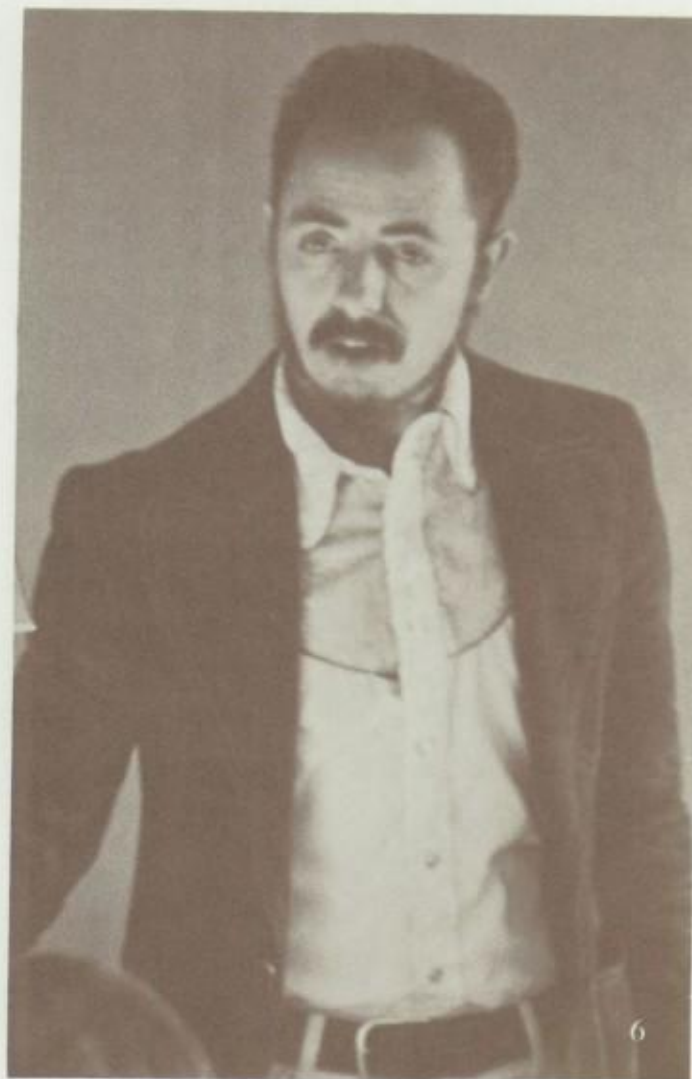

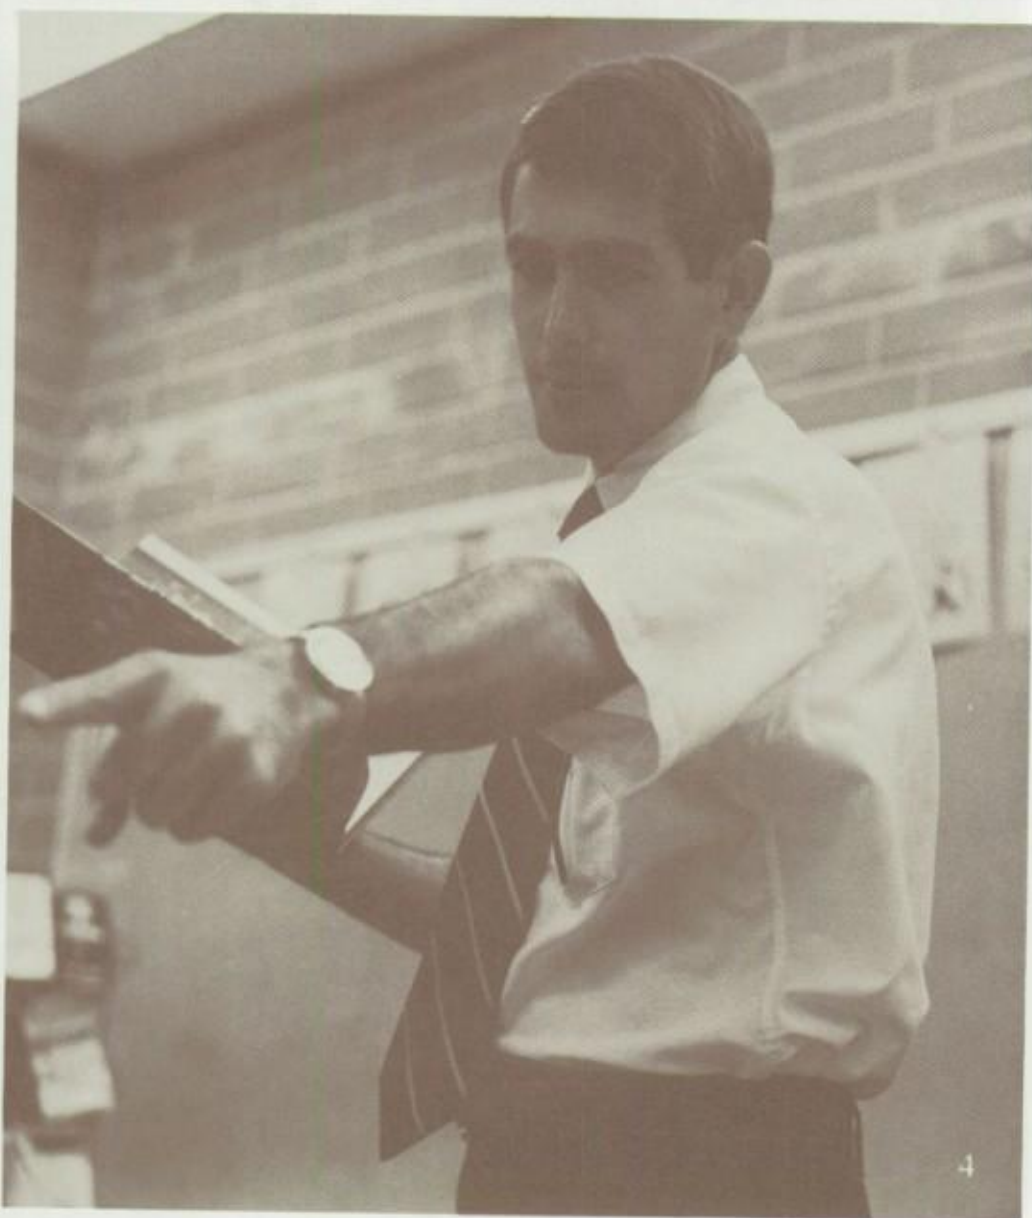

Included in the program was a renewed emphasis on writing skills, vocabulary, spelling, and literature; but the major emphasis was placed on sentence patterns, punctuation, and grammatical usage

English teachers are serving on the District's Language Arts Committee. The purpose is to establish a competency based curriculum.

1. Mr. Emery and Ms. Eiswerth look over papers for English registration.
2. Mrs. Cecil sits with students to help with an English assignment.
3. Mrs. Chamberlain concentrates on planning lessons for her English classes.

Industrial Arts - A Varied Field

Industrial Arts encompasses several very different areas. These include Electronics, Photography, Graphic Arts, Metal Shop, Machine Shop, Wood Shop, Drafting, and Aeronautics. Each year the Industrial Arts department holds a Panorama display at Huntington Center. They also take part in the Career Fair held in the Anaheim Convention Center. The school has benefitted greatly by the printing of the school newspaper by the vocational Graphics Arts class and the expansion of the video tape facilities. The Christmas Food Drive sponsored by Industrial Arts was a big success this year bringing in 4 ½ to 5 tons of food. They also flew clothing to the Navaho Indians in Arizona. Twenty-one plane loads were flown in cooperation with the Christian Products Association.

Foreign Language Attracts Many Students

This was a good year for the Foreign Language Department. Many students enrolled in various language classes. The department's purpose was to introduce students to another culture other than their own. Oral as well as written work played an important role in learning the new language. Through this method students learned to pronounce the language correctly and sometimes even fluently. Many of the different courses that are offered can be continued for up to four years. Many of the classes held small buffets of foods from their studied language. Students would prepare the various foods and bring them in to class to share. Students who contributed to the buffets would earn extra credit to replace needed points. This gave students an opportunity to discover foods of different countries and have a good time learning.

Individualized Study Programs Offered in Math

The math department is embarking on a new method of teaching individualized study. This new program is revolutionizing old methods of teaching by allowing students to work at their own pace. Students earn credits as levels of study are completed. Individualized study programs are offered in addition to the numerous traditional style classes. The programs are taught by Mrs. Landi and Mrs. Williams, avid supporters of individualized study methods.

Optional P.E. in the Making

P.E. classes will soon be optional for upper classmen. In the fall of 1976, seniors may elect to take another course in place of P.E. The following year, 1977-78 this same option will be provided for both juniors and seniors. This result came from a survey given to this year's seniors and juniors. It indicated that 37% of the boys and 55% of the girls would take courses other than P.E. if given that option.

Two new members have been added to the Girls P.E. staff. They were Miss Jan Winter, a student teacher, and Miss Oshiro (now Mrs. Oehlman) who was a student teacher last year and became a full-time teacher at Edison. And this year was also a new experience for Department Coordinator, Mrs. Darnall, who took Mrs. Lucas' place.

1. Miss Roaine Cossarek's field hockey class is waiting for further instructions.
2. Miss Joy Winters carries volleyballs to the various teams.
3. As the teacher takes roll, the students wonder what the days assignment will be.
4. Miss Pauline Bachakes is telling the girls what courts they play on.
5. Girls are waiting for the days instructions.

Boy's PE Adds New Teachers and Activities

This year, the Edison's Boys' Physical Education Department added two new teachers, Mr. Purcell and Mr. La Ruffa thus bringing the staff number to twelve. These two men will enhance the fine program of Physical Education and Athletics offered here at Edison.

The Physical Education Program offers a variety of activities including Coed activities, rugby, badminton, soccer, and the most recent addition, bowling.

1. Mr. Russ Purnell uses his office between classes.
2. Mr. Gordon Fitzer grades students for a physical fitness test.
3. Edison's basketball coach, Mr. Purcell, discusses play strategy before a game.
4. Steve Bowman leaps for a basket.
5. Todd Knight shows off his style on the tennis courts.
6. Student sets ball up for another teammate.
7. Students enjoy a game of water polo.

Many Talents Included in Performing Arts

There are many activities involved in Performing Arts. Among these are vocal, instrumental, debate, drama, and dance. Each year, they put on one big performance. This year's performance was an outstanding one. Each part of the department added to the program.

In charge of Performing Arts is Mr. McJilton, but he is not alone. He gets assistance from Mr. Otey, Mrs. Tunney, Mr. Roswell, and from Mr. Staneart. All of these staff members put their time in to make the program a success.

There are, of course, the students themselves. Most of these students' dedicate class and spare time to this program. With the co-operation of both students and staff such a performance is capable of being achieved.

1. Jeff Ellstrom was one of the many soloist during the winter program.
2. Members of the stage band rehearse during a free period.
3. Mr. Otey works hard on getting choir students ready for a program.
4. The finale of the winter program included the choir and orchestra.
5. Dierdre Fryer rehearses for the play Marathon '33.
6. Mrs. Gaskill accompanies the choir at all programs and concerts.
7. Jo Ann Stott, Kirk Preevle, and Brian Shucker demonstrate their talents.

Science Classes Expand

The Science department at Edison provides a variety of courses to stimulate and educate students at all levels of learning. Life Science and Physical Science, formerly the only basic classes, are now joined by two other offerings - Modern Health and Earth Science. The latter, greatly expanded and including all phases from Oceanography to Astronomy, has become increasingly popular. Horticulture took a leap in enrollment when the two-acre farm was added south of the school, which gives students the opportunity to "work the soil" in the two-hour block class. Other offerings include Ecological Biology, Pre-Chemistry, Cellular Biology, Chemistry, Physics Physiology, and Research Biology. It should also be noted that special summer offerings include: Marine Biology, which offers many field trips to the seaside to obtain first-hand observations on sea life; Mountain Ecology, which is a classroom situation for two weeks and then a one week backpacking trip in the High Sierras; and Medical Careers, which is an in-depth study of all careers in the Medical field for those students who are considering this as a profession for their future.

New Electives Offered by Social Studies

New elective classes were added this year to Edison's already fine Social Studies elective program. Besides the traditional subjects, some other interesting topics have been selected by the Social Studies Department. Among the offered classes is Police Science, taught by Mr. Smith. The students have been involved in many projects, experiments, and field trips. Another class, Cross Age Teaching, gives the students a great chance to explore and analyze the teaching profession as a possible future career. For the first time at Edison the Fairview Community Service Program was offered to give the students an insight to helping the handicapped.

1. After a hard day Mr. Karcher relaxes.
2. Mr. Gruner has an open discussion with his class.
3. Mr. Stupin listens intently on the conversation that the students are having.
4. Mr. Hansen gives instructional aide to an eager student.
5. Mrs. Wronka lectures on some aspect of American History.
6. Mr. Wayne Jorgenson joined in on the Halloween fun.

Students Get Involved in Social Study Activities

Social Studies is a required subject. All students are expected to take at least twelve quarters. The Social Studies Department gave this year the chance for every student to enjoy Social Studies and study the subjects they were more interested in. The addition of new classes has allowed students to explore particular subjects in the field. Pupils studied from a more realistic and modern view and had the possibility to work more individually.

1. The Social Studies student aides were kept busy throughout registration.
2. Social Studies classes gave students the opportunity to work individually or in groups such as the one in the picture.
3. Students give their attention to the teacher in class.
4. Mr. Shimpock and Mr. Jorgenson showing off their original Halloween costumes.
5. Mr. Gruner in his class.
6. Mr. Boehlert and Mr. Hanson were two of the teachers at the Social Studies table during registration.

Traffic and Safety Teaches More Than Driving

The Traffic and Safety program has finally completed all the phases of their program. The simulator, behind the wheel driving task, and safety classes are all in one complex.

They have a rotating program in which students have four different teachers, teaching in individual classrooms. The program consists of three days in a safety class followed by one day each in driving task, simulator, and behind the wheel.

Mr. Burns has set up another class called Motorcycle Safety and Advanced Motorcycle Safety, the only class like this offered in the district. Mr. Belcher has started a class in Drinking, Drugs, and Smoking and a First Aid class, also the only one like it in the district.

Media Center Focuses on Individualized Study

The Media Center's goal for the 1975-1976 school year is to individualize study methods using the wide variety of books and audio visual materials available. This allows students to supplement their daily learning experiences. Students can view films they missed because of absences. Many popular tapes such as "Led Zeppelin 5" and "Cat Stevens-Cath Bull at Four" can be listened to by students at their leisure.

During lunch students spend their time doing homework in the library. On activities days over-crowded conditions result in standing room only.

Teacher reservations are necessary throughout the school day. The Edison High Schools Media Center is a place where students can get together and talk about the day's events.

Work Experience Provides Extra Skills

Work experience has become an important feature of Edison's curriculum. Through this program, students get class credit for working on a job. This is a good way to obtain some experience and knowledge of a particular field the student may be considering as a career. There are three basic types of work experience. General work experience is getting credit for any job the student has. These students must also go in once a week, on their lunch break, to listen to tapes and do assignments. Vocational work experience is receiving credit for a job that relates to a class you have. Exploratory work experience is taken just for the experience and the training. Besides these programs, the work experience office helps with job placement and obtaining work permits and social security cards.

1. Sheila Brown is shown how to fill out order forms by her boss at Carl's Jr.
2. Yvonne Andreas shows her skill as a student secretary here at Edison.
3. Greg Frederick closes a sale at the Seaclyff Country club.

Cafeteria and Maintenance a Helping Hand

Does anyone really give any thought to what is involved in operating a cafeteria? Do we stop and take into consideration the work load of maintenance? Probably not, but what would we do without them?

The cafeteria personnel serve the faculty and students breakfast and lunch. They not only have to plan nourishing meals, they also have to do it within a budget. This involves a great deal of planning and hard work.

When something breaks down, needs cleaning, etc., we call our maintenance personnel. They not only keep the classrooms clean, they are also called upon to do a variety of tasks. Plumbing, electrical, repairing broken objects is all part of our maintenance department.

Both departments are a vital necessity to keep our school running smoothly. Mrs. Rita Taylor and Mr. Ed Readman enjoy being heads of their department.

Do You Know Where You're Going?

The Career Center has played an important part in giving a student a better view of his or her future. It has information on a career from checking in a supermarket to a Ph.D. in Psychology. It has catalogs on every college in California and some from out of state. Not only do they have written information, but they also have film strips and slides. Many students find the Career Center helpful in many ways. With the assistance of Mrs. Stephanie Dudas, a visit there proves most rewarding. If you are in need of finding out about your career interests visit the Career Center and explore the world of careers.

1. Student researches the qualifications for her career.
2. The microfilm machine provides an opportunity for classmates to look into various careers.
3. Many students find the career center a rewarding way to spend an afternoon.
4. Mrs. Dudas explains how to use the many materials in the career center.
5. Lori Ayers and Matt Hopkins study in the career center during their free time.
6. Mr. Peterson enjoys giving the students a helping hand.
7. Student reads instructions before using the microfilm machine.

Personnel Help Everyone

The personel department had to work very hard this year to keep a school of 4,200 students running smoothly. It took many long hours and many people doing alot of assorted jobs—from answering phones to keeping track of every student's record.

With Edison's fine personel department the school ran very smoothly again this year.

CLUB DAY
THIS, FRIDAY

M. Hall

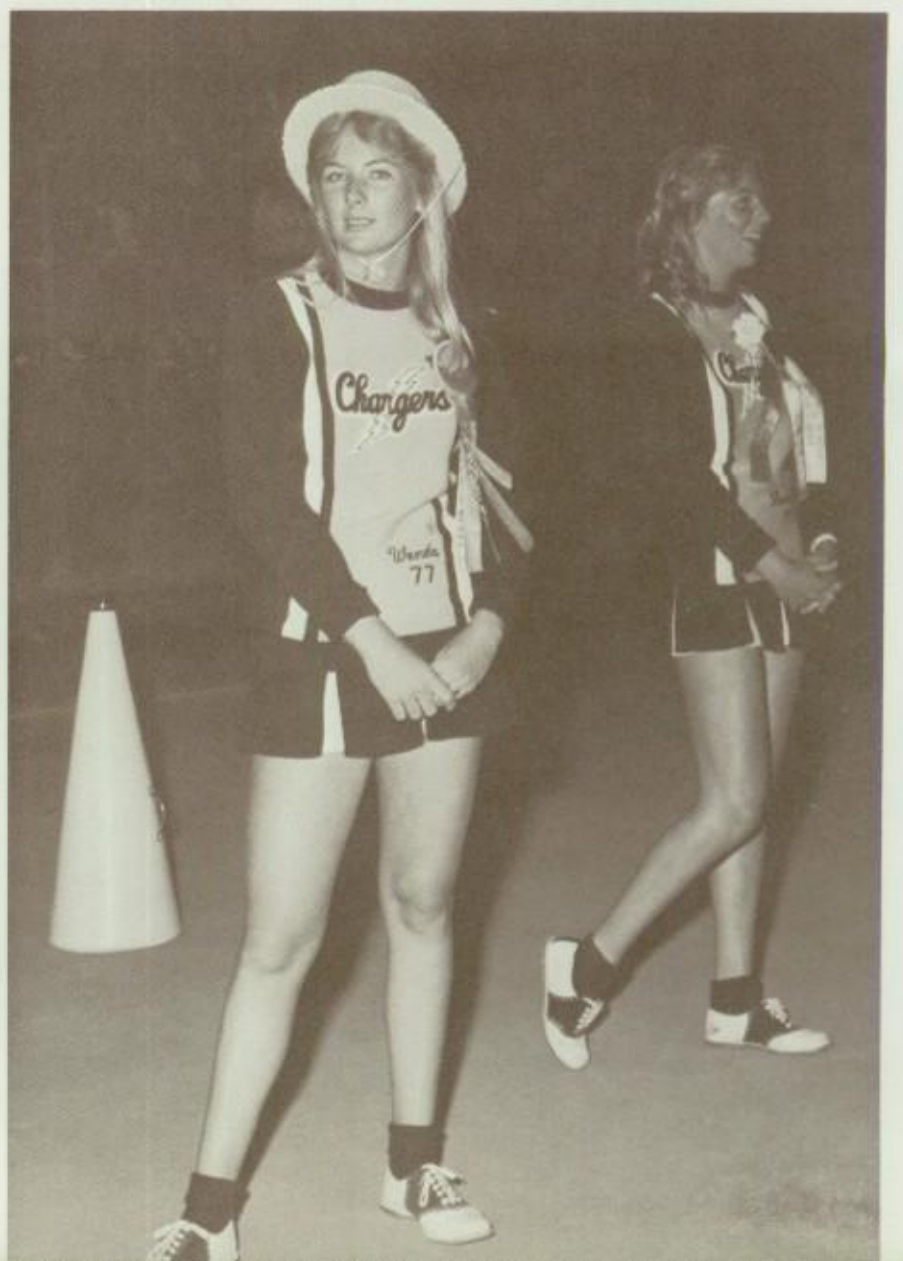

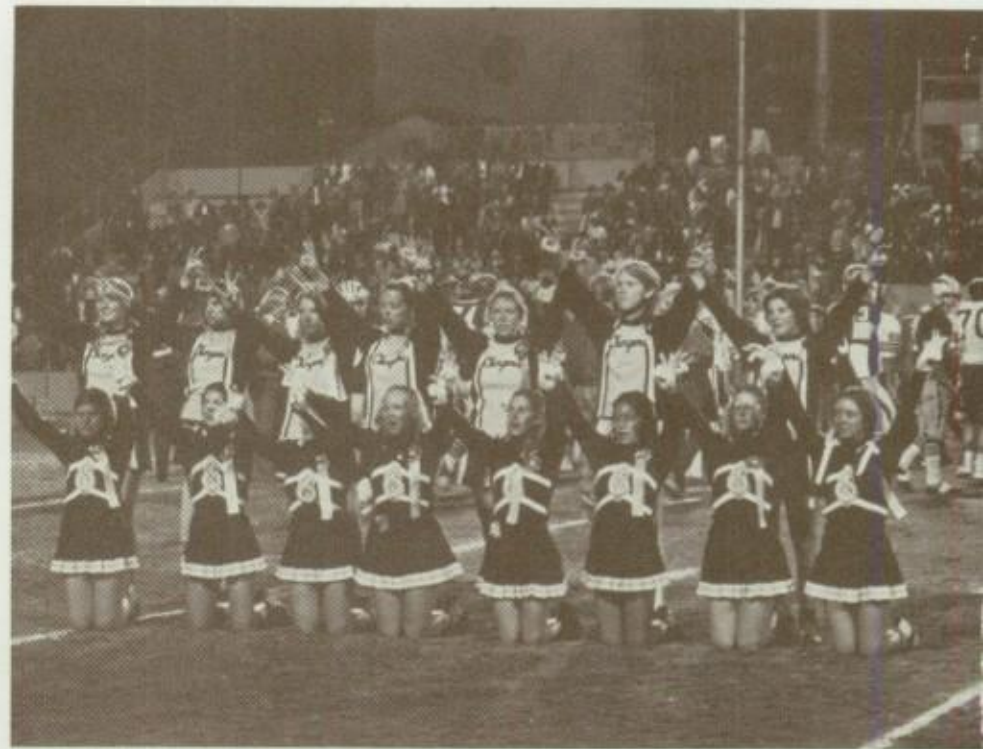

ORGANIZATIONS

Spirit Is Their Game!

The 1975-76 Pepsters have been working hard ever since they were selected in the spring. During the summer camp in La Jolla, Varsity Yell won all superior ribbons, J.V. Yell won all excellent ribbons, and Varsity Song took the Grand Champions award and the Award of Excellence. Both Varsity squads came home with the Spirit Stick, a high honor for pep groups. The songleaders were invited to two Ram's games. All groups attended

various competitions throughout the year. The pepsters were involved with supporting the teams, making posters, holding banquets for visiting schools, and many other activities. The J.V. Yell attended every freshmen, sophomore, and J.V. football game. Varsity Yell and Song Leaders were proud to support all of the fantastic Charger teams.

Awards, Honors
Earned by Drill Team

1. Marching into a rally is a standard activity.
2. Guard Jeannie Courtois carries her chewing gum prop used in a halftime show.
3. Lori DeBono marks time after getting into the halftime formation.
4. Drill Teams spirit is bubbling over before the C.I.F. football game.

Drill Team Marches to Success

1. Evelyn Vidales, Denise McFadden, and Nancy Browne concentrate hard on perfecting their routine for the football games.
2. Debbie Knoll is proud to be a drill team member.
3. Roxanne Gera tries to hold back laughter at halftime performance.
4. Lynn Batchelder, Kathy Myers, Judy Mills, and Jeannie Courtois show the audience their talent.
5. Karen Diercksmeir proudly holds the flag high as part of a halftime routine with the band.
6. Aileen Ju takes time out from standing at attention to talk.

Sparkle, Spirit Entertain

Shields, high banners, and flags started off the year right by being awarded a trophy for the most spirited school in the Santa Barbara camp, which they attend each year. Many superior ribbons were given for individual work with flags and shields.

Red, white, and blue flags were used in the halftimes to add to the bicentennial theme which gave the halftimes more color and patriotism.

Captains Pam Feddersen and Cassandra Fuller with Lieutenants Dani Mack and Shorty Carey kept banners in line as they participated in many parades. The Pomona parade was very rewarding as banner helped band march away with the Sweepstakes trophy. Christmas season found banner, band, and drill team at Disneyland where they marched in *America On Parade* carrying shields decorated with holly, Santa Claus, Snowman, and flags made up to look like candy canes.

1. Front Line: Maureen Carey, Nora Doyle, Dianna Cuperus, Lynda Sander, Pam Feddersen, Belinda Braun, Stacey Lothian, Margo Mead.
2. Flags: Linda Baggetta, Sherry Ridley, Jennifer Bramlet, Cindy Lowell, Lori Womak, Cassandra Fuller, Patty Pruden, Debbie Wyman, Robin Caceres, Lorn Bloom, Pam Kish.
3. High Banners: Alma Duarte, Eileen O'Neill, Tracy Johnson, Cathy Hecklinski, Dani Mack, Lisa Cline, Cathy McClellan, Pam Hoffman.
4. Solo Majorette Diane Humphrey.
5. Pam Hoffman, Pam Kish, and Shorty Carey march out of a circle formation during a halftime.

Banners Perform and Entertain the Crowds

Edison's solo Majorette, Diane Humphrey, was in state wide competition and won many first, second, and third place trophies for her fine performances.

During the school year she performed at every event as a member of the Banner Carrier Squad. Diane twirled the dangerous fire baton at the half-time performance at the Western game.

Once a month, Diane participated in twirl and strut competitions in Orange, Los Angeles, and Riverside Counties. Diane also performed with the band in Hawaii.

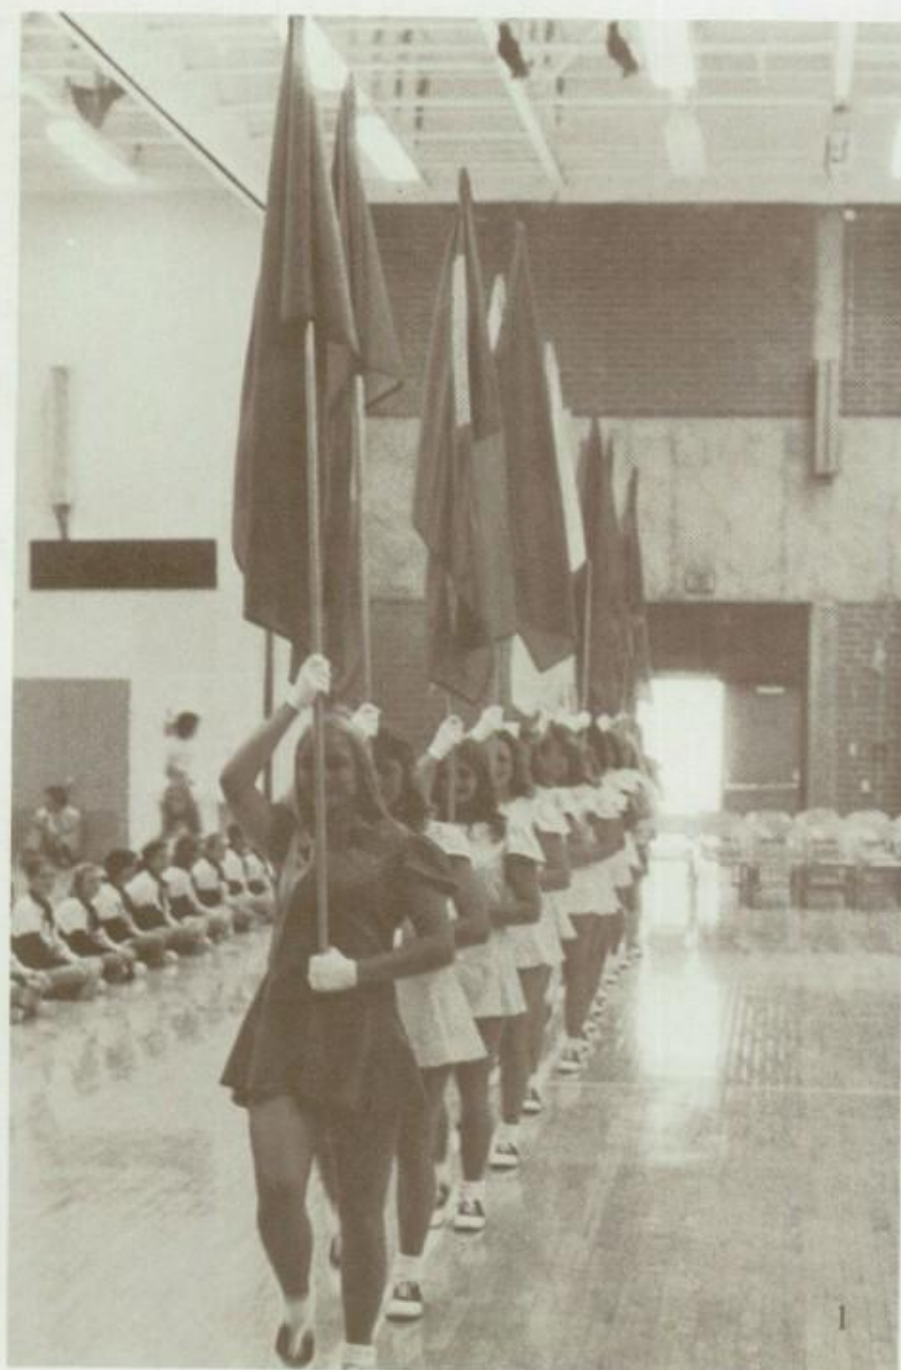

1. Banners, led by Pam Federson, march into the pep assembly.

2. Diane Humphrey, Edison's solo majorette, performs to the Star Spangled Banner with a fire baton.

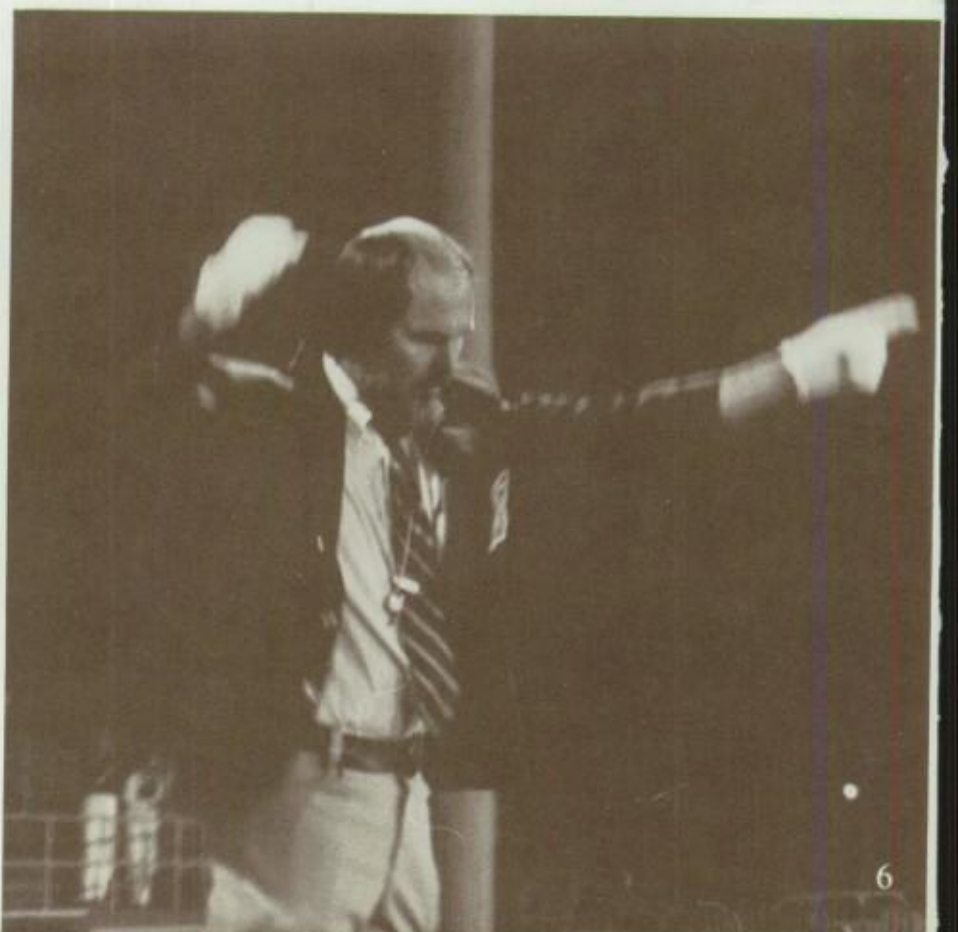

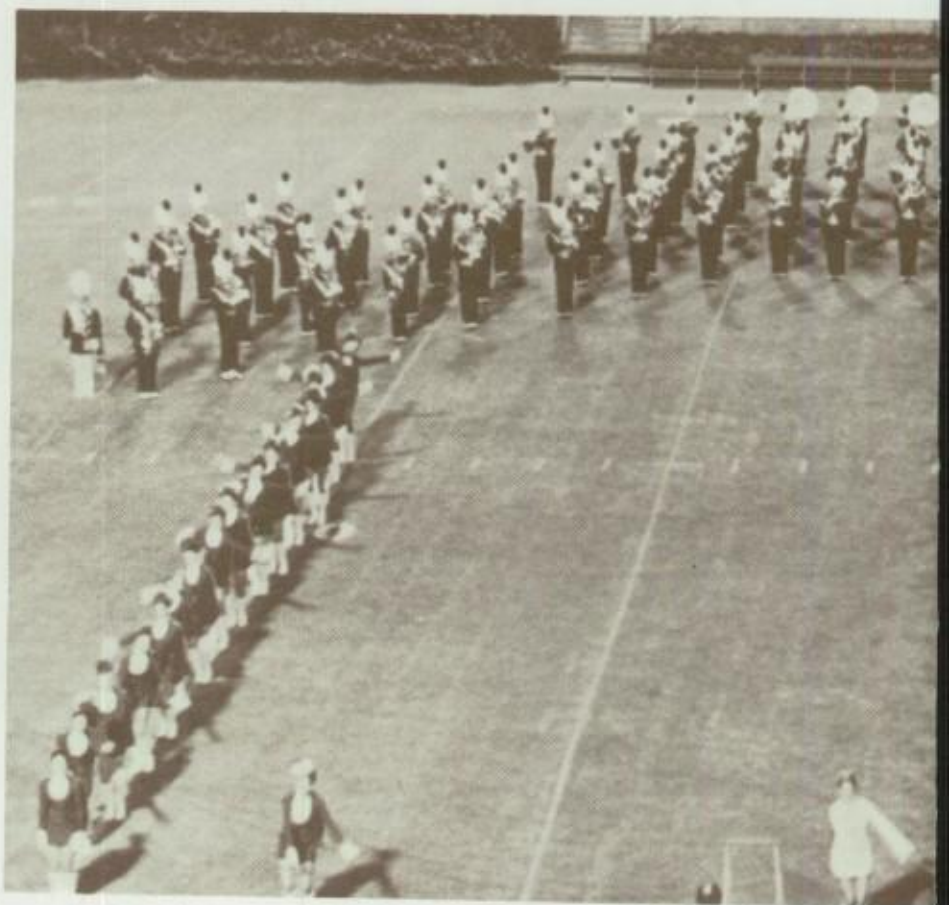

3. At their performance in the "America on Parade" at Disneyland.

4. Standing with pride, Stacey Lothian holds the front line letter "N".

5. During the half-time performance for the Homecoming game, Alma Duarte holds one of the Tiki Fire Sticks.

Band Continues Performance Record With Sweepstakes

The Edison Charger Band won many awards during their marching season. Their most satisfying event was the Pomona Christmas Parade in which they walked away with the Sweepstakes award and an extremely high score. Led by drum majors Bob Ruder and Dawn Bergdahl, the band performed at all home football games.

During their halftime shows, they formed such designs as an eagle, a treble clef, and even a train that moved. Under the Direction of Mr. Gary McJilton and Mr. James Keys, the band members presented several concerts and climaxed the year with a trip to Hawaii. It was an exciting and enjoyable year for all.

1. After a touchdown, the pep band, directed by Mr. Keys, plays the fight song.
2. David Kahler, Greg Buck, and Julie Kaus play a roll to begin the "Star Spangled Banner".
3. Alan Robinson relaxes during his five measure rest.
4. The band forms a concert formation to start their first halftime.
5. Pete Baker prepares for his timpany solo.
6. Mr. McJilton directs the band in "The Battle Hymn of the Republic."
7. One of the first formations the band made was this treble clef sign.

1. Band Members practice with their shakos the day before the Riverside Parade.
2. Danny Roberts and David Kahler watch the director intently.
3. Mark Oster and Bret Lott play "This Land is Your Land" for the 23rd time!
4. Drum Majors Dawn Bergdahl and Bob Ruder.

Participation Keeps Choir Busy

The A Cappella Choir, directed by Mr. Richard Otey, is an auditioned choir of about 80 boys and girls. They are especially busy around the Christmas season when they are involved in concerts and caroling for civic groups and participate in the annual Choral Festival at Orange Coast College. There is much excitement, fund raising, and extra rehearsals as the A Cappella Choir anticipates a trip to Mexico City for a one week tour.

The Madrigal Ensemble is the top singing group of the

choral area of the Performing Arts Department. It is made up of ten boys and ten girls, who are also members of the A Cappella Choir. The Madrigal Ensemble stays very active all year, giving concerts for civic organizations, schools, hospitals. They are a part of the Orange County Honor Choir, which was directed this year by Dr. Charles Hirt of University of Southern California. The Madrigal Ensemble sponsored the Folk Festival, now a yearly highlight on the Edison campus.

Down the Road to Freedom...

Senate is a fascinating and ever-changing form of Student Government at Edison. Leading the fourth period class is the Activities Director Mr. Ben Garrett and the Associated Student Body President Paul Tomasic.

Every Monday, Wednesday and Friday the Student Officers conduct a formal meeting, in which they discuss and vote on the orders of the day, such as the new activities and the athletic budgets. On Tuesdays and Thursdays these students have small committee meetings.

This year's Senate introduced many new and different activities for students to get involved in. Many students enjoyed activities such as the many dances, the Ice Skating Extravaganza, sock hops and the Movie—Sock hop night.

The Senate went to camp in Santa Barbara during their summer vacation and stayed for three days while learning about how student government works and functions in

our high schools. The students were able to listen to many interesting guest speakers while at camp.

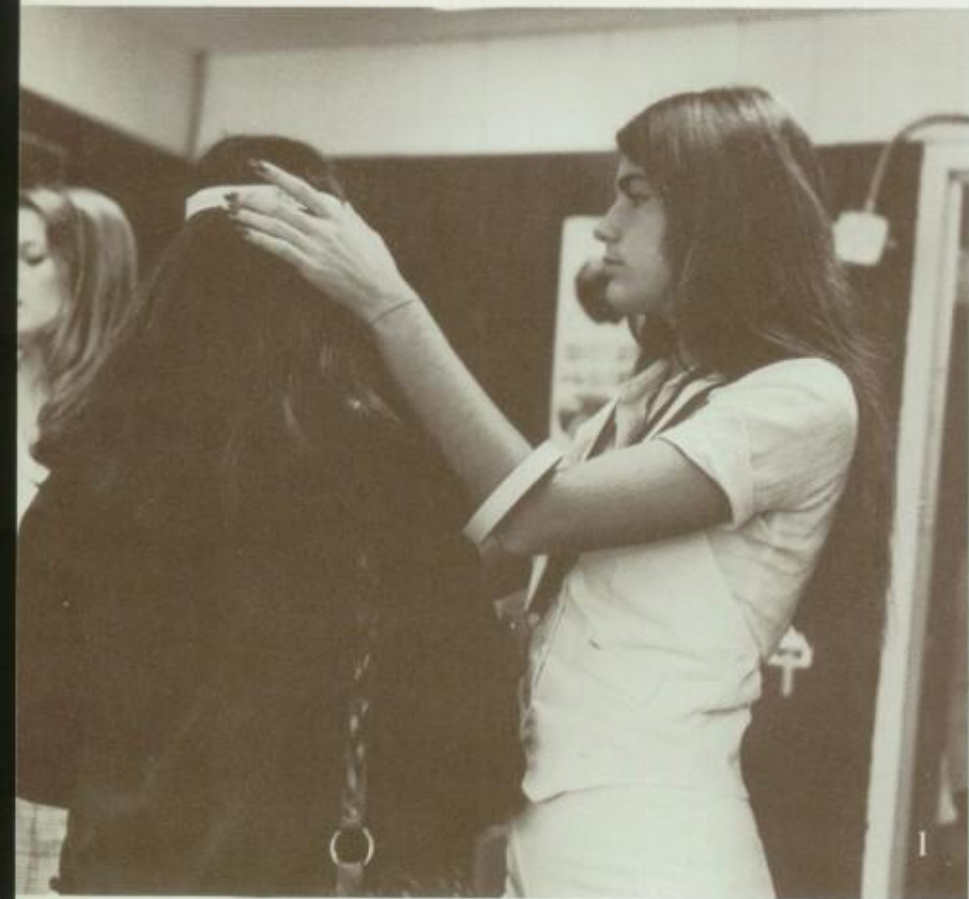

Edison's Senate also went to a government seminar at the Museum of Science and Industry in Los Angeles during the school year.

Many new things were experienced and learned during the year in the classroom as well as in their outside activities.

The Senate is made up of four Associated Student Body Officers, six class presidents and vice-presidents, the CASC and SAC Representatives, the Girls' League President, Boys' Representative, and the Parliamentarian.

With the guidance from faculty and fellow students, the students involved in student government have received a head start against their peers, and look promising for future government leaders.

Senate Leads the Way . . .

1. Ronda Spinak helps out with the measuring for caps and gowns.
2. Dan Kuperburg, Celeste Phillips, and Greg Diamond wait patiently for their yearbook picture to be taken.
3. Paul Tomasic explains his latest ideas.
4. Tim Spaeth clowns around after the Senate meeting
5. Cindy White receives some friendly advice from fellow Senate member.
6. Paul Tomasic, Mario Torres, Tim Spaeth, Dave Haglund (in gorilla suit), and Bruce Johnson wait for bids at the slave auction.

Clubs Participate in Many Activities

The clubs sponsored many old and new activities on campus. The National Organization of Women conducted the Women's Week which was held in May. Girls' League organized the Valentine's Ball, and the Woodworking Club sponsored an arm wrestling tournament. Also, some organizations accumulated enough money through fund-raising activities to go on trips. The ski club went to Utah over Christmas vacation and the backpacking club went to Yosemite. Also, the Band, Banners, and Drill Team spent a week in Hawaii. The Spanish Honor Society and the California Scholastic Federation raised enough money so they could award scholarships to deserving students. There were many original fund-raising ideas such as a stuffed animal sale, a cheese crock sale, an art acution, candy sales, snow cone sale, a Hawaiian rally, and a second rally for a side of beef.

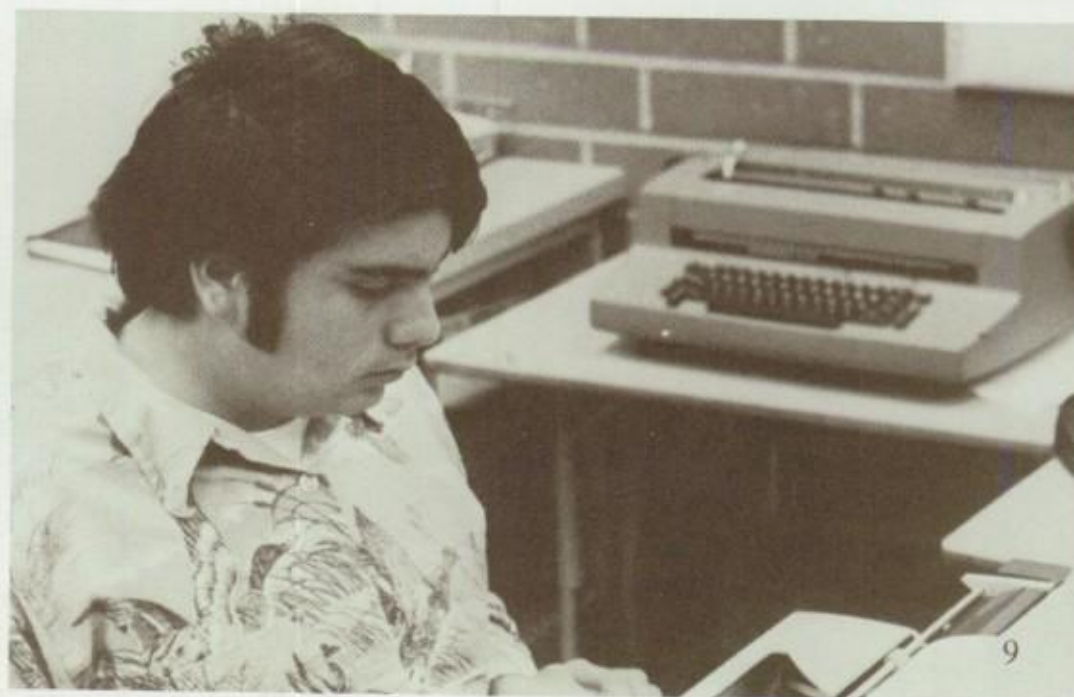

1. Joan Schiel, Karen Ju, and Nora Henning, Keywanette-members, spend their lunch hour selling valegrams.
2. Woodworking Club member Mark Dyches makes toys for some underprivileged children.
3. Performing in skits during a pep assembly is just one of the numerous activities pepsters do.
4. Banners and Drill Team march in for the finale in "The American Revue," a bicentennial program held in February.
5. Yearbook Photography editor Sam Jones begins to develop one of the thousands of pictures ordered by the yearbook staff.

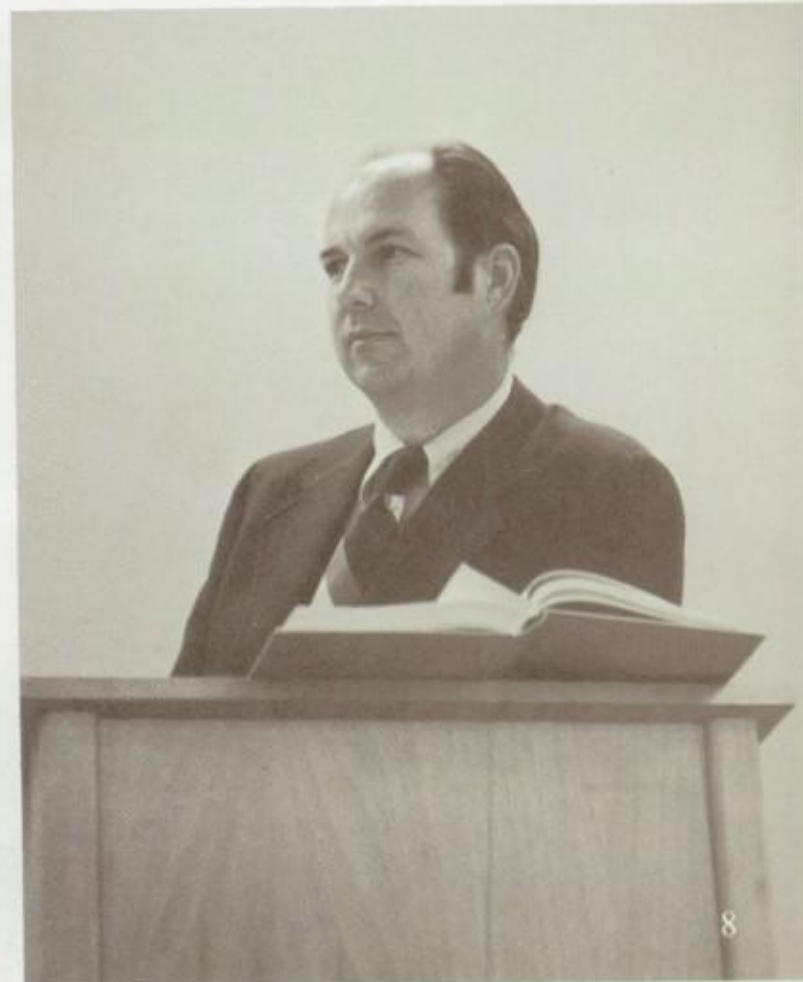

1. Taunya Rick, sports editor, takes a breather after completing her typing for the basketball spread.
2. Paula Scott, editor, looks to see what pages need to be finished for the next deadline.

Staff Puts Oracle on the Road to Freedom

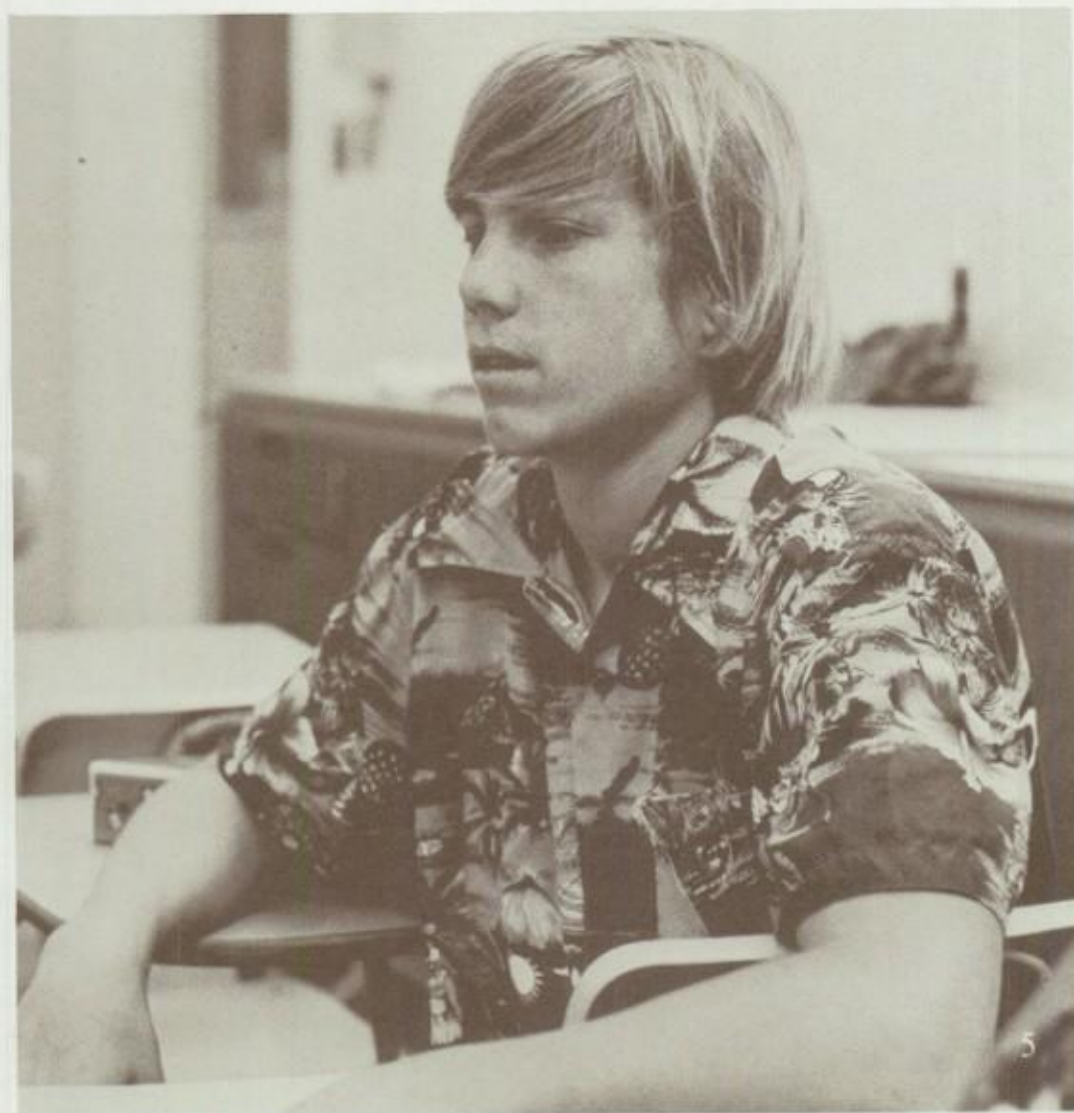

This year's yearbook staff worked hard. They put in a lot of extra hours on each stage of making a yearbook—from planning the layouts and the pictures to writing copy and typing. Everything had to be in triplicate to meet their deadlines.

Live Wire Sparks Student Interest

The 1975-76 *Live Wire* highlighted many new and interesting articles. There were feature stories, editorials, and lots of other news covered in every paper. The staff worked hard to keep students informed of every phase of school life. This was the first year the newspaper was printed here at Edison, so the print shop should also be commended at this time for all the time and effort given towards the paper. A great and enjoyable newspaper was the result of all the hard work given by each individual on the *Live Wire* staff.

Girls Clubs Become Service Organizations.

S-Club is a girls' service organization involved in school and community activities. Some of the activities have been helping with a flu clinic, collecting a Thanksgiving dinner and canned foods for a Huntington Beach family, and hostessing at school functions. Twenty girls enjoyed meeting members of other Southern California S-Clubs at the annual conference in Warner Springs.

The Keywanettes, although only in their second year as a girls' service organization, is actively involved in both school and community programs. They often volunteer their services at banquets, plays, awards, assemblies and can be seen escorting new students around campus. Within the community they offer aid to elderly citizens, the handicapped, and work with the Kiwanis Club in their yearly fund raising projects.

Girls League started off the year by selling snow cones in order to raise money for the Valentines Dance which they sponsor every year. The 1976 Valentines Dance was held at the Queen Mary in Long Beach.

The National Organization for Women worked with the students, teachers, administrators, and the community to help insure that each individual is allowed to develop her full potential. They were instrumental in getting girl athletics presented in sports assemblies here at Edison.

Language Clubs Learn Different Cultures

The German Club gives students interested in German a better insight into the language and the people of Germany. There are fund-raising projects, scholarships, and a field trip.

In the typical French tradition, Edison's gourmets enjoyed a year of dining par excellence.

A.F.S. is trying something called Domestic Exchange. This is when an Edison student goes somewhere in the United States for a semester if A.S.F. can host a student at the same time. The club also goes on a Short-Term exchange. This is where one week out of the year, A.S.F. goes to a town and lives with different families and learns what it's like to live there. The kids from that town will then come here to Edison for a week.

Spanish Honor Society is a club that recognizes high achievement in Spanish. Scholarships are given, and the money is raised mostly through candy sales. During Christmas vacation, the members went to Olvera Street and watched the Mexican Christmas celebration.

Honor and Speech Clubs Seek Scholarships, Earn Trophies

The California Scholarship Federation, a statewide organization, offers many advantages and benefits to those qualifying members. Membership in CSF not only warrants graduation with honors and a gold seal on their diploma, but opens a variety of scholarship opportunities. Life membership in CSF is the highest academic honor a high school student can receive.

The Speech and Debate Club is coached by Mr. George Roswell. The topic for debate is everything from food and

energy to heroin and seat belts. The varsity debate teams have given a fine showing at all league tournaments as well as the individual competitions of UCLA, Redlands, Loyola, and La Mirada. The novices have also put forth a fine effort so far in their separate contests with at least one team trophying at each competition, very frequently seeing at least one contestant going to the final elimination rounds.

Students Develop Other Interests

The Yosemite Institute Club provided fun and enjoyment along with plenty of outdoor learning experiences for every one of the fifty members. The club activities included its second annual trip to Yosemite along with picnics, fund raising, and plenty of parties.

The ski club, a brand new club, began by selling coupon books in order to raise money for their ski trip to Utah in

December. Their meetings consisted of exciting ski movies and plans of upcoming trips to the snow.

The Sailing Club met every Wednesday at the Sea Scout Base in Newport Beach to learn the techniques of sailing and have fun at the same time. Boat races, where all the members showed their skill at sailing, were the major club activities.

Spirit Shown Through Acting and Participation

Drama Club is a large group of interested students who are directly involved in the many productions during the school year.

Thespians is an honorary society for drama students who have achieved a certain number of points in their field. In the spring, Thespians took a trip to London and San Francisco.

The Woodworking Club helped the community by

making toys for underprivileged children. They organized school activities to promote student spirit. They also raised money to buy better equipment for woodworking class.

The Electronics Club was formed for students interested in the field of electronics. After graduation, a student in this club could use his knowledge of electronics in a job situation.

New Clubs Start up New Activities

Three new clubs have been added to the many organizations at Edison. The bicycle club started in the beginning of the year. They had a lot of bike rides which went throughout Orange County. The Aeronautics Club took most of the year organizing; writing their constitution, getting people to join the club, and get some activities started. Towards the end of the year, they took a trip with Continental Airlines. The Tuba Club is a club that would like to change the attitude of how the Tuba is stereotyped as an accompanist instrument. Tuba Club sponsored the *Mickey Mouse Review*.

1. Tuba Club; *Top Row:* Dave Seibt, Bill Bradbury, Bob Ruder, Pat Patterson, Ron Geary, Duane Shoemaker. *Front Row:* Paul Aughe-Pres., Diane Humphrey, Dave Kim-Vice Pres.

Bicentennial Year Has Words

1975-76 had its own special words just like every year does. Here are a few of them

cram it clowney, boreing, he really ate it, Like it or Lump it, hey boy or hey girlie, girlie, hey, porkin, porkin it up, doobie, give me a break hurtin, hurtin to the max, flake off, skrunched, flakey, blew it, go blow, blow, that's a dot, that's a deal, that's a point, chalk one up for me, that's not funny, where is my thing, hallelujah, praise The Lord, put it on my bill, ohh, I'll owe it to ya, control yourself, ah come on, hi there, imbecile, dip, this is fun, that's a bunch of crud, that's a bunch of bull, oh yeah, punch your lights out, I'm losin my head, hang on, oh wow, swinger, cut it, cut, cut it out, oh nuts, zit, keep it cool, uncouth, ah heck, pee wee, for sure, goon farm out, right toe, far out, right on, can you dig it, righteous, lame, boss, thick, meat head, tubed, darn it, sexy, sexy thing, wipe out, dying, shoot, fudge, kid, moron, flea, fly away, goon, wow, jive, hip, how's it goin, okey, okey dokey, not too shabby, give me five, shine it on, hang ten, bite the one you love, howdy, howdy doody, stiffle, shut up, maintain, radical, rival, watch out, watch it, hippy, butch, your gonna get it, buzz, buddy, bombed, pig, spirit in the sky, turned on, strange, what, whatta ya want, freak, duhh, errr, yee, stuff, stash, canned, harry, trip, man, man what a bod, hot stuff, tuff, tuff beans, mello out, shake it,

catch ya later, forget it, pretty hot stuff, how's it goin, you think you're funny, get it on, truckin, spaced, space case, oh babe, kick back, trippin, toekin, do it, cruisin, lingo, bitchin, you're really hurtin, you're acheing, ain't you cool, later, what's happening, what's goin on, hot, gross, stoked, chick, dude, surfer, low rider, stud, sport-o, see ya later, get lost, sit on it, fag, weirdo, bumner, off shore, wipe out, really, pull your head out, plastered, kiss it, loaded, dang, flaggetts, dig it, stoned, fox, foxy, alright, ripped out, corny, ya know, go for it, up your nose with a rubber hose, fonzie, the fonz, bushed

1. Many students spend their free time talking in the bowl.
2. Mr. Jim Hoyland talks with the Rep. from the district office and the architect about the future plans for a greenhouse.
3. Ed Bell and Jim Williams pass the time with a little small talk.
4. Scott Ryder and Kurt Redding discuss the helpfulness of the librarians.
5. Coach Riley gives his team a pointer on a few of their mistakes.

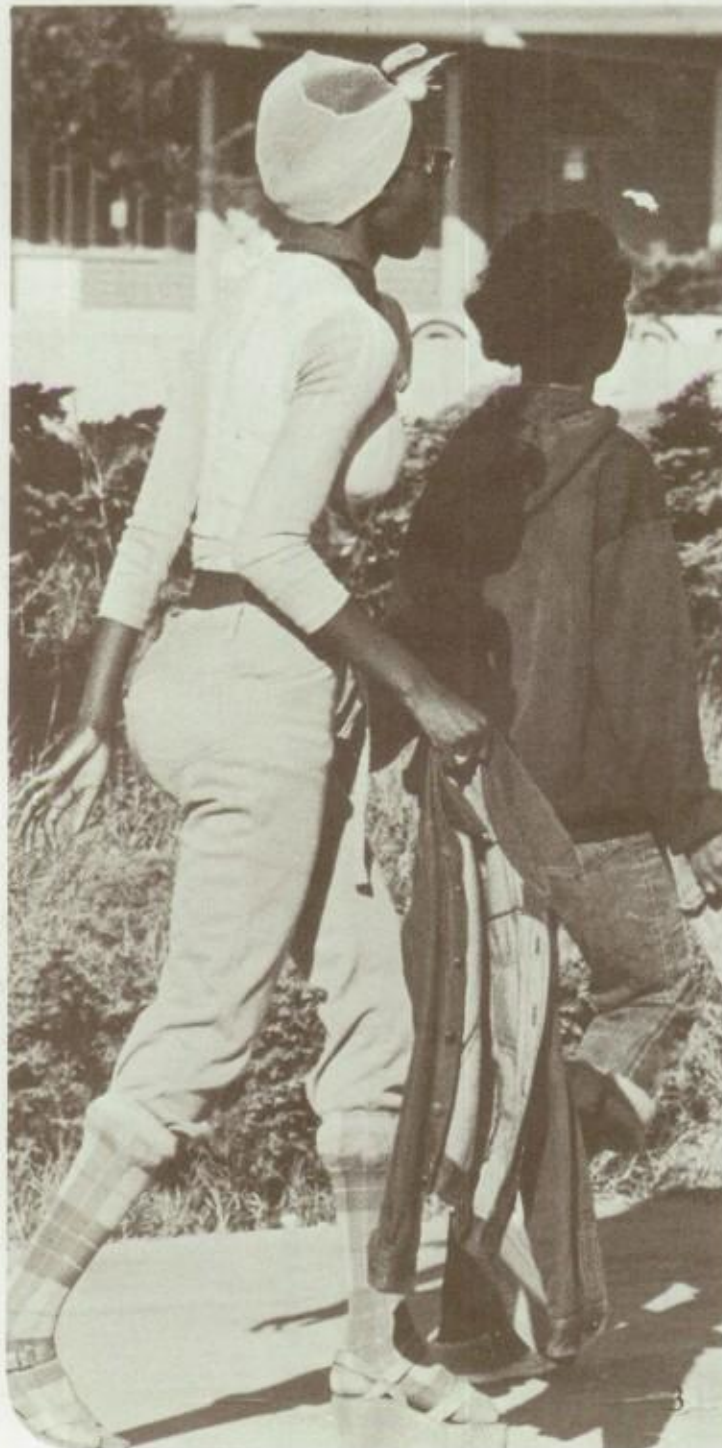

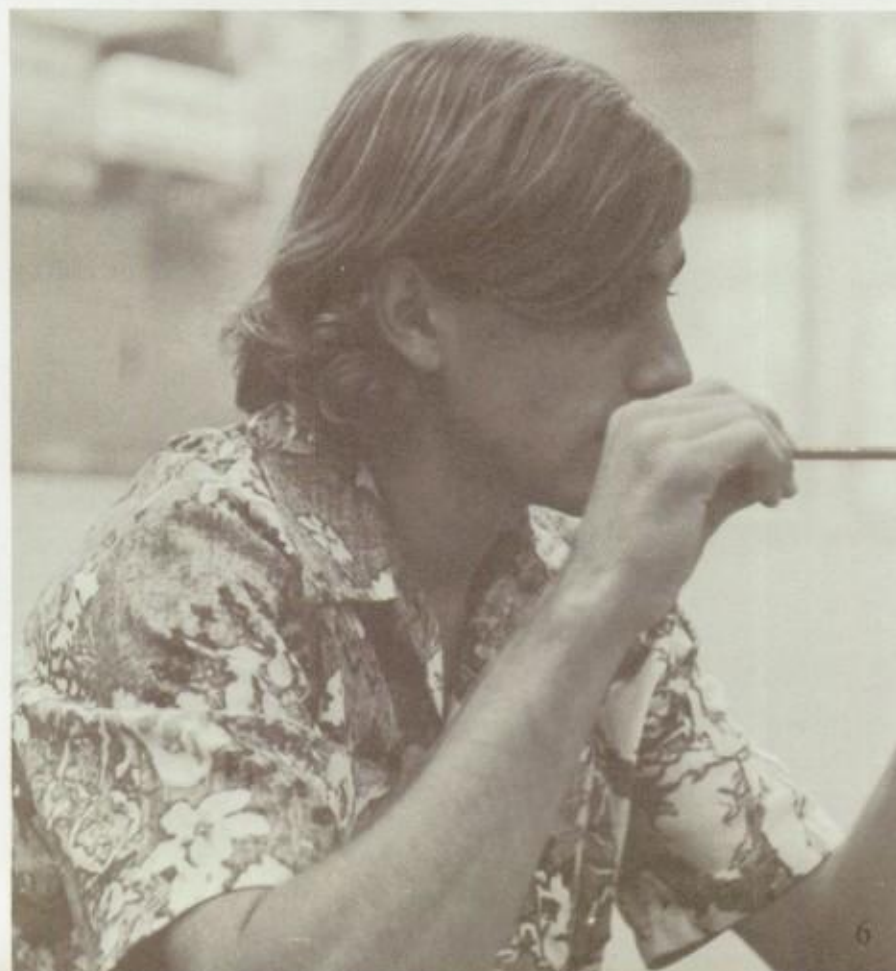

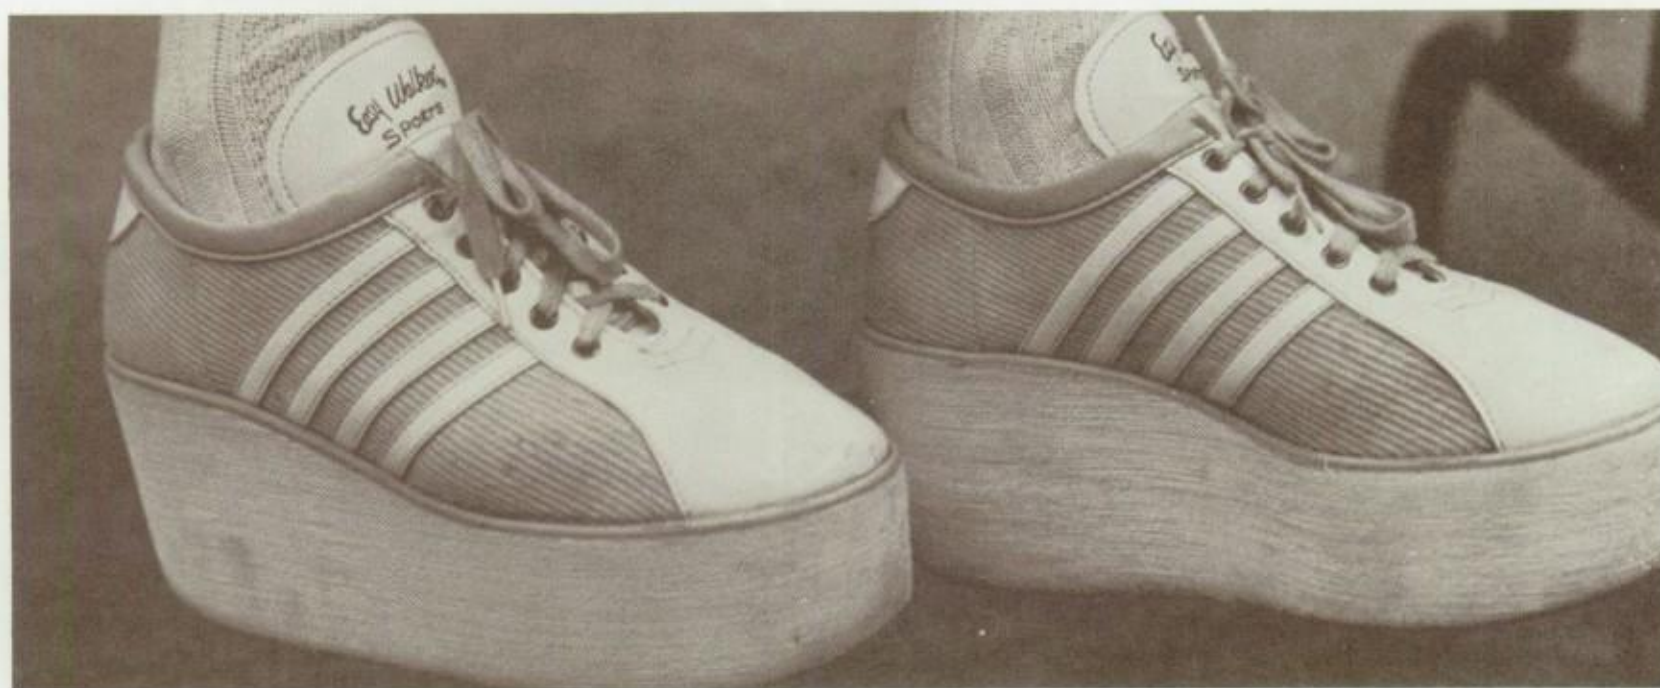

That Continue to Grow

Fads and Fashions of 1976 Were Casual

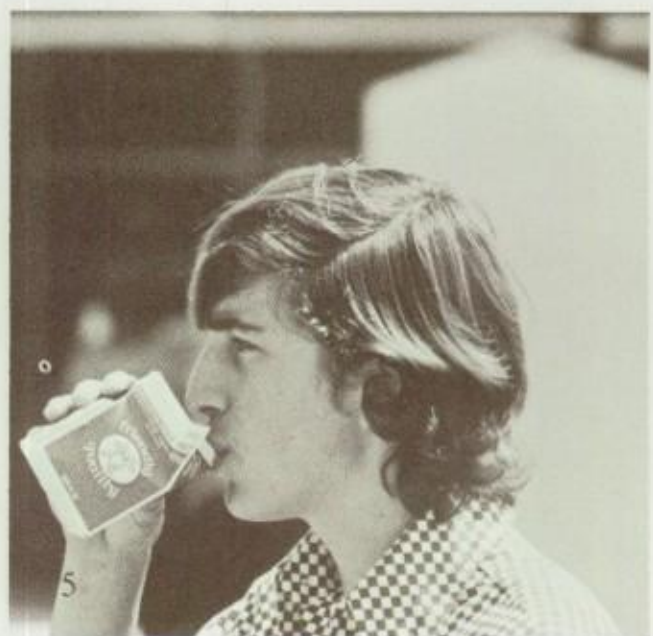

Every year has its own look as far as clothing goes. This is the year that hemlines went back down to a little below the knee. Casual shoes took on height. Scarves not only had the look reminiscent of the 1950's, but unusual ways of tying and draping them were also popular. Not to be forgotten was the way everyone wore their scarves on their heads. Blouses went into layers with sweaters. Every guy owned an Hawaiian shirt and EVERYBODY wore Levis. Belts and bangles came back. This was the year you could wear anything you wanted to and get away with it.

Here is a small sample of what we were all wearing this year: mood rings, class rings, heshe beads, puka shells, electronic digital watches, Dr. Scholls shoes, platform sneakers, leather wedge sandals, knee high boots, ski jackets and coats, ski sweaters with caps and scarves, Hawaii 75 T-shirts, work shirts, Huntington Beach T-shirts, Japanese blouses with belts at the waist, Chinese jackets, French and British jeans, saddle pants, multi-colored blue jeans, long dresses and midi skirts, toe socks, porcelain nails

1. The look for all male students-cords, Levis, printed T-shirts, and Hawaiian shirts.
2. Hooded ski-jackets are popular.
3. For Halloween, Virginia Lacy showed up with a scarf on her head and her pants tucked into her socks-a look that was outlandish in October and stylish in the spring.
4. Heidi Erl exhibits the longer hemlines.
5. Platform sneakers-a '76 favorite.
6. John Hogan wears the very popular Hawaiian shirt.

The inflational rise of prices continued in a mild form during his bicentennial year. Unlike many years of the past, 1975-76 seemed to have somewhat of a control on the rising cost of living.

Students as well as faculty and staff experienced paying as much as 69 c for a gallon of gasoline and 73 c for a half-gallon of milk. Potatoe chips and most of the well known candies were in the price range of 15 c-20 c.

The snack bar and snack shack sold, in large volume, various candies at 15 c-25 c, soft drinks from 25 c-35 c, and potatoe chips for 15 c-25 c.

Prices continued to rise and what seemed to be a high price in September turned out to be a cheap price by June.

1. In 1976 this Volkswagen Scirocco could be bought for approximately \$5,200.
2. Doritos and Punch are two of the inexpensive treats at a party.
3. Drive-Ins aren't that expensive.
4. Class rings are a prized possession of all seniors, especially during this bicentennial year.
5. A cold refreshing 10 ounce carton of milk can be bought at the snack bar for only 10 c.
6. For \$4.25 you could buy some cheese from any band member.
7. Noxema at \$1.39, Gleem II at 63 c, and Baby Powder at \$1.69 is a part of everyone's budget.

I'm Looking for the Road to Freedom So I Can Be Free

On the Road to Freedom

I'm on the road to freedom, On the road to love
Yonder can you see them who they're thinking of
I met a rich man on the road, he told me where to go
To get my hands upon some gold, but still I
answered no
cause freedom waits for me ahead, your
gold will slow me down
I smiled as I walked on my way, and left
him with a frown

I met an old man on the road, his eyes were
clear and wise
Can you direct me on my way to where the answer lies
I'm looking for the road to freedom so I can be free
He said keep thinking as you walk, and one
day you will see.

I'm on the road to freedom, on the road to truth
Yonder can you see them wasting precious youth
I thought as I walked down the road, of
what the man had said
It seems to me that what he meant is
freedom's in your head
The road I walk along is time, it's measured
out in hours
And now I need not rush along I stop to see
the flowers. stop to smell the flowers.

Students Enjoy Listening, Playing, . . .

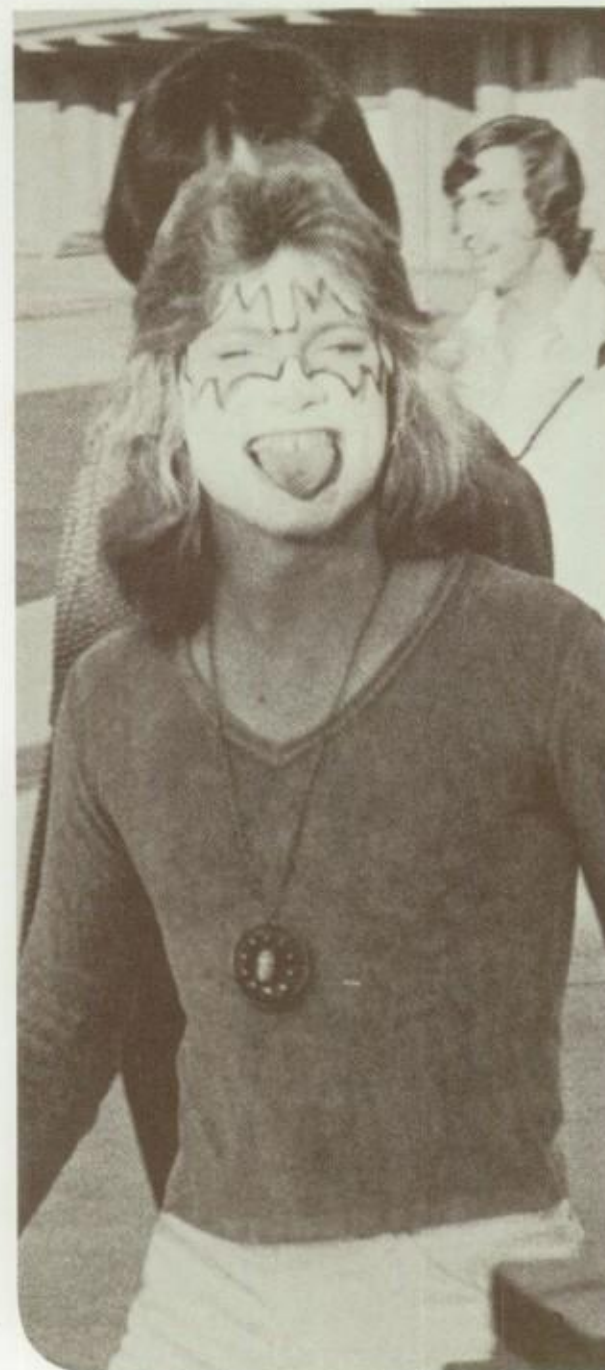

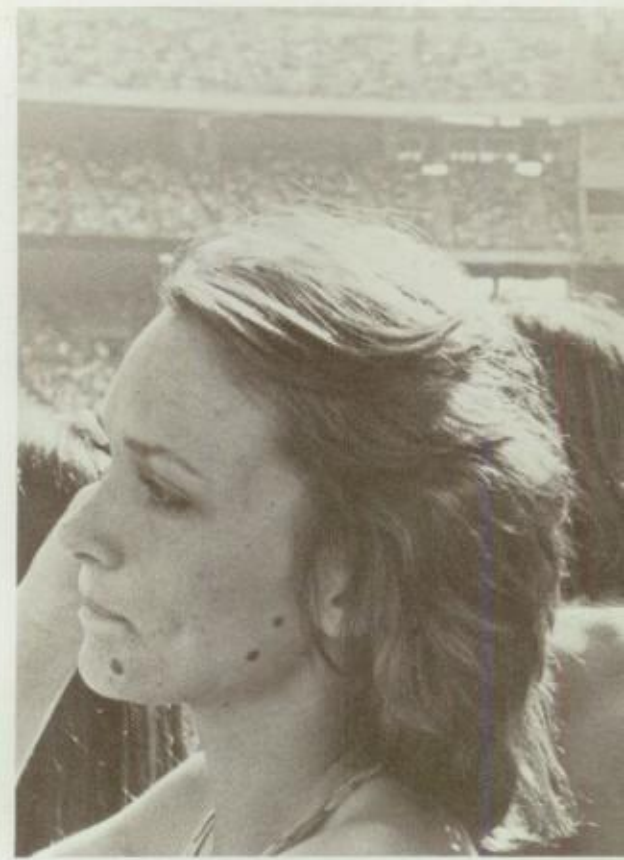

" . . . I want to Rock and Roll all night and party every day . . . " was a well known phrase this year for the music listeners at Edison, as the popular band KISS played their music to the top of the hits of '76. Many students enjoyed listening, playing, making and dancing to every style of music, from Bach to Rock.

Some students paid as much as \$25 to see their favorite singer or band in concert. Some of the many concerts during the school year were Elton John, Kiss, David Bowie, Cat Stevens, Chicago, Foghat, Deep Purple, The Eagles, The Allman Brothers, Electric Light Orchestra, Black Sabbath, Aerosmith, Eric Clapton, Loggins and Messina, The Doobie Brothers, Crosby and Nash, Peter Frampton, Linda Ronstandt, Stills and Young, and The Who.

Students also listened to radios and their own personal supply of records and tapes.

Edison had their own radio station on campus with disc jockey John Oates. It was enjoyed by many as the Music Media continued to progress throughout the school year.

1. This was a familiar site. Thousands of people of all ages gathered for a long day to have a good time at the Elton John concert.
2. David Rich dressed as the band KISS dresses during their performances.
3. Tee Shirts with iron on emblems were a popular thing this year, and Dave Guyer displayed his interest in the band named Kiss.
4. During lunch in the bowl, one of many bands gave a free performance to entertain the students while also auditioning for the night time sock hops.
5. Mike Sameulain and his girlfriend were two of the many students who represented Edison at the Elton John concert in October.
6. One of the many bands that played at Calvary Chapel was experienced by some of the fun-loving students who enjoyed good music and a good time for a free price.
7. John Oates, the disc jockey for KEHS, takes a break while the station music continues through-out lunch time.

... Making and Dancing to Music

You're "On the Road to Freedom" ... and, do you remember when?

It was already time for you to register for the fall semester 1975-76. The long summer seemed to suddenly come to a halt when you received that first letter from the Principal, Mr. Gross, welcoming you back to another school year. How about trying to race to your fifth period class, while 4,099 fellow students tried to do the same.

What about that beautiful day when the sky was a deep blue and not a cloud in sight. You couldn't resist the temptation to head for the beach, with your surf board or towel in hand. When lunch time arrived, you and your friends split for the field, cafeteria, snack bar, bowl or drinking fountain, and band room, library, halls, benches, home, or to the beach.

How about all those football and basketball games? After the games, you and your friends usually had a hang out like the dance or a friend's party, and then what about Bob's Big Boy or Naugles where everyone went to eat, watch, and converse. Do you remember the days you went to school and it seemed like everyone owned a pair of British or French style blue jeans, with seams in every direction! I'm sure you won't forget the talk from your friends and yourself when the news was out about a new rock concert. High heels were still in, including three inches on a pair of sneakers.

For the active students, there were long hard practices that continued after school, and for any kind of Sports,

Pepsters, Band, Banner, and Drill Team there were many extra hours spent rehearsing for the big game or competition. There were also many varieties of clubs to join and they all met on Wednesdays and Fridays during the single lunches. Some planned trips, like the Yosemite Institute Club going to Yosemite and the Ski Club in Utah. Many clubs just planned fun, close-by activities. The seniors were always busy with the SAT and ACT testing, ordering their cap, gowns and announcements, going to dances, and the senior breakfast and grad night.

Many activities happened during the year, such as Spirit Week, Holiday Happenings, and Senior Week. One activity to remember was the night Edison stomped on Fountain Valley High School at the Anaheim Stadium with 11,099 fans in attendance for the annual football game. Edison's own Band, Banner, and Drill Team took a week's vacation from school in Hawaii, and the A Cappella Choir also went to Mexico. For the first time in Edison's history there was a tie for the Queen of Courts; both Robin Greer and Kim Finlay were crowned.

Everyone enjoyed the once a month minimum day and the legal holidays and vacations that came along. Many banquets were held for sports, clubs, and other organizations. Most of you or your friends will long remember the special dances and especially the big one, the "Prom", and the final ceremonies of Graduation.

Do you remember when the 1975—
1976 school year was suddenly
over—it passed so quickly
and you tried to remember
what happened?
